

## PRE-APPROVED GLOBAL HEALTH ELECTIVES, AS OF FEB. 2025

These courses, taught by DGHI faculty members or affiliates, are listed below. **These courses may be offered in the Fall, Spring or alternate years. There is no guarantee that a course will be offered each year.**

To find out which courses will be offered in a particular term, please consult DukeHub when Shopping Carts open. Course descriptions may be found in the [Graduate School Bulletin](#).

**Students may petition to have courses not listed below count as MSGH electives. The petition must include a concise academic justification for the course, demonstrating the ability to connect the course material to global health, along with a copy of the syllabus. All petitions must be submitted via an online form at <http://bit.ly/2wPe5FO>. Petitions will be reviewed by the Director of Graduate Studies.**

Students often elect to obtain certificates concurrently with their GH coursework. For more detailed information about the certificate, including the application process and important deadlines please contact the individual certificates below. Please review the Certificates document in Sakai for more information.

Certificates	
<a href="#">Innovation &amp; Entrepreneurship Certificate</a>	I&E
<a href="#">International Development Policy Certificate</a>	IDP
