

CURRICULUM VITAE

Date Prepared: April 20, 2025

Name: Mina Ruth Silberberg, M.A., Ph.D.

Primary Academic Appointment: Family Medicine and Community Health

Present academic rank and title: Professor

Date and rank of first Duke Faculty appointment: August 2003, Assistant Professor

Medical Licensure: North Carolina License: # N/A **Specialty certification(s)** N/A

Date of Birth: April 28, 1961 **Place:** New York, NY.

Education:	Institution	Date	Degree
High School	Horace Greeley High School	6/78	
College	Harvard-Radcliffe	6/82	A.B. (magna cum laude)
Graduate	University of CA at Berkeley	6/85	M.A. (Political Science)
		6/92	Ph.D. (Political Science)

Professional Training and Academic Career:

<u>Institution</u>	<u>Position/Title</u>	<u>Dates</u>
University of CA at San Francisco	Post-Doctoral Fellow (NIA/Pew)	7/92-6/94
Rutgers University-Camden	Asst. Prof./Coordinator, Health Care Concentration	8/94-5/99
Rutgers Center for State Health Policy	Asst. Research Prof./Policy Analyst Asst. Research Prof./Senior Policy Analyst	6/99-6/00 6/00-6/03
Duke University Medical Center Division of Community Health	Asst. Prof. Director of Evaluation Asst. Prof. Director of Research and Evaluation Asst. Prof. Vice Chief for Research and Evaluation Associate. Prof. Vice Chief for Research and Evaluation Professor,	8/03-4/07 5/07- 6/12 7/12-1/13 1/13 - present
Duke Center for Community Research	Vice Chief for Research and Evaluation Faculty, Liaison Team	7/24 - present 9/06-8/11
Duke Margolis Institute for Health Policy	Core Faculty	8/19 - present
Duke Global Health Institute	Faculty	9/20 - present
Community Engaged Research Initiative	Director	5/21 – 8/24
Dept. of Head and Neck Surgery and Communications Sciences	Faculty	9/21 – present

SCHOLARSHIP

- 19) Martinez-Bianchi, B., **Silberberg, M.**, Halstater, B., & Strand de Oliveira, J. Public Health and Primary Care Together: A Practical Playbook and a Population Health Leadership Curriculum. Seminar presented at the STF 46th Annual Spring Conference, San Antonio, TX, May 6, 2014.
- 20) **Silberberg, M.** et al. Evaluating Emergent, Place-Based Initiatives: Methods Used in the Formative Evaluation of Healthy Places North Carolina. Paper presented at the American Evaluation Association Annual Meeting, Denver, Colorado, October 17, 2014.
- 21) Rindfleish K., Prunuske, J., Lankton, R., **Silberberg, M.**, et al. Integrating Primary Care, Public Health and Family Medicine Education. Pre-conference workshop presented at the 48th Society of Teachers of Family Medicine Annual Spring Meeting, Orlando FL, April, 2015
- 22) Bleacher, H., Ringwood, H., Staff, T., Martinez-Bianchi, B., ... **Silberberg, M.** From the Ground Up or to Infinity and Beyond: Enhancing Your Population Health Curriculum at Any Stage Presented at the 48th Society of Teachers of Family Medicine Annual Spring Meeting, Orlando FL, April, 2015.

F.2. Peer-Reviewed Posters

- 1) **Silberberg, M.** and Estes CL. Analyzing Home Care Agency Regulation: Insights from a Stakeholder Attitude Survey. Poster presented at the annual meeting of the Gerontological Society of America, Washington D.C., November 1996.
- 2) **Silberberg, M.**, Goldstein LB, McMiller Y, and Yaggy SD. Stroke Knowledge Among Uninsured Latino Immigrants. Poster presentation at the International Stroke Conference, New Orleans, February 20-22, 2008.
- 3) **Silberberg, M.**, James SA, et al. Sources of Support for African-American Diabetics. Poster presentation at the 68th Scientific Sessions - American Diabetes Association, San Francisco, June 6-10, 2008.
- 4) **Silberberg, M.**, James SA, et al. Addressing Health Disparities in a Diverse African-American Population Through Community Based Participatory Research. Poster Presentation at the Conference "Improving Health WITH Communities: The Role of Community Engagement in Clinical and Translational Research" (sponsored by NCRR and APTR), Bethesda, May 14-15, 2009.
- 5) Tran A, **Silberberg, M.**, et al. Bienestar: A Community-University Partnership to Deliver Culturally Appropriate Mental Health Services for Latino Immigrant Children in School-Based Health Clinics. Poster Presentation at the Annual Meeting of the American Public Health Association, Philadelphia, Nov. 7-11, 2009.
- 6) Tran A, **Silberberg, M.**, et al. Taking the Message Home to Older Adults: A Home Care Chronic Disease Education Program for Certified Nursing Assistants. Poster presentation at the Annual Meeting of the American Public Health Association, Philadelphia, Nov. 7-11, 2009.
- 7) **Silberberg, M.**, Carter-Edwards L, et al. IN4Kids: Data from a Study of RD Integration into Primary Care. Storyboard Presentation at the Annual Forum for Improving Children's Healthcare and Childhood Obesity Congress, Atlanta, March 8-11, 2010.

- 8) **Silberberg, M.** et al. ¡SEPA! A Marriage of Research and Practice. Poster Presentation at the Conference “Partnering to Improve Health: The Science of Community Engagement” (sponsored by NCRR and APTR), Arlington, VA, May 13-14, 2010.
- 9) Martinez-Bianchi, V., Shahsahebi, M., **Silberberg, M.**, et al. The Next Step Toward Improving Population Health: A Population Health Management Rotation. Poster presentation at the 48th Society of Teachers of Family Medicine Annual Spring Meeting, Orlando FL, April, 2015.
- 10) Zullig, LL., McCant, F., **Silberberg, M.**, Johnson, F., Granger, B.B., & Bosworth, H.B. Changing CHANGE – Adaptations of an Evidence-Based Telehealth Cardiovascular Disease Risk Reduction Intervention. Poster presentation at the 10th Annual Conference on the Science of Dissemination and Implementation, December 4-6, 2017.
- 11) Lapinski J, ...**Silberberg, M.** An Interdisciplinary Approach to Full Spectrum Transgender Care. Poster presentation at the Conference of the World Professional Association for Transgender Health, November 2018.
- 12) Trambert Kylstra E, Luukinen B, Cohen S, Valier M, Tuccero D, **Silberberg, M.**, Murphy SK. Effects of Paternal Preconception and Maternal Prenatal Marijuana Use. Virtual poster presentation at the American Academy of Family Physicians Family Medicine Experience, October 13, 2020.
- 13) **Silberberg, M.**, Singh, A., Bettger, J., et al. Screening Older Adults for Hearing Loss in Primary Care: Insights of Patients, Providers, and Staff. Virtual poster presentation at the Gerontological Society of America Annual Scientific Meeting, November 6, 2020.
- 14) Trambert Kylstra, E., Luukinen, B., Cohen, S.,...& **Silberberg, M.** Effects of Paternal Preconception and Maternal Prenatal Marijuana Use. Virtual poster presentation at the American Medical Association Research Symposium, December 3, 2020.
- 15) Goo, K., **Silberberg, M.**, Eisenson, H., Johnson, F., & Stinnett, S. Measuring Specialty Care Utilization Among Medically Fragile, Low-Income Older or Disabled Adults. Poster presentation at the Gerontological Society of America Annual Scientific Meeting, November 2, 2022.

F.3. Other

- 1) Survey published in HPOE. Creating Effective Hospital-Community Partnerships to Build a Culture of Health. Report of the American Hospital Association, August 5, 2016.
- 2) Guest, “The Fragmented Whole” Podcast, taped at the studios of WNCU, Durham, North Carolina, March 25, 2019.
- 3) Host (with Donna Biederman and Emily Carmody), Tenancy Support Services Research Symposium, Durham, North Carolina, April 23, 2019.
- 4) Host (with Donna Biederman and the Urban Institute), Addressing Housing Insecurity Post Disaster: Findings from the Back@Home (Webinar), November 1, 2023.

APPOINTMENTS AND RECOGNITION

A. Scientific Reviewer

A.1. Scientific Reviewer-External Grants and Documents Review

- 1) **Reviewer**, Administration on Aging’s National Family Caregiver Supportive Service Program – Innovative Grant Competition, August 2001
- 2) **Reviewer**, Life Sciences Discovery Fund Project Grant Competition, 2008 and 2009

- 3) **External Reviewer of Documents**, AARP Center to Champion Nursing in America, 2013
- 4) **Reviewer**, Pre-Submission Review for “integrated Translational Health Research Institute of Virginia (iTHRIV),” CTSA submission, 2022
- 5) **Reviewer**, Research Advisory Committee, New Jersey Integrated Population Health Data (iPHD) Project, 2022-present

A.2. Scientific Reviewer-Duke

- 1) **Judge**, AOA Day, 2011, 2014, 2016
- 2) **Reviewer**, Pathway to Independence/K Club Mock reviews, AY2017
- 3) **Reviewer**, Duke CTSI CERI Population Health Improvement Award Proposals, AY2019 - 2020
- 4) **Reviewer**, Duke-NCCU Collaborative Award Program, AY2019
- 5) **Reviewer**, Duke Bass Connections Proposals, AY2020-present
- 6) **Reviewer**, READI Community Outreach and Engagement Voucher Program, 2022
- 7) **Reviewer**, Duke-NCCU Clinical & Translational Science (CTS) Grants Program, AY2022 – present
- 8) **Reviewer**, Duke-NUS Pre-Grant Review, AY2022 – present

A.3. Reviewer for Peer-Reviewed Journals

- 1) *Annals of Family Medicine*
- 2) *American Journal of Preventive Medicine*
- 3) *American Journal of Public Health*
- 4) *BMC Primary Care*
- 5) *BMC Research Notes*
- 6) *The Gerontologist*
- 7) *Health Education & Behavior*
- 8) *Healthcare*
- 9) *Health Expectations*
- 10) *International Journal of Environmental Research and Public Health*
- 11) *Journal of the Academy of Nutrition and Dietetics*
- 12) *Journal of Aging & Social Policy*
- 13) *Journal of Applied Gerontology*
- 14) *Journal of Comparative Effectiveness Research*
- 15) *Journal of Clinical and Translational Science*
- 16) *Journal of Health Care for the Poor and Underserved*
- 17) *Journal of Health Policy, Politics, and Law*
- 18) *Journal of Immigrant and Minority Health*
- 19) *North Carolina Medical Journal*
- 20) *Preventing Chronic Disease*
- 21) *Progress in Community Health Partnerships: Research, Education, and Action*
- 22) *Sustainability*
- 23) *Yale Journal of Health Policy, Law, and Ethics*

A.4. Journal Editing

- 1) Guest Editor, Special Issue of *Healthcare*, “Social, Economic and Political Determinants of Health and Health Equity.” 2024.
- 2) Member, Guest Editor Team, Special Issue of *Frontiers in Public Health*, “Novel Strategies for the Equitable Engagement of Community Partners Across the Research Continuum.” 2024

A.5. Promotion Review

- 1) E. Marshall Brooks, VCU Dept. of Family Medicine and Population Health, 2024
- 2) Nina Sperber, Duke Dept. of Population Health, 2021
- 3) Marcie Wright, VCU Dept. of Health Behavior and Policy, 2018

B. Professional societies, service organizations

- 1) **Member**, Executive Board, Camden City Healthy Mothers/Healthy Babies, 1996-1997
- 2) **Member**, Board, The Community Health Worker Institute, 2001-2002
- 3) **Duke Lead**, Eat Smart Move More Inter-University Collaborative, 2009 - present
- 4) **Member**, CTSA Consortium Social Networking Analysis Interest Group, 2009 - 2010
- 5) **Member**, Planning Committee for CTSA Social Networking Analysis Workshop, University of California at Davis, 2010.
- 6) **Member and Lead Liaison to the Practical Playbook**, ASTHO Measures Committee, 2014-2015

C. Advisory and consultant appointments

- 1) **Lead, Program Evaluation Team**, Technical Assistance Consortium, Community Partnerships for Older Adults Program (Funded by the Robert Wood Johnson Foundation.), 2004-2006
- 2) **Member**, Consultant Team for Caromont Health System, November 2010-September 2011
- 3) **Advisor**, Leading Change Workshop and Case Study, May 14, 2014
- 4) **Advisor**, Evaluation Planning, Health Foundation of South Florida, 2014
- 5) **Evaluation Consultant**, Kate B. Reynolds Charitable Trust, February 2022-present
- 6) **Advisor**, Guidance Language on F&A for NC Office of State Budget and Management, present
- 7) **Volunteer Consultant**, Qualitative data collection and analysis for Durham Community Health Assessment, 2021-present
- 8) **Volunteer Consultant**, Health Equity Evaluation and Knowledge Exchange Project, Public Health Ontario 2023
- 9) **Evaluation Consultant**, National Institute for Medical Respite Care. April 2024-January 2025.

D. Scholarly societies: n/a

E. Professional awards and recognition:

- 1) Graduate Opportunity Fellowship, 1984-1985
- 2) Center for Latin American Studies Travel Grant (Costa Rica), 1986
- 3) Foreign Language Advanced Study Grant, 1987-1988
- 4) Fulbright Travel Grant (Venezuela), 1988-1989
- 5) John L. Simpson Memorial Research Fellowship, 1989-1990
- 6) Outstanding Graduate Student Instructor, 1991
- 7) Jay A. Sigler Award for Outstanding Dedication and Service to the Students of the Graduate Department of Public Policy and Administration, Rutgers University-Camden, 1997
- 8) Nominee, Duke Medicine Research Mentoring Award, 2012
- 9) Best Issue Brief, Robert Wood Johnson Foundation Interdisciplinary Research Leaders, Cohort 1, 2020

RESEARCH SUPPORT

A. Current

- 1) **Co-Investigator**, Implementation and Implications of Sickle Cell Trait Screening in the NCAA. Purpose: Study variation in implementation of the NCAA's mandate for sickle cell trait screening and the sources and implications of that variation. Charmaine Royale, PI. NIH. September 2019-June 2023. Effort: .10 (Currently in no-cost extension)
- 2) **Investigator**, Establishing the Mobile Prevention and Care Team (M-PACT) Clinic to Improve the Health of Rural and Underserved North Carolinians. Develop, implement, and evaluate mobile clinic through Duke School of Nursing. Donna Biederman, PI. HRSA. July 2023-June 2026. (I started January 2025). Effort: .10
- 3) **Investigator**, Monitoring ePROs During Cancer Treatment. Serve as community engagement expert for study of implementation of ePRO program and a threshold-based triage and escalation process/response system for patients with metastatic cancer undergoing active cancer treatment in our large and diverse health system. Thomas W. LeBlanc, PI. PCORI. 8/1/2025 - 7/31/2029. Effort: .75

B. Completed:

- 1) **Principal Investigator**, Substance Abuse Treatment Policy in New Jersey. Rutgers Research Council Seed Grant. Purpose: Describe evolution of state substance abuse treatment policy. Awarded 1995 for summer research.
- 2) **Principal Investigator**, State-Sponsored Respite Care in New Jersey. Alzheimer's Association. \$30,000. Purpose: Describe program history, assess strengths and weaknesses, provide profile of clients and services used. Awarded 1999.
- 3) **Project Director**, Evaluation of School-Based Health Services. Joel C. Cantor, PI Healthcare Foundation of New Jersey, \$28,000. Evaluate HFNJ-funded school-based health centers using key informant interviews and focus groups. Awarded 2000.
- 4) **Project Director**, Public Health Financing and Newark School Services. Joel C. Cantor, PI. Healthcare Foundation of New Jersey. \$93,930. Purpose: 1) Survey parents of students at HFNJ-funded school-based health centers and comparison schools to provide data relevant to policy debate over incorporation into Medicaid managed care networks. 2) Interview stakeholders in other states about financing of school-based health centers. Awarded 2000.
- 5) **Principal Investigator**, Caregiver Training Evaluation. New Jersey Department of Health and Senior Services, (\$8,000). Purpose: Use existing survey data and conduct one additional survey to evaluate a caregiver training program. Awarded 2000.
- 6) **Principal Investigator**, Humanism in Medicine Program Evaluation. Healthcare Foundation of New Jersey, \$10,000. Purpose: Evaluate selection process, awareness, and impact of Humanism in Medicine Program. Awarded 2000.
- 7) **Project Co-Director**, Assessment of a New Jersey Policy to Reduce Disparities in Cardiac Care. Joel C. Cantor, PI. Awarded as part of the Rutgers Center for Health Services Research, Steven Crystal, PI, by the Agency for Healthcare Research and Quality, \$90,000. Purpose: Pilot research evaluating the impact of a CON policy aimed at reducing racial disparities in cardiac care. Awarded, 2001.
- 8) **Principal Investigator**, Consultation on Johnson & Johnson/Rosalynn Carter Institute Caregivers Program. Johnson & Johnson, \$23,000. Provide Johnson & Johnson with contextual information on state caregiver policy and demographics to support selection of program awardees. Awarded 2002.
- 9) **Principal Investigator**, Assessing Evaluability of the Impact of Service Coordinators on HMFA-Sponsored Senior Housing. New Jersey Housing and Mortgage Finance Agency, (\$1,500). Purpose: Assess potential for evaluating the impact of service coordinators on the well-being of seniors and the worklife of property managers at HMFA-sponsored senior housing. Awarded 2002.
- 10) **Principal Investigator**, NJEASE for Caregivers Evaluation. New Jersey Department of Health and Senior Services, \$88,598. Purpose: Evaluate the NJEASE for Caregivers program. Awarded, 2002.

Note: Because I came to Duke in 2003, I turned this project over to a colleague at the Rutgers Center for State Health Policy.

- 11) Evaluator**, Lyon Park Clinic Implementation and Expansions. Susan D. Yaggy, PI. Duke Endowment, \$125,000. Purpose: Evaluate expansion process, patients served and ED diversion at Lyon Park clinic. Awarded 2003.
- 12) Evaluator**, Walltown Clinic Implementation. Susan D. Yaggy, PI. Duke Endowment. Purpose: Start-up of Walltown Clinic. Awarded 2003.
- 13) Evaluator**, Local Access to Coordinated Healthcare. Susan D. Yaggy, P.I. Health Resources and Services Administration. Purpose: Provide care management and fill service gaps for uninsured in Durham. Awarded 2002.
- 14) Advisor**, North and South Carolina Community Nutrition Network, \$578,483. Awarded 2004.
- 15) Project Director**, African-American Health Improvement Partnership. Sherman A. James, PI. National Center for Minority Health and Health Disparities, NIH, \$1,583,162. Purpose: Using a Community-Based Participatory Research approach, design and pilot an intervention to address health disparities. Awarded 2005 for the period October 2005-June 2008. Effort: .50.
- 16) Evaluator**, Bringing Certified Nursing Assistants New Skills in Chronic Disease Management to Become Part of the Health Care Team. J. Lloyd Michener, PI. Fullerton Foundation. Purpose: Training CNAs to help patients and themselves with chronic disease management. Evaluate impact of program on CNA knowledge, capacity of CNA trainers, and policy debate. Awarded 2008 for the period 2008-2010. Effort: .10.
- 17) Principal Investigator**, IN4Kids. N.C. Health and Wellness Trust Fund. Total Grant: \$1,361,243. Contract to Duke for \$644,026. Purpose: A study of the feasibility and effectiveness of integrating a registered dietician into primary care practices to work with overweight children or children who are at risk of overweight. Awarded 2008 for the period July 2008-December 2010. Effort ranged: .05-.20.
- 18) Evaluator**, LATCH –PADC. Fred Johnson, PI on Subcontract to Duke. Duke Endowment. \$853,553. Purpose: Implement Project Access of Durham County, creating a system of free specialty care for the uninsured in Durham. Subcontract to Duke to evaluate LATCH’s care management activities for Project Access of Durham County. Awarded 2008 for the period July 2008-December 2010. Effort: .10.
- 19) Evaluator**, ¡SEPA! Colleen Blue, PI. Kate B. Reynolds Foundation. Subcontract to Duke \$229,270. Purpose: Implement and evaluate ¡SEPA!, a stroke education and risk reduction program for uninsured Latinos in Durham. Awarded 2008 for the period July 2008-June 2011. Effort: .03.
- 20) Faculty Member, DCCR Liaison Team**, Community Engagement: Moving the Community from Subject to Collaborative Partner, awarded as part of the Duke Translational Medicine Institute. Robert Califf, PI. NIH. DCCR Component: \$4,870,018. Purpose: Support researchers and communities in community engaged research to improve the relevance and quality of research and find ways to move proven strategies for health improvement into the community. Awarded 2006 for the period October 2006-September 2011. Effort: .30.
- 21) Editor**, The National Partnership for Principles of Community Engagement. Administrative Supplement to DTMI. Rob Califf, PI. NIH. \$598,935. Purpose: Provide consulting services to academic medical centers on community engaged research. Revise the CDC’s *Principles of Community Engagement*. Awarded 2009 for the period July 2009-June 2011. Effort: .10.
- 22) Evaluation Team Member**, My Medical Home. Michelle Lyn, PI. \$929,954. Purpose: Develop and field test a patient-driven chronic care model. Awarded 2008 for the period July 2008 to June 2012. Effort: .05.

- 23) Co-Principal Investigator**, African-American Health Improvement Partnership. Sherman A. James, PI. NCMHD, NIH. \$4,830, 164. Purpose: A community-based participatory research grant to expand and study a previously-piloted intervention to improve the health of working and middle-class African-American type 2 diabetics in Durham County, N.C. (Competitive continuation of pilot). Awarded 2008 for the period July 2008-February 2013. Effort: .20.
- 24) Curriculum Lead**, The Population Health Improvement Leadership Program. Lloyd Michener, P.I. The Fullerton Foundation. Purpose: Train primary care providers, especially in the Carolinas, to serve as leaders in of local programs to improve the health of our communities, and make health care more accessible, effective, and less expensive. Awarded 2012 for the period November 2012-October 2013. Effort: .10.
- 25) Evaluator**, LATCH –PADC. Fred Johnson, PI on Subcontract to Duke. Duke Endowment. \$750,000. Purpose: Implement Project Access of Durham County, creating a system of free specialty care for the uninsured in Durham. Subcontract to Duke to evaluate LATCH’s care management activities for Project Access of Durham County. Awarded 2010 for 2011-2013. Effort: .07
- 26) Co-Principal Investigator**, The Practical Playbook for Integration of Public Health and Primary Care. deBeaumont Foundation. Lloyd Michener, P.I. Purpose: Develop interactive web-based playbook providing practical guidance on integration of public health and primary care. Awarded 2012 for the period November 2012 to October 2014. Effort: .20
- 27) Evaluator**, LATCH –PADC. Fred Johnson, PI on Subcontract to Duke. Duke Endowment. Purpose: Implement Project Access of Durham County, creating a system of free specialty care for the uninsured in Durham. Subcontract to Duke to evaluate LATCH’s care management activities for Project Access of Durham County. Awarded 2013 for 2014-2017. Effort: .05
- 28) Investigator**, The Durham Diabetes Coalition. Rob Califf, PI. Bristol Myers Squibb Foundation. \$6,246,329. Purpose: Improve diabetes management and outcomes, reduce disparities, at the county level. Awarded 2011 for the period July 2011-June 2016. Effort: .08.
- 29) Senior Advisor**, The Practical Playbook for Integration of Public Health and Primary Care Phase II. Lloyd Michener, P.I. Purpose: Support integration of public health and primary care. Awarded 2014 for the period November 2014 to October 2017. Effort: .10
- 30) Principal Investigator**, Healthy Places NC Phase 1 Evaluation: Formative Evaluation of a Place Based Strategy to Stimulate Community Change. Kate B. Reynolds Foundation. Purpose: Healthy Places North Carolina (HPNC) deploys expert partner organizations and community-specific program officers to support local actors in health improvement efforts through networking, capacity building, and technical assistance. Evaluation informs modifications to the initiative, and assesses HPNC in six domains: awareness, reach, and understanding of HPNC in the counties; activation/idea development/project development resulting from HPNC; changes occurring in relevant networks of local actors; capacity-building for local actors; performance and perceived value-added of the Trust; and performance and value-added of the expert partner organizations. July 2013 – December 2014. Effort: .15.
- 31) Co-Principal Investigator**, Population Health Improvement Leadership Program – Phase II. Lloyd Michener, P.I. Fullerton Foundation. Purpose: Work with primary care training programs across the Carolinas to develop, pilot, and disseminate population health curricula and training materials that adapt to the strengths, needs and resources of different settings and learners. November 2013 – December 2015. Effort: .20.
- 32) Co-Principal Investigator**, A National GME Program in Population Health. Lloyd Michener, P.I. Centers for Disease Control and Prevention/Association of American Medical Colleges. Purpose: Plan and host training webinars, develop materials and training milestones to promote incorporation of population health into medical training nationally. July 2013-June 2015. Effort: .20.
- 33) Principal Investigator**, Healthy Places NC Phase II Evaluation: Formative Evaluation of a Place Based Strategy to Stimulate Community Change. Kate B. Reynolds Foundation. June 2015-May 2017. Effort: .20

- 34) Co-Principal Investigator** (with Biederman and Carmody), Increasing Housing Stability: Assessing Two Promising Tenancy Support Models to Inform Local, State, and National Policy and Practice. Purpose: Funding through the Interdisciplinary Research Leaders Program supports a study of lessons learned from two vanguard programs providing tenancy support services to the homeless and those at-risk of homelessness. Robert Wood Johnson Foundation. September 2016-August 2019. Effort: .20
- 35) Principal Investigator**, Healthy Places NC Phase III Evaluation: Formative Evaluation of a Place Based Strategy to Stimulate Community Change. Kate B. Reynolds Foundation. June 2016-August 2018. Effort: .20
- 36) Investigator**, Addressing Barriers to Adult Hearing Healthcare. Purpose: The goals of this proposal are to develop cost effective, accessible, and efficient methods of identifying and treating hearing impairment in older adults, beginning with the primary care setting, and evaluate the impact of factors that may support or impede hearing health care access. Debara Tucci and David Witsell, P.I. NIDCD (NIH). November 2015-October 2020 (extended). Effort: .15
- 37) Principal Investigator, Outreach and Dissemination Component**, CIPHERS. Purpose: Study of epigenetic changes in sperm of cannabis users, dissemination of results to scientific and practice communities. Susan K. Murphy, P.I. Templeton Foundation. January 2019 (Joined project team)– June 2020 (currently in no-cost extension). Effort: .10
- 38) Evaluator**, LATCH –PADC. Dev Sangvai, P.I. on Subcontract to Duke. Duke Endowment. Purpose: Evaluate LATCH’s care management activities for Project Access of Durham County. 2018-2020. Effort: .03
- 39) Evaluator**, Duke-Durham Neighborhood Initiative. Purpose: Implement three community-campus partnered projects that use data-driven community-engaged strategies to improve health. Michelle Lyn, P.I. Blue Cross/Blue Shield Foundation. January 2019-November 2021. Effort: .10
- 40) Principal Investigator**, Evaluation of COVID-19 Response through Community Health Workers Program. Purpose: Evaluate implementation of program. NCDHHS Office of Rural Health. December 1, 2020 – June 30, 2021. Effort: .025
- 41) Evaluator**, Primary Care Transformation Fellowship. Purpose: Train physicians and physician assistants to lead health care transformation and improve health within their communities and community-based practice settings. Anthony Viera, P.I. Health Resources Services Administration. October 2018 – September 2023. Effort: .10 (No-cost extension through June 2024)
- 42) Co-Principal Investigator**, Evaluation of Back@Home. Purpose: Evaluate state post-disaster Rapid Rehousing Program. NCDHHS Office of Rural Health. January 1, 2022 – March 31, 2023. Effort: .15 (In no-cost extension through April 2024.)
- 43) Evaluation Lead, Community Engagement**, HSII Capacity Building for DUHS. Build capacity for Duke Health to complete PCORI Health System Implementation Initiative grant-funded projects. Richard Shannon, PI. PCORI. January 2023-December 2024. Effort: .05

MENTORING, TEACHING, CLINICAL, LEADERSHIP AND ADMINISTRATION

A. **Mentoring activities** (for each mentee list the duration of mentor-mentee relationship and any resulting scholarship (e.g., abstract, manuscript, presentation, award, grant, academic appointment):

A.1. Faculty

- 1) **Mentor**, Dr. Jin Hee Shin AY2013, Visiting Faculty
- 2) **KL2 Mentor**, Dr. Michelle White, AY2019 – 2023
- 3) **Mentor (mentored research proposals)**, Dr. Katelyn Holliday, AY 2023-2024

A.2. Fellows / post-doctoral fellows

- 1) **Faculty Advisor**, Dr. Tanika Day (Community Health Fellow) Research Project, High School-based Clinic Utilization: Characteristics of Adolescents who are Frequent Users, AY2005-2006
- 2) **Mentor**, Scholarship Oversight Committee, R38, Dr. Anna Williams, AY2019 –2022
- 3) **NCSP Associate Director Mentor**, Dr. Melissa Burnside, AY2021

A.3. Residents

- 1) **Primary Mentor**, Stephanie Foley, M.D. Differences in Stroke Risk Screening in the Latino Population: Health Fairs vs. Community Outreach, AY 2010-2011
- 2) **Member of Mentor Team**, Megha Shah, M.D. Southern High School Wellness Center: Identifying Barriers to Enrollment, AY2010-2011
- 3) **Primary Mentor**, Tiffany Cagle, M.D. Mental Healthcare in North Carolina's Undocumented Immigrants: Patients, Providers, and Policies, AY2016-2017
- 4) **Primary Mentor**, Kenetra Hix, M.D., M.P.H. Information Station and Poverty Reduction, AY2018-2019
- 5) **Primary Mentor**, Andrea Flores, M.D., Ph.D. AY2022-2023
- 6) **Super-Mentor**, Duke Pediatric Research Scholars, AY2002-present

A.4. Medical students

- 1) **Mentor**, Kempe Jacobowitz Ames
 - a. Third-Year Thesis Co-Mentor (with J. Lloyd Michener), D. Kempe Jacobowitz-Ames, Successfully Treating Chronic Conditions in Low Income Elders: The Just for Us Program, AY 2004
 - b. Outside Thesis Reader, D. Kempe Jacobowitz-Ames, Meeting the Needs of Low Income Elders: Just for Us, Master of Public Policy Program, Sanford Institute, AY2004
 - c. Practicum Advisor, D. Kempe Jacobowitz-Ames, Master of Public Policy Program, Sanford Institute, Duke University, AY2004
- 2) **Third-Year Thesis Co-Mentor** (with J. Lloyd Michener), Brian Horvath, Patient Selection for Care Management in Community Care of North Carolina, AY2005
- 3) **Mentor**, Elizabeth Azzato
 - a. Third-Year Thesis Co-Mentor (with J. Lloyd Michener), Elizabeth Azzato, Asthma ED, Outpatient & Inpatient Utilization in Durham County Among Children Enrolled in CCNC, AY2005
 - b. Outside Thesis Reader, Elizabeth Azzato, Master of Public Health, University of North Carolina at Chapel Hill, AY2005
- 4) **Third-Year Thesis Co-Mentor** (with J. Lloyd Michener), Sara Condrón, Perceived Discrimination and Healthcare Services Utilization: The Experience of Latino Immigrants in Durham County, North Carolina, AY2006
- 5) **Mentor**, Tiona Guess
 - a. Third-Year Thesis Mentor, Tiona Guess, Evaluation of a Group Psychotherapy Program to Prevent Risk-Taking Behaviors Among Adolescent Girls, AY2007
 - b. Practicum Advisor, Tiona Guess, Master of Public Health Program, University of North Carolina at Chapel Hill, AY2007
 - c. Outside Thesis Reader, Tiona Guess, Program Planning and Evaluation Steps for the Adolescent Centered Care Education & Social Support (ACCESS) Program, Master of Public Health Program, University of North Carolina at Chapel Hill, AY2007
- 6) **Mentor**, Elizabeth Taffolla

- a. Third-Year Thesis Mentor, Elizabeth Taffolla, A Study of the Impact of Ethnicity and Gender on Medication Adherence, AY2007
- b. Practicum Advisor, Elizabeth Taffolla, Master of Public Health Program, University of North Carolina at Chapel Hill, AY2007
- 7) **Mentor**, George Shelton
 - a. Third-Year Thesis Mentor, George Shelton, The African-American Health Improvement Project: Patient Satisfaction, Health Behavior, and Improved Diabetes Control in a Community-Based Participatory Research Project, AY2008 and 2009
 - b. Practicum Advisor, George Shelton, Master of Public Policy Program, Sanford Institute, AY2008-2009
- 8) **Third-Year Thesis Mentor**, Joslyn Wiley, AY2010
- 9) **Third-Year Thesis Co-Mentor**, Stephanie Ngo, Evaluating the Effectiveness of Community and Hospital Medical Record Integration on Management of Behavioral Health in the Emergency Department, AY 2015
- 10) **Third-Year Thesis Co-Mentor**, Jessica Friedman, Use of the 5 A's for Teen Alcohol Use, AY2015
- 11) **Third-Year Thesis Mentor**, Javier Galán, Evaluating Health Outcomes and Primary Care Physician Utilization among Low-income Adults with Type 2 Diabetes and/or Hypertension Receiving Either Standard or Intensive Care Management, AY2016
- 12) **Third-Year Thesis Mentor**, Vicki Tan, The Effectiveness of Screening in Detecting Mental Health Issues in Adolescents, AY2016/2017
- 13) **Third-Year Thesis Mentor**, Nicola Lew, Rates and Predictors of Follow-Up and Blood Pressure Control at a Federally-Qualified Health Center in North Carolina, AY2018/2019
- 14) **Third-Year Thesis Co-Mentor**, Eviction as Disruptive Factor for Health Care Utilization: Impact on Hospital Readmissions and No-show Rate, Peter Callejo-Black, AY2019
- 15) **Third-Year Thesis Mentor**, Kelly Goo, Primary-Care Assisted Specialty Telehealth Visit, AY2022
- 16) **Third-Year Thesis Co-Mentor**, Kayla Blackburn, AY2024 (Title TBD)

A.5. Other

- 1) **Faculty Mentor**, Project L/EARN, Rutgers University, 2000-2002
- 2) **Site Supervisor**, Dawn Durain, An Evaluation of a State Health Policy Designed to Improve Cardiac Care to Underserved Populations, UMDNJ- School of Public Health Master's Program, Fall 2000
- 3) **Faculty Advisor**, Master of Health Sciences – Clinical Leadership Program, AY2004
- 4) **Mentor**, Annette Dubard, UNC Chapel Hill M.P.H. Practicum, Summer 2005
- 5) **Mentor**, Katherine Wilson, CDC Intern, AY2006
- 6) **Research Mentor**, Duke School of Nursing Making a Difference in Nursing Program, Summer 2009
- 7) **Mentor**, Yvette Crews, Durham Technical Community College CRA Program Practicum, Fall 2010
- 8) **Mentor**, Nozibele Watson, Durham Technical Community College CRA Program Practicum, Spring 2012
- 9) **Mentor**, Asia Mangum, Durham Technical Community College CRA Program Practicum, Fall 2012
- 10) **Advisor**, Kaitlyn Granda, Study to Improve Patient Access to Walltown Neighborhood Clinic and Its Personnel, AY2014
- 11) **Mentor**, Agnes Okoth, Durham Technical Community College CRA Program Practicum, Spring 2014
- 12) **Member**, M.S. Thesis Mentorship Committee, Brittany Zick, Duke Global Health Institute AY2016
- 13) **Mentor**, Brandon Garrick, North Carolina State University, Master of Social Work Practicum, Fall 2018
- 14) **Member**, Doctoral Dissertation Committee, Jinoh Park, "Increased Opportunities for Supporting Continuing Care Retirement Community Stability Through Designed Built Environment with Supportive Services" North Carolina State University College of Design, AY2019
- 15) **Mentor**, Emily Trambert-Kylstra, MPH Practicum, University of North Carolina at Chapel Hill, AY2020

- 16) **Mentor**, Andrea Graham, Durham Technical Community College CRA Program Practicum, Spring 2021
- 17) **Mentor**, Rynne Lenderman, Practicum Experience, Duke M.A. in Bioethics & Science Policy, Summer 2021
- 18) **Practicum Mentor**, Badal Patel, UNC Chapel Hill MPH Practicum, Summer 2021
- 19) **Practicum Mentor**, Laura Hutchins-Schaefer, UNC Chapel Hill MPH Practicum, Summer 2021
- 20) **Internship Mentor**, Megan Knauer, Duke Margolis Summer Internship Program, Summer 2021
- 21) **Practicum Mentor**, Donna Nielsen, UNC Chapel Hill MPH Practicum, AY2022
- 22) **Mentor**, Huang Fellows Program, Meera Patel, Summer 2022
- 23) **Mentor**, Huang Fellows Program, Anika Vemulapalli, Summer 2022
- 24) **Mentor**, Derrick Hoover, Robert Wood Johnson Foundation Clinical Scholars Program, AY2021 – present
- 25) **Mentor**, Mary Anne Barnett, Durham Technical Community College CRA Program Practicum, Spring 2022
- 26) **Member**, M.S.Thesis Mentorship Committee, Isabeaux Kennedy, Duke Global Health Institute AY2022
- 27) **Member**, M.S.Thesis Mentorship Committee, Dorothy Nam, Duke Global Health Institute AY2022
- 28) **Member**, M.S.Thesis Mentorship Committee, Lisa Gachara, Duke Global Health Institute AY2023
- 29) **Member**, M.S.Thesis Mentorship Committee, Hilaree Wade, Duke Global Health Institute AY2023
- 30) **Member**, M.S.Thesis Mentorship Committee, Jacob Anh, Duke Global Health Institute AY2023
- 31) **Mentor**, Duke Margolis Summer Intern Program, You Wu, Summer 2023
- 32) **Member**, M.S.Thesis Mentorship Committee, Hnin Thuzar Luwin, Duke Global Health Institute AY2024
- 33) **Member**, M.S.Thesis Mentorship Committee, Jordan Swandell, Duke Global Health Institute AY2024

B. Education / teaching activities

B.1. Lectures

B.2. Courses Taught

Faculty, Department of Public Policy and Administration, Rutgers – Camden Campus, teaching “Principles of Health Care Management,” “Foundations of Policy Analysis,” “Health Care Policy and Politics,” AY1995-1999.

Faculty, Health Leadership Program, AY2004-2007

Instructor, “Community Engaged Population Health Research” (Family Medicine Residency), AY2011- 2013

Instructor, “Population Health Core Course” (Family Medicine Residency), AY2014-2016

Instructor, “Population Health Management Approaches,” Duke Clinical Leadership Program, Spring 2014

Instructor, “Program Evaluation for Health,” Duke Global Health Institute, AY2015

Instructor, “Program Evaluation for Health,” Duke Global Health Institute, AY2016

Instructor, “Program Evaluation for Health,” Duke Global Health Institute, AY2017

Instructor, “Program Evaluation for Health,” Duke Global Health Institute, AY2018

Instructor, “Program Evaluation for Health,” Duke Global Health Institute, AY2019

Instructor, “Program Evaluation for Health,” Duke Global Health Institute, AY2020

Instructor, “Program Evaluation for Health,” Duke Global Health Institute, AY2021

Instructor, “Community Engaged Approaches to Population Health,” Duke Clinical Leadership Program, Summer 2019 – 2022

Instructor, “Community-Engaged Approaches to Population Health Improvement,” Duke Global Health Institute, AY2022

Independent Study, Anna Strasma, Duke Global Health Institute, Fall 2022

Instructor, “Program Evaluation for Health,” Duke Global Health Institute, AY2023

Instructor, “Community-Engaged Approaches to Population Health Improvement,” Duke Global Health Institute, AY2024

Instructor, “Program Evaluation for Health,” Duke Global Health Institute, AY2025

B.3. Education program development:

Lead, Development of Population Health Curriculum, Duke Family Medicine Residency, 2010; Curriculum Director through 2016; Director, Population Health Improvement Teamwork Projects through present

Member, Population Health Subcommittee, Duke UME Curriculum Committee, AY2020-AY2022

B.4. Education assessment methods and tools development (title of tool, date first available):

Michener, J.L., **Silberberg, M.**, Bradley, D. et al. (2015). Population Health Milestones. AAMC-CDC.

B.5. Education management and leadership (title, dates – e.g., fellowship director):

Director, Population Health Curriculum, Duke Family Medicine Residency, 2010-2016.

Director, Population Health Improvement Teamwork Project 2014- present

Associate Director, Duke National Clinician Scholars Program, 2018-2021

Core Faculty, Duke National Clinician Scholars Program, 2021-2023

B.6. Invited lectures and presentations:

Presenter, Clinical Research Support Office Advanced Lunch and Learn Series, Sept. 9, 2008

Guest lecturer:

University of Medicine and Dentistry of New Jersey School of Public Health, 1999-2003

Bryn Mawr College, 1999-2000

University of Pennsylvania School of Nursing, 2002

Duke University Department of Psychology, 2007

Master of Health Sciences – Clinical Leadership Program, AY2008-2009

“Interprofessional Prevention,” Duke Medical School, 2010

Duke University School of Nursing, 2009, 2012

Duke-Johnson and Johnson Nurse Leadership Program, 2014-2018

University of North Carolina at Chapel Hill School of Government, 2017

Duke SSRI, 2021- 2022

Duke Department of Population Health, 2021-present

Duke Global Health Institute, 2021

Duke Master of Biomedical Sciences, 2021-2024

University of Chicago, Crown Family School of Social Work, Policy and Practice, 2022-2023

Duke APPLI, 2023-2024

Duke Nurse Practitioner Entrepreneur Program, 2025

B.7. Visiting professorships: **n/a**

B.8. Scientific meetings – invited

B.8.1. Invited Presentations – Regional and National Meetings

- 1) **Silberberg, M.** Invited participant in roundtable Improving Access to Affordable Health Insurance & Quality Health Care. The annual policy conference of the Hispanic Business Roundtable, April 2000.
- 2) **Silberberg, M.**, Cantor, J., Holmes, L.J., and Like, R. Addressing Racial and Ethnic Disparities: A Framework for State Action. Presentation to the Robert Wood Johnson New Jersey Health Initiative Grantees, Spring Lake, New Jersey, May 2000.
- 3) **Silberberg, M.** & Caruso, D. New Jersey's Statewide Respite Care Program: A Study of Program Design, Implementation, Clients, and Services. Presentation to the American Society on Aging -- National Conference on Aging Joint Conference, New Orleans, March 9, 2001.
- 4) **Silberberg, M.**, Caruso, D., & Nearon, P. New Jersey's Statewide Respite Care Program: Program Design, Implementation, Clients, and Services. Presentation to the Alzheimer's Association Public Policy Forum, Washington D.C., April 1, 2001.
- 5) **Silberberg, M.** Respite Care: State Policy Trends and Model Programs. Commissioned issue brief presented at the Family Caregiver Alliance's State Leadership Conference on Long-Term Care and Caregiving, San Francisco, October 26-27, 2001.
- 6) **Silberberg, M.** and Nearon, P. New Jersey's Statewide Respite Care Program: History, Design, Implementation, Clients, and Services. Presentation to the Annual Conference of the New Jersey Alzheimer's Association, Princeton, New Jersey, April 23, 2002.
- 7) **Silberberg, M.** Supporting New Jersey's Caregivers: Where the Formal and the Informal Meet. Presentation at the New Jersey Office of Legislative Services Symposium Health Care in an Aging Society: A Symposium for Policymakers, Trenton, New Jersey, April 15, 2003.
- 8) Femia, E., Nearon, P, & **Silberberg, M.**. Learning from Caregiver Research: Lessons for Practice. Continuing Education Intensive for the American Society on Aging 2003 Summer Series on Aging, Philadelphia, PA, July 15, 2003.
- 9) **Silberberg, M.** & Quinn, W.V. The Greying of New Jersey: The State's Response. Workshop at the annual conference of the Society on Aging of New Jersey. Monroe Township, NJ, November 12, 2003.
- 10) Lyn, M, **Silberberg, M.**, and Michener, J.L. Care Culture and System Redesign-Based Strategies: Community-Engaged Models of Team Care. Commissioned paper presented at the Institute of Medicine Workshop "The Healthcare Imperative: Lowering Costs and Improving Outcomes: Strategies That Work," July 16-17, 2009.
- 11) **Silberberg, M.** Lessons Learned by a Community-Engaged Researcher. Invited presentation for the Research Permissions Management System Lessons Learned Teleconference, January 29, 2010.
- 12) **Silberberg, M.**, Tate-Williams, F., and Brown, C. The African-American Health Improvement Partnership. Presentation at the Regional Workshop "Outcomes That Matter: Translating Community-Engaged Research into Improved Health," sponsored by the APTR. Durham, NC: April 15, 2010.
- 13) **Silberberg, M.**, Weaver, S., Myers, D., Schneider, S., McDonald, M, & Gregory, B. Using social networking analysis to understand relationships among campus and community partners. Presented at the CTSA Community Engagement and Social Network Analysis Workshop," Sacramento: September 23, 2010.
- 14) **Silberberg, M.** IN4Kids: Integrating Nutrition for Kids Study Findings. Presentation. for Pediatric Grand Rounds at the Brody School of Medicine, East Carolina University, April 13, 2011.
- 15) Halstater, B., Martinez-Bianchi, V., **Silberberg, M.**, Kingsolver, K., Tran, A, & Murphy, G. Population *Health Improvement Leadership Curriculum at the Duke Family Medicine Residency Program*. Seminar presented at the University of California, Los Angeles Family Health Center, June 2013.
- 16) **Silberberg, M.** & Balbino, R. Population Health Improvement and Leadership. Presentation at the I³ Collaborative Learning Together Session, Cabarrus Family Medicine, October 19, 2013.
- 17) **Silberberg, M.** Using Community-Based Participatory Research to Improve the Health of African Americans in Durham, North Carolina. Presentation at Symposium on John Henryism and Social

Inequality, Sanford School of Public Policy, Duke University Durham NC, March 13, 2014 (national event).

- 18) **Silberberg, M.** Invited Participant in the Convening *Is this a Better Place: The Art & Science of Place-Based Evaluation*, The Aspen Institute, Jacobs Center for Neighborhood Innovation, and Neighborhood Funders Group, October 2015.
- 19) **Silberberg, M.** Member of Discussion Panel: Diverse, Equitable, & Inclusive EE Evaluation. Environmental Education Evaluation Convening, Nicholas School of the Environment, September 22, 2018 (national meeting).
- 20) **Silberberg, M.** & Carmody C. Research-Community Partnerships to Support Ending Homelessness: A Case Study of Research on Tenancy Support Services. Annual Meeting of the North Carolina Coalition to End Homelessness, May 22, 2019.
- 21) **Silberberg, M.** Member of Discussion Panel: Community Engagement. NIEHS Superfund Research Centers EPA Region 4 Meeting, August 2, 2021.
- 22) **Silberberg, M.** Evidence Base for Housing-Related Pilot Services. NC Healthy Opportunities Evidence Base Roundtable, April 29, 2022.
- 23) **Silberberg, M.** Value and Impact of Community-Engaged Approaches – From Local To Global Perspectives. Presentation at the Spring Learning Series on Engagement, Communication and Education, Baylor College of Medicine Intellectual and Developmental Disabilities Research Center, July 20, 2022.
- 24) Smith, S.L., Dubno, J.R., Tucci, D.L., Witsell, D.W., Bettger, J.P., Dolor, R.J., **Silberberg, M.**, et al. Effectiveness of Three Telephone Hearing Screening Protocols in Primary Care. Podium presentation at the Annual American Auditory Society and Technical Conference, Scottsdale, AZ, March 5-7, 2020.
- 25) Mahajan, E., Smith, S.L., Witsell, D.L., Riska, K.M., Osazuwa-Peters, N., and **Silberberg, M.** Hearing Aid Recommendations for Older Adults by Audiologist and Otolaryngologists. Podium presentation at the Academy of Rehabilitative Audiology Institute, Durham, NC, October 17-19-2021.
- 26) **Silberberg, M.** Research Translation: A Pathway to Health Inequity. Robert Wood Johnson Foundation Interdisciplinary Research Leaders Training Webinar, forthcoming.

B.8.2. Invited Presentations – Duke

- 1) Yarnall, K.S.H. & **Silberberg, M.** Lyon Park. Invited presentation to the Duke University Medical Center Family Medicine Noon Conference, January 23, 2005.
- 2) **Silberberg, M.** Health Disparities: What Should We Do? Invited presentation to the Duke University Health System Diversity Leadership Group, April 4, 2008.
- 3) **Silberberg, M.** Health Disparities: What Should We Do? (This is not a rhetorical question.) Invited presentation to Duke Raleigh Hospital's 1st Annual Healthcare Symposium, November 1, 2008.
- 4) **Silberberg, M.**, Black, M.A., & McMillon, A. Addressing Racial Health Disparities in Type 2 Diabetes: The African-American Health Improvement Partnership of Durham, NC.
