

**Maternal, Adolescent and Child Health Committee
Request for Proposals
Conference Grant**

The Maternal, Adolescent and Child Health (MACH) Committee at the Duke Global Health Institute is pleased to offer conference awards to MACH committee members. These awards are aimed at faculty and research scholars looking to represent the MACH committee, network with other MACH experts, and explore potential collaborations. Applications will be reviewed on an ongoing basis and should include a brief description of the conference and proposed activities (no more than 2 pages), budget, and applicant's CV or NIH biosketch.

Eligibility: Proposals must be submitted by MACH faculty or research scholars leading research initiatives. Applicants who have never received MACH conference grants will be given priority in review.

Review Process: Proposals will be accepted on an ongoing basis and reviewed by MACH internal and external reviewers.

For questions, please contact Kathryn Whetten (Kathryn.whetten@duke.edu).

Applications must be submitted to Kathryn Whetten (Kathryn.whetten@duke.edu).
