

DUKE UNIVERSITY MEDICAL CENTER

CURRICULUM VITAE

Name: TRULS ØSTBYE (OSTBYE/ OESTBYE)

Degrees: MD, MPH, MBA, PhD, FFPH (UK)

Primary academic department: Department of Community & Family Medicine
2200 West Main Street, Room 622
DUMC 1004006
Durham, North Carolina 27710
Telephone (919) 660-0331; Fax: (919) 684-5108
truls.ostbye@duke.edu

Present academic rank and title: **Professor** (with Tenure)
CFM Director of Global Health

Medical Licensure: 1981, Ministry of Health, Norway: general license to practice medicine
(1979: passed the US Educational Commission for Foreign Medical Graduates (ECFMG) Examination)

Specialty Certification: 1999, FFPH (Fellow, The Faculty of Public Health of The Royal Colleges of Physicians of The United Kingdom)

Citizen of: Norway

Visa status USA: Permanent Resident

Langhaugen Gymnasium BERGEN, NORWAY	1970-1973	Junior College (Examen Artium) Science/ Mathematics Concentration.
University of Bergen BERGEN, NORWAY	1973-1979	Candidatus Medicinae (M.D. equivalent) Laudabilis, June 1979
Rana Hospital MO I RANA, NORWAY	1979-1980	Intern (Turnuskandidat) General medicine and surgery
Harvard University BOSTON, MA	1982-1983	Master of Public Health (M.P.H.) June 1983
Edinburgh Business School, Heriot-Watt University	1998-2000	Master of Business Adm. (M.B.A.)

EDINBURGH, UK

June 2000

University of Bergen
BERGEN, NORWAY

1993-2000

Doctor Medicinae (Ph.D. equivalent)
October 2000

Thesis: *The Canadian Study of Health and Aging. Epidemiological investigations with special emphasis on dementia and related factors.*

Professional training and academic career (chronologically, beginning with first postgraduate position)

Austrheim Health Center, Austrheim, Norway General practitioner (preventive and curative practice) Physician-in-charge: Austrheim Municipal Nursing Home, Fedje Municipal Nursing Home	1980-1981
Directorate of Organization and Management, Norway Senior Executive Officer (Førstekonsulent) Executive Officer (Konsulent)	1981-1984 1983-84 1981-83
National Institute of Public Health/Department of Health, Norway Special Medical Officer (Spesiallege)	1984-1985
Department of Community Health, Wellington Clinical School, University of Otago, New Zealand Lecturer in Epidemiology for postgraduate Diploma of Community Health and 5 th yr medical students	1985-1986
Department of Community Health and Epidemiology, Faculty of Medicine Dalhousie University Lalia B. Chase Research Fellow	1986-1988
Department of Epidemiology and Biostatistics, Faculty of Medicine University of Western Ontario Professor (with tenure) (1998-1999) Acting Chair (1997-1998; 6 months) Vice Chair, Medical Education (1992-) Associate Professor (with tenure) (1991-1998); Assistant Professor (1988-1991) Senior EFPO Fellow (1997)	1988 - 1999
Department of Community and Family Medicine, School of Medicine Duke University Professor (with tenure) (2000-) Vice Chair (Research) (2005-2011)	2000 –

Other Appointments and Part-Time Employment:

Institute of Social Medicine and Global Health University of Bergen Norway Professor II	2012-
Duke Global Health Institute Duke University Faculty	2011-
Duke Comprehensive Cancer Centre Duke University Member	2009-
Health Services and Systems Research Group Duke – NUS Graduate Medical School Singapore Professor	2008-
Department of Graduate Studies University of Guelph Associated Graduate Faculty	2007-
Department of Nutrition University of North Carolina – Greensboro Adjunct Professor	2005-
Social Science Research Institute Duke University Faculty Fellow	2005-
School of Nursing Duke University Professor	2004-
Center for Health Policy, Management and Law Terry Sanford Institute of Public Policy, Duke University Senior Research Fellow	2001-
Duke Clinical Research Institute Duke University Faculty Fellow	2000-
Duke Centre for Aging, Duke University Duke University Senior Fellow	1999-

Department of Family Medicine,
University of Western Ontario
Professor (Associate Professor 1992-1998) 1998 - 1999

Faculty of Graduate Studies,
University of Western Ontario
Member. 1990-1999

London Intercommunity Health Center
London, Ontario
Board Member 1998-1999

Wellington Polytechnical College,
Wellington, New Zealand
Lecturer. 1986

Sørum Health Center,
Sørumsand, Norway
General practitioner. Preventive and curative medical practice. 1983

Fyllingsdalen Legesenter,
Bergen & Askøy Kommune, Norway
General practitioner. Preventive and curative medical practice. 1981-82

Nordland School of Nursing,
Rana, Norway
Lecturer. Obstetrics and Gynaecology. 1979-80

Selfors Junior High School,
Rana, Norway
Lecturer. Family planning. 1979-80

Neevengården Psychiatric
Hospital & Dr Martens Hospital, Norway
Assistant Medical Officer (Assistentlegevikar). 1976-79

Visiting Positions

Medical University of Debrecen, Debrecen, Hungary
Pro Cultura Visiting Professorship. 1995

Scientific Data Systems Division.
Public Health Information Systems Branch, Centers for
Disease Control, Atlanta, USA
Visiting Researcher 1992

Consultant appointments etc:

Member, Scientific Advisory Committee, Patient Centered Networked Care, Medical Informatics Europe 2011, Oslo, Norway, August 28-30 2011.	2011
Southern Institute for Children and Families, Columbia, SC Consultant, Child obesity research	2005
Ministry of Health, Ontario Technical Reviewer Rural Hospital Framework	1998
Pan-American Health Organization, Washington, DC, USA/ University of Technology, Kingston, Jamaica Advisor. Development of a distance education course in epidemiology in Jamaica using electronic communication.	1995-1998
Akershus Regional Hospital, Norway Consultant. Evaluation of the electronic medical record system DocuLive.	1995
National Library of Medicine, Bethesda, Maryland Beta-tester, Grateful Med (Internet version).	1995
Immigration Canada, Ottawa Consultant. Cost of illness analyses.	1995
Lanka Internet Services, Columbo, Sri Lanka Consultant, Internet applications in health care	1995
Pan-American Health Organization, Washington, DC, USA Advisor. Defined and evaluated the options for computer communication/ computer conferencing at the Caribbean Epidemiology Centre (CAREC Trinidad).	1990
National Institute of Public Health, Oslo, Norway Consultant. Development of a strategy for the establishment of a national health information system.	1990
Directorate of Telecommunications (Research Division), Tromsø, Norway Medical Consultant. Development of an electronic information service for the Norwegian health services.	1989
Royal Council for Industrial and Scientific Research, Oslo, Norway Consultant. Assessed current and future use of computers in general practice in Norway.	1988

Knowledge House, Halifax, Canada Medical Consultant. Development of cases (hypertension, upper abdominal pain) for Patient Simulator II, an interactive patient simulation programme for microcomputers.	1987-88

Progesterone and miscarriage – an observational study
3rd year research project, 2013-2015

Shiayna Siew

Evaluating progesterone treatment options in women with early pregnancy bleeding
3rd year research project, 2013-2015

Carmen Lim Zhiruo

Informal caregiving for children with serious disabilities.
3rd year research project, 2014-2015

Ting Ting Feng.

The association between serum progesterone level and preterm birth
3rd year research project, 2014-2015

Sze Min Lek

Validation of serum progesterone less than 35nmol/l as a predictor of miscarriage among women with threatened miscarriage.
3rd year research project, 2014-2015

Prawira Oka

Gout: quality of life, adherence to medication, self-efficacy of patients who reach treatment target
3rd year research project, 2015-

Shi Qi Zhu

Anxiety and depression after a threatened miscarriage.
3rd year research project, 2016-

University of Western Ontario

Baugniet J.

Knowledge and attitude to complementary/ alternative medicine by medical students and students of other health professions.
Summer Research Training Project, 1997 and 1998.
(Winner, Glen S. Wither Award, 1998)

Hatfield C.

The pen is mightier than the sword .. but who holds the pen? Gender of Editors of medical journals.
Summer research project, 1991.

Hatfield C. (Co-supervisor with Mark Speechley)

Nutrition and socioeconomic status: the Ontario Health Survey. Summer research project, 1992.
(published as: *Hatfield C. Nutrition and socioeconomic status: results from the Ontario Health Survey. The University of Western Ontario Medical Journal 1994; 64(1): 23-7.*)

Strasberg H. (Co-Supervisor with Jim Robertson).

Epidemiology in a Nutshell. Software programme for learning basic epidemiology.
PBL honours project, phase I, 1993.

Mantle R.

CDC Wonder and its applicability to Problem Based Learning.
PBL Honours Project, phase III, 1993.

Advisory Committee Member: Graduate Students

Duke University

Gong W.

Developing a prototype GIS based emerging infectious disease surveillance system for Southern Sri Lanka.

Master of Science (Global Health) 2009-2011.

Akoroda U.

The epidemiology of Chikungunya in southern Sri Lanka

Master of Science (Global Health) 2010-2012.

Hudson J.

Levels of surgical disease and predictors of barriers to care in rural India

Master of Science (Global Health) 2010-2012.

Beaudry L.

Long term care for elderly Sri Lankans

Master of Science (Global Health) 2010-2012.

Jones L

Attitudes and perspectives of Assistant Medical Officers in Sri Lanka

Master of Science (Global Health) 2011-.2013

Das D.

Perspectives and attitudes towards Assistant Medical Officers among physicians in Sri Lanka.

Master of Science (Global Health) 2011- 2013

Beasley G.

Substance screening among trauma patients in a Level 1 Trauma center 2006-2010.

Xuanhao Chan.

Long-term effects of growth changes on later health: secular trends and

developmental trajectories among Singapore youth from 1980 to 2010.
PhD thesis 2011-2015

University of North Carolina – Greensboro (Department of Nutrition):

Durham H

Food habits and choices, physical activity, and breastfeeding among overweight and obese postpartum women
Doctor of Philosophy 2005-2008.

Street E

Predictors of child BMI
Master of Science 2007-2009.

Bowman A

The relationships among dietary habits, media usage, physical activity, and BMI in preschoolers born to overweight and obese mothers.
Master of Science 2007-2009.

Strong LC

The relationship between early infant feeding (breast vs. formula) and fruit & vegetable variety in dietary intakes of 2-3 year-olds
Master of Science 2007-2009.

Moening GA

Predictors of diet quality among overweight and obese postpartum women.
Master of Science 2009-2011.

Laster LE

Diet quality of mothers and their preschoolers enrolled in an obesity prevention trial.
Master of Science 2010-2012.

University of Western Ontario:

Bondy S.

Social and psychological determinants of adolescent smoking.
Master of Science 1990.

Street S.

The continuing care of stroke in family practice.
Master of Clinical Science 1991.

Crosse E.

Reproductive outcomes in London and Middlesex.
Master of Science 1994.

Stevens A.

Socioeconomic factors in Alzheimer's disease.
Master of Science 1995.

Koeppen R.

Variability in effectiveness of health database use by health professionals at Ontario public Health Units.
Master of Science 1995.

Gwadry-Sridhar F.

A case-control study to determine the incidence of febrile neutropenia (FNE) and risk factors for FNE in cancer chemotherapy patients.
Master of Science 1996.

Coleman B.

Amount of variation in Chlamydia rates across Ontario attributable to screening factors.
Master of Science 1997.

White K.

Epidemiological aspects of fibromyalgia.
Doctor of Philosophy 1998.

Tyas S.

Smoking and alcohol in Alzheimer's disease.
Doctor of Philosophy 1998.

Deonandan R.

Epidemiological aspects of in-vitro fertilization..
Doctor of Philosophy 1998-1999.

Green-Finestone, L.

Changing food patterns in Ontario adolescents.
Doctor of Philosophy 1998-1999.

Shinde S.

A study of first year health science students in the faculties of nursing, medicine and dentistry investigating their willingness to treat patients with HIV/ AIDS.
Master of Science 1998.

Siushansian J.

Factors affecting formal service use among informal caregivers of community-dwelling seniors with dementia.
Master of Science 1998.

University of Bergen

Enxhela Solo

Out-of-hospital coronary deaths in Norway 1995–2009

Doctor of Philosophy 2015-

Wellington School of Medicine, University of Otago**Graduate Student Project Supervisor****Greenwood J.**

Asthma admissions in the Wellington region.

Thesis, Diploma in Community Health 1986.

Palmer SG.

Head Injuries in Southland.

Thesis, Diploma in Community Health 1986.

Medical Student Project Supervisor

Bird P, Carbonatto I, Emerson G, Gibson G, Hornabrook R, Knowles J, Lynch C, Munro D, Pahl JA.

Impact of 'The Great New Zealand Smoke Free Week' and Taxation of Cigarettes on Smoking Behaviour in Adolescents.

Special project, Community Health Block, Wellington School of Medicine

Awards held or won by Ph.D. students (applied for when supervised by Dr. Østbye)***Joceline Pomerleau:***

1995-1998 Post-doctoral fellowship, Canadian Medical Research Council
(\$26,700/year)

1995-1997 Post-doctoral fellowship, Ontario Heart and Stroke Foundation
(declined; \$26,700/year)

1995-1996 Post-doctoral fellowship, Fonds pour la Recherche en Santé du Québec
(declined; \$21,600)

1991-1995 Ph.D. Fellowship, Ontario Ministry of Health
(accepted; \$25,900/year)

1991-1993 Ph.D. Fellowship, National Science and Engineering Research Council
(declined; \$16,700/year)

1991-1993 Ph.D. Quebec-Ontario Scholarship, Fonds pour les Chercheurs et l'Aide à la
Recherche du Québec (declined; \$12,000/year)

1991-1992 Ph.D. Ontario Graduate Scholarship, Ontario Ministry of Colleges and
Universities
(declined; \$11,298)

June 1993 Nellie L. Farthing Memorial Fellowship in the Medical Sciences, University of
Western Ontario (\$3,000)

Heather Keller:

- 1996 Ph.D. Ontario Graduate Scholarship, Ontario Ministry of Colleges and Universities
(accepted; \$8,000)
- 1994-1995 Parkwood Foundation Grant
(accepted; \$8,200)

Examination Committee Member: Graduate Students

University of Western Ontario:

Webster KM.

Influence of data generation technique on simulation studies of classification procedures.
Master of Science 1989.

Staples P.

A comparison of quality of life, uncertainty, and hope of cardiac patients and their spouses before coronary artery bypass surgery.
Master of Science 1993.

Hogg WE.

Improving prevention in family practice with personalized reminder letters.
Master of Clinical Science 1993.

Mahon J.

N-of-1 Clinical Trials.
Master of Science 1993.

Coombs A.

Predictors of caries.
Master of Science 1993.

Sass-Kortsak A.

Occupational exposure to styrene: contribution to hearing loss.
Doctor of Philosophy 1993.

Boyle E.

A comparison of statistical methods to predict outcomes using serial markers.
Master of Science 1994.

Hohenadel J.

Use of Generalized Estimating Equations as an approach to estimating disease rates for use in disease mapping: a proposal.
Master of Science 1996.

Kostiouk M.

Randomized clinical trial comparing carotid angioplasty and endarterectomy.
Master of Science 1996.

Sutton DA.

Determinants of sleep in the Canadian population: General Social Survey, 1991.
Master of Science 1997.

Ming Leung ML.

Contracting with asymmetric information: applications in health care and regulation.
Doctor of Philosophy 1997.

Altaye M.

Inference procedures for multiple rater agreement index.
Doctor of Philosophy 1998.

Zarnke K.

Patient directed hypertension management: a randomized trial.
Master of Science 1998.

Alhashemi JA. Effect of subarachnoid morphine administration on extubation time following coronary artery bypass graft surgery.
Master of Science 1999.

Butler R. The influence of a vital capacity maneuver on the timing of extubation and the duration of oxygen therapy following cardiopulmonary bypass procedures.
Master of Science 1999.

Silva EE.

Characterization of a Schistosoma Mansoni C3 Receptor as a potential vaccine candidate.
Doctor of Philosophy 1993 (Chair, examination committee)

O'Connor K.

PhD Thesis Proposal Examiner. 1992.

Evans S.

PhD Thesis Proposal Examiner. 1993.

McDermid J.
Chair, PhD Thesis Proposal Defense. 1996 and 1997.

Chesworth B.
PhD Thesis Proposal Examiner 1998.

Miller B.
PhD Thesis Proposal Examiner 1998.

University of Bergen, Norway

Kazaura, M
Birth defects and age effects
Dr Philos (PhD) Thesis: External Examiner 2004

Eide, G
Associations of perinatal conditions with adult body size and intelligence: a register based cohort study in Norway 1967-1999.
Dr Med (PhD) Thesis: External Examiner 2005.

Klovning, A.
Validation of research methods for urinary incontinence in women. Score questionnaires in clinical practice and epidemiological research.
PhD Thesis. External Examiner 2010.

Postgraduate Institute of Medicine, Colombo, Sri Lanka

Gunarathna NKC.
An intervention for personal hygiene related to influenza among school children through school health clubs in Kalutera district.
MD (Community Medicine) Thesis, August 2012: External Examiner

Balasingham SJ.
Prevalence of unintentional injuries and injury risk behaviour among children aged 4 to 5 years in Gampaha district.
MD (Community Medicine) Thesis, August 2012: External Examiner

Wijeratne MP.
Interpersonal violence among 13-15 year old schooling adolescent peers in the district of Gampaha.
MD (Community Medicine) Thesis, August 2012: External Examiner

COURSES TAUGHT

[Excludes courses taught at the University of Otago and Dalhousie University]

DUKE UNIVERSITY:

Surveys and questionnaire design (Fellowship program)

lecturer and project facilitator
2000, 2001, 2002, 2003, 2004

Epidemiology (Master of Clinical Leadership)

lecturer (internet based format)
2000

Epidemiology (Master of Clinical Leadership)

lecturer/ group discussion leader
2001

Comparative Health Systems (Fuqua School of Business)

lecturer
2000, 2001, 2002, 2003, 2004, 2005, 2007

Research Methods (3rd year residents)

lecturer
2000

The QI/ Research Project - a problem based approach: (3rd year family medicine residents)

course director

2001-2002, 2002-2003, 2003-2004, 2004-2005, 2005-2006, 2006-2007, 2007-2009.

Teams consisting of 2-3 3rd year residents develop, implement and present various QI research projects of direct relevance to the Family Medicine Clinic. Approximately 12 1 1/2-2-hour sessions.

Population Research Course (2nd year family medicine residents)

Project supervisor and convenor, EBM Journal Club
2010-2011

Research Methods (2nd year residents)

2000

Programme Evaluation (departmental non-credit course)

2000

UNIVERSITY OF WESTERN ONTARIO

Undergraduate courses:

Special Topics: Clinical Epidemiology and Population Health (4th year medical students)

1990-1991
1991-1992

This course was changed to:

Basic Science Electives: Epidemiology (4th year medical students)

1992-1993
1993-1994
1995-1996
1996-1997
1997-1998
1998-1999

Course coordinator and main lecturer

Basic Science Electives: Population Health (4th year medical students)

1998-1999

Course coordinator

Problem Based Learning, Medical Students

1990-1991: Year 1 Phase 1
1991-1992: Year 2 Phase 1
1992-1993: Year 3 Phase 1
1993-1994: Year 3 Phase 1
1994-1995: Year 1 Phase 1
1996-1997: Year 2 Phase 1

Tutor.

Patient Centred Learning, Medical Students

1998-1999: Year 2 Phase 1

Tutor.

Community Project: Needs Assessment and Health Promotion

1998-1999: Year 2 Phase 1 and 2

Faculty Advisor.

Graduate courses:

E548 Epidemiology of major diseases

1990-1991
1991-1992
1993-1994
1995-1996
1996-1997
1997-1998
1998-1999

Course coordinator and main lecturer.

The Department of Epidemiology and Biostatistics Graduate Summer Course Series (non-credit)

Genetic Epidemiology (1989)

Public Health and Preventive Medicine (1990)

Nutritional Epidemiology (1991)

(in collaboration with Joceline Pomerleau)

Economic Evaluation in Health Care (1992)

(Convenors: Iris Brownscombe and Neil Klar)

Health Programme Evaluation (1993)

(in collaboration with Linda Pederson)

Biology of Cancer (1994)

Epidemiology of Aging (1995)

(Convenors: Suzanne Tyas and Heather Keller)

Programme Evaluation (1996)

(in collaboration with Evelyn Vingilis)

Environmental Epidemiology and Risk Assessment (1997)

(in collaboration with Jim Robertson and Ron Wall)

Modern Epidemiology (1998)

Evidence-based Medicine (1999)

Overall course series coordinator and convenor for the courses in bold above.

Critical Appraisal for interns and residents level 1

1991-1992

1992-1993

1993-1994

1994-1995

Co-coordinator.

Critical Appraisal for interns and residents level 2

1993-1994

1994-1995

Co-coordinator.

"Fundamentals of Clinical Trials - an electronic extramural course. 1997

Initiated, developed and taught a 10-week international electronic extramural course.

Canadian Medical Association Manuscript Review Group.

1992-1999

Faculty Coordinator.

Involvement in other courses.

Introduction to Epidemiology (E 550) (taught session on Infectious Disease Outbreak since 1992.)

Computer Practicum (E 599) (Taught electronic communication and medical resources on the internet 1990-1993)

Clinical Pharmacology (medical students year 4) (developed and taught interactive session on Randomized Controlled Trials 1996)

Research Epidemiology (E553) (read and graded all submitted research proposals 1992-1993 and 1993-1994)

Supervision, Postdoctoral Fellows

Wijeratne MP .

Interpersonal violence among 13-15 year old schooling adolescent peers in the district of Gampaha, Sri Lanka.
2013-2014

Periyasamy N.

Traffic injuries in Sri Lanka: risk factors, prevalence and costs
2013-2014

Dabrera T.

A community intervention targeting obesity through funeral societies in Sri Lanka
2015-2016

Recent Committee Membership

Recruitment Committee for Associate Director (Population Health), Duke Comprehensive Cancer Center
Member, 2008-2010

Recruitment Committee for Chair, Psychiatry, Duke University
Member, 2008-2010

Recruitment Committee for Professor, Health Systems, Duke Global Health Institute
Member, 2008-2010

Recruitment and selection committee for new research faculty members
Department of Community and Family Medicine
Chair, 2003-2010

Current Committee Memberships

Executive Committee, Department of Community and Family Medicine
Member, 1999-

Appointments, Promotions and Tenure Committee, Department of Community and Family Medicine, Duke University

Member, 1999-

Research Committee, Department of Community and Family Medicine
Chair, 1999-

Institutional Review Board, Duke University
Member, 2002-2013

Duke Integrated Primary Care Research Committee (was: Duke Primary Care Research Network
Research Advisory Board)
Member, 2003-

Appointments, Promotions and Tenure Committee, School of Nursing, Duke University
Special member, 2004-

Research Committee, Duke Diet and Fitness Center
Member, 2005-

Advisory Council, Hubert-Yeargen Center for International Health
Member, 2005-

Recruitment committee for establishment of Health Services Research Group (director and 5-7
faculty members) at the Duke/ NUS Graduate Medical School in Singapore
Member, 2007-

Executive Committee, Duke Global Health Institute, Duke University
Member, 2007-

Advisory and Curriculum Committee, Master of Science in Global Health, Duke University
Member, 2008-

Research Administration Continuous Improvement (RACI) Committee, Duke University
Member, 2008-

North Carolina Central University/ University of North Carolina Partnership Program Steering
Committee
Member, 2009-

Global Priorities Committee, Duke University
Member, 2010-

Course Committee, Population Research for Family Medicine Residents
Member, 2010-

Admission/ review of incoming medical student applications, Duke-NUS Graduate Medical
School

Interviewer, 2013, 2014

North Carolina Central University/ University of North Carolina Chapel Hill Lineberger
Comprehensive Cancer Center U54 Partnership Program Steering Committee
Member, 2010-

The Vice-Chancellor's Duke-NUS Planning and Coordination Group.
Member, 2014-
