

David L. Boyd
Gregg Hymowitz Professor of the Practice of Global Health
Duke Global Health Institute, Duke University
310 Trent Drive, Room 118 Trent Hall
Durham, NC 27708
919.613.4499
david.boyd@duke.edu

EDUCATION

- 1997 DipTOM, Pacific Institute (Traditional Chinese Medicine)
- 1990 PhD, Yale University (Interdisciplinary Medieval Studies)
- 1984 BA, University of Alabama, Birmingham (English)

ACADEMIC, ADMINISTRATIVE & CLINICAL POSITIONS

- 2017- Gregg Hymowitz Professor of the Practice of Global Health
Duke Global Health Institute, Duke University, Durham, NC
- 2009- Associate Professor of the Practice of Global Health,
Duke Global Health Institute, Duke University, Durham, NC
- 2008-09 Associate Director, Center for Medicine, Health, and Society,
Vanderbilt University, Nashville, TN
- 2007-2009 Associate Professor (non-tenure), Center for Medicine, Health, and
Society, Vanderbilt University, Nashville, TN
- 2006-2007 Visiting Associate Professor, Vanderbilt University,
Nashville, TN
- 2001-2005 Executive Director, Center for Health and Healing,
St. Vincent Medical Center, Los Angeles, CA
- 2000-2001 Clinic Director of Complementary Medicine,
St. Vincent Medical Center, Los Angeles, CA
- 1997-2000 Private Clinical Practice, Traditional Chinese Medicine,
Los Angeles, CA

DUKE UNIVERSITY, 2009-to present

TEACHING, MENTORING & SUPERVISION

Formal Courses

Fundamentals of Global Health

Large undergraduate lecture course for 150 students
Number of Times Taught: 5
Average Course Evaluation: 4.61/5

Global Health Challenges

Graduate Course Required for M.Sc students
Number of Times Taught: 1
Average Course Evaluation: 4.72/5

Global Health Capstone

Undergraduate senior seminar for 20 students
Number of Times Taught: 6
Average Course Evaluation: 4.78/5

Indigenous Medicine & Global Health

Undergraduate/graduate lecture course for 35 students
Number of Times Taught: 3
Average Course Evaluation: 4.86/5

Vulnerable Populations & Global Health

First-year FOCUS seminar for 18 students
Number of Times Taught: 3
Average Course Evaluation: 4.94/5

Health Disparities in Maya Guatemala

Advanced Undergraduate Seminar for 12 students
Number of Times Taught: 1
Average Course Evaluation: course in progress

The Challenges of Global Health

Coursera Massive Open Online Course via Coursera, unlimited enrollment
Launched in 2014 and still on-going
Number of Active Learners (as of February 2018): 20,000 +
Average Course Evaluation To Date: 4.8/5

Undergraduate Independent Studies

McDermott, Casey; Tasnim, Noor; Perez, Maria; Heinene, Emma: *Knowledge, Attitudes, and Beliefs about Sexually Transmitted Diseases among Women in Maya Guatemala.* .

McDermott, Casey; Tasnim, Noor; Perez, Maria; Heinene, Emma: *Measurement of Indoor Air Quality in Resource-Poor Communities in Maya Guatemala.*

Hamilton, Colleen; Alvarez-Estarellas, Ricardo: *WASH Monitoring and Evaluation Strategies.*

Alvarez-Estarellas, Ricardo; Asturias, Gabriela; Barcegas, Maria; Brigganti, Erika; Hamilton, Colleen; Vargas, Jocelyn; Vosburgh, Tom: *Determinants of Health and Education Among Maya Children in Communities Surrounding Lake Atitlan, Guatemala* (Group Independent Study, 7 Students)

Arangan, Jan: *Afro-Brazilian Perceptions of Health/Illness*

Atyeo, Natalie; Frank, Tahvi; Sperduto, Will; Vail, Emma: *Relationships Among Caloric Intake, Nutrient Density of Foods, and Stunting of Children in Municipio Santa Cruz, Guatemala* (Group Independent Study, 4 Students)

Baumgartner, Will: *Economic Determinants of Health Disparities in Guatemala*

Boms, Okechi; Garcia, Lorena; Hossain, Azfar; Karasic, Jaclyn: *Sources of Point-of-Use Water Contamination in Indigenous Maya Homes in Municipio Santa Cruz, Guatemala* (Group Independent Study, 4 Students)

Chadwick, Lexia; Edwards, Jamal; Hossain, Azfar; Potnis, Kunal; Premjy, Aly; Wanda, Lisa; Winn, Laura: *Strategies for Combatting Polio in Northern Nigeria: Lessons Learned* (Group Independent Study, 4 Students)

Hoyler, Elizabeth; Martinez, Roxana; Mehta, Kurren; Nisonoff, Hunter: *Medical Pluralism and Herbal Medicine Usage Among Midwives and Traditional Healers in Rural Huehuetanango, Guatemala* (Group Independent Study, 4 Students)

Penukonda, Vaib: *Impact of Built Space on Health in Forced Resettlement*

Truong, Sammie: *The Politics of Indigenous Mapuche Medicine in Chile*

Senior Honors Theses

Beckmeyer, Allie: *Utilization of Balneotherapy in France*

Boisvert, Scott: *Dengue Fever Detection in Sri Lanka*

Bunning, Thomas: *School Health Education in Lalitpur, Nepal*

Chandler, Thomas: *Impact of North Carolina School Student Health Clinics*

Hossain, Azfar: *Determinants of Undernutrition in Guatemalan Maya Children*

Lambrou, Anastasia: *Avian Flu Preparedness in Katmandu, Nepal*

Mepukori, Nash: *Combating FGC in Northern Kenya*

Sherif, Noha: *Impact of Racism on Black Arabs in the United States*

Veerapam, Malini: *Impact of Ocular Health Services in Rayavaram, India*

Williams, Laney: *Determinants of CAM Utilization in the United States*

Undergraduate Field Research Mentorship & Summer Supervision

Alvarez-Estarellas, Hamilton, Colleen: *Monitoring and Evaluation of Health Impact of Promotoras' Charlas in Lake Atitlan Villages of San Juan and San Pablo* (Group Field Research Project, 2-Student Team)

Adimora, Jessica: *Caring for AIDS Orphans in Northern Tanzania*

Alencar, John: *Health Determinants of Sexual Minorities in Rio de Janeiro, Brazil*

Alvarez-Estarellas, Ricardo; Asturias, Gabriela; Hamilton, Colleen; Vosburgh, Tom: *Health Impact of Promotoras in Lake Atitlan Villages of San Juan and San Pablo* (Group Field Research Project, 4-Student Team)

Amlicke, Maire: *Adolescent Contraception Knowledge in Masaya, Nicaragua*

Atyeo, Natalie; Frank, Tahvi; Sperduto, Will; Vail, Emma: *Prevalence of Stunting among Children in Municipio Santa Cruz, Guatemala* (Group Field Research Project, 4-Student Team)

Baumgartner, William: *Improving Childhood Nutrition in Anzaldo, Bolivia*

Boms, Okechi; Garcia, Lorena; Hossain, Azfar; Karasic, Jaclyn: *Measuring Levels of Water Contamination of Households of Municipio Santa Cruz, Guatemala* (Group Field Research Project, 4-Student Team)

Brigganti, Erika; Vargas, Jocelyn: *Determinants of Education and Health Outcomes of Schoolgirls in Semetebaj, Guatemala* (Group Field Research Project, 2-Student Team)

Bunning, Thomas: *Health Education for School Children in Lalitpur, Nepal*

Clayton, Chris: *Healer Shopping in Cochibamba, Bolivia*

Haravu, Pranav: *Ayurvedic Treatment of NCDs, Bangalore, India*

Hare-Grogg, John: *Kidney Disease in Sugar Cane Workers, Tegucigalpa, Honduras*

Heinene, Emma; McDermod, Casey; Perez, Maria; Tasnim, Noor: *Prevalence of Indoor Air Pollution and STI's in Villages of Municipio Santa Cruz, Guatemala* (Group Field Research Project, 4-Student Team)

Hoyler, Elizabeth; Martinez, Roxana; Mehta, Kurren; Nisonoff, Hunter: *Knowledge and Utilization of Traditional Herbs in Rural Huehuetenango, Guatemala* (Group Field Research Project, 4-Student Team)

Kwong, Daniel; Sharma, Anu, Ramunajanan, Sri; Puente, Melany: Improving WASH and HAP Conditions in Maya Homes in Municipio San Juan la Laguna, Guatemala (Group Field Research Project, 4-Student Team).

Lambrou, Anastasia: *Avian Flu Preparedness in Katmandu, Nepal*

Mafoh, Cassandra: *Traditional Medicine Practices in Accra, Ghana*

Magnipudi, Somyu: *Utilization of Palliative Care in Amsterdam, The Netherlands*

Spratte, David: *Patient Satisfaction at Hospital Arco Iris, La Paz, Bolivia*

Therungsiripul, Lynn: *Eye Care and Access to Cataract Surgery, Accra, Ghana*

Veerapam, Malini: *Barriers to Vision Screening and Treatment in Rayavaram, India*

Direction of Undergraduate Individualized Majors (“Program II”)

George, Dennis: *Global Health Perspectives--Disease, Culture, and Healing*

Guidera, Katie: *Global Mental Health--Social Determinants & Human Rights*

Lambrou, Anastasia: *Infectious Disease and Global Health*

Ridgeway, Kathleen: *Psychosocial Determinants of Infectious Disease Outcomes*

Sherif, Noha: *Institutionalized Marginalization & Minority Health*

Sim, Reese: *Biopsychosocial Perspectives on Global Health*

Thomas, Chandler: *Global Health and Human Rights*

Truong, Sammie: *A Biopsychosocial Approach to Health Disparities*

Veerapam, Malini: *Global Health Disparities and Development Strategies*

Way, Rachel: *Health Across Cultures--Ethics, Collaboration, and Disparity*

Graduate Theses

Thesis Adviser/Committee Chair:

Culver, Kathleen: *Improving Health and Wellbeing of Orphaned Youth: Introducing Yoga at Children's Homes in Haiti*. MSc, Global Health

Puri, Ruchi Puri: *Knowledge, Attitudes and Practices of Obstetric Care Providers in Bugesera District, Rwanda*. M.Sc. Global Health

Wang, Daphne: *The Influence of Positive Mental Health on Self-Management of Chronic Disease, and the Mediating Roles of Social Support, Self-Efficacy, and Coping Behaviors*. In progress for MSc, Global Health

Thesis Committee Member:

Asimwe, Edgar: *Educational Attainment and Personal Willingness to Undergo Safe Male Circumcision Among Young Men in Rural Uganda*. MSc, Global Health

Carbell, Gary: *Attending to the Burden of Surgical Disease for Isolated Indigenous Populations of the Amazon: An Experience with Expedicionarios da Saude*. MSc, Global Health

Cooper-Priest, Marnie. *Global Health Traditional Birth Attendant Education in Fondwa, Haiti*. MSc, Global Health

Jelly, Christina: *Cross-Cultural Differences in Patient Perceptions and Outpatient Management of Chronic HIV/AIDS-Related Pain*. MSc, Global Health

Jin, Nan: *The Effect of Health Policy on the Access to Medicine of Patients with Chronic Diseases in Hangzhou and Baoji*. MSc, Global Health

Jones, Clay: *Examining Maternal and Reproductive Health Service Utilization by Ethnic Groups in Madre de Dios, Peru*. M.Sc, Global Health

Junjian, Gaoshan: *The Association Between Work Productivity and Physical Activity Among Singapore Full-Time Employees*. MSc, Global Health

Krueger, Mariana: *Examining the Diagnostic Performance of Vaginal, Self-Screening for High-Risk Human Papillomavirus in Port-au-Prince, Haiti*. MSc, Global Health

Lana, Justin: *Global Health Malaria Risk Factors in the Peruvian Amazon: A Multilevel Analysis*. MSc, Global Health

Liu, Sheng: *Global Health Mother's Early Age of Marriage Predicts Children Malaria Risk in the Peruvian Amazon*. MSc, Global Health

Lunyera, Joseph: *The Role of Traditional Medicine in the Etiology and Management of Chronic Kidney Disease in Moshi, Tanzania*. MSc, Global Health

Price, Malena: *Forced Migration and Family Planning: A Comparative Analysis in Jordan*. M.Sc, Global Health

Roehl, Kristen: *Global Health Diagnostic Performance of a Rapid Syphilis Test Among Pregnant Women in Peru*. MSc, Global Health

Silverberg, Benjamin: *Overcoming Barriers to Pediatric Surgical Care in Guatemala – Success Stories and Surgical Systems*. MSc, Global Health

Stanifer, John: *An Explanatory Model for the Use of Traditional Medicines in Kilimanjaro, Tanzania*. MSc, Global Health

Wilson, Sarah: *Psychological Sequelae of Obstetric Fistula in Tanzanian Women*. PhD, Psychology

Post-Graduate Mentorship & Support

Boisvert, Scott: *MDR-TB Among Bulgarian Roma* (Hart Fellowship)

Boms, Okechi: *Health of Street Children in Quito, Ecuador* (Fulbright)

Clayton, Chris: *Healer Shopping in La Paz, Bolivia* (Fulbright)

Deng, Lisa: *Palliative Care Strategies in Malaysia* (Fulbright)

Educational Field Work & Programming

Co-Director Bass Connections Global Health Theme, 1 July 2018 –

Faculty Director, Health Disparities in Guatemala Student Research Training Program (SRT), Duke Global Health Institute.

- Research and intervention site in an area comprised of six villages in Municipio Santa Cruz and Municipio San Juan La Lagune, Guatemala.
- Work undertaken in collaboration with local community partners Mayan Medical Aid and ODIM, 2012-

Faculty Director, DGHI-Mahidol Short Course on Global Health, Bangkok, Thailand, 23 July-2 August 2012

Faculty Director, Pandemic 2011, Duke University Winter Forum, 9-11 January 2011

Project Funding and Grants Received

Duke Global Health Institute: Funding Received to Provide Mental Health Training to Health Promoters Employed by ODIM, my community partner in Guatemala 2018. Award Amount: \$3500.

Duke Office of Undergraduate Education: *Developing a new collaborative student research site in San Juan la Laguna, Guatemala in collaboration with ODIM (Organization for the Development of Indigenous Maya) and FUNDEGUA (Fundación Desarrolla Guatemala).* 2016. Award Amount: \$10,000

Duke Office of Global Affairs: *Developing a new collaborative student research site in San Juan la Laguna, Guatemala in collaboration with ODIM (Organization for the Development of Indigenous Maya) and FUNDEGUA (Fundación Desarrolla Guatemala).* 2016. Co-Applicant: Duke Center for Caribbean and Latin American Studies. Award Amount: \$15,000.

Duke Global Health Institute: *Investigating research collaborations on Traditional Chinese Medicine with Hubei University of Traditional Chinese Medicine in Wuhan, China.* 2012. Co-applicant: Remy Coyteaux. Award Amount: \$4000.

Trent Foundation: *Pilot study on impact of Yoruba dance on quality of life in chronic disease patients in Durham, North Carolina.* 2012. Co-applicants: Kenneth Wilson and Ava Vinesett Award Amount: \$2000.

Professional Memberships

- American Association of Public Health
- International Association for the Study of Traditional Asian Medicine

VANDERBILT UNIVERSITY, 2006-2009

TEACHING, MENTORING & SUPERVISION

Formal Courses

Introduction to Global Health

Medicine, Health, and the Body: Culture and Disease

Death and Dying

Fundamental Issues in Medicine, Health, and Society

Independent Studies

Amsalem, David: *EMS System Design in Katmandu, Nepal*

Long, Katie: *Promoting Hospice Use Among Minority Populations*

Smiles, Dana: *Orphanage-Based Dental Hygiene Programs in Colombia*

SERVICE

Vanderbilt Center for Medicine, Health & Society

- Medicine, Health, and Society (MHS) Steering Committee, 2007-09
- MHS Curriculum Committee, 2007-09
- Graduate Admissions Committee, 2007-09
- MHS Faculty Search Committee, 2007-09
- Public Health Literacy Working Group, 2007-09

Vanderbilt University

- Mayfield Faculty Adviser, Healthcare Reform Student Group, 2008-09
- Chair, University Committee on LGBT Concerns, 2008-09
- Planning Committee, World Health Day Colloquium, 2007-08
- Affiliated Faculty, Women's and Gender Studies, 2007-09
- Health Professions Advisory Office Committee, 2008
- Co-Chair, LGBT Quality of Life Investigative Committee, 2007

ST. VINCENT MEDICAL CENTER, 1999-2006

WORK & ACCOMPLISHMENTS

- Founded and directed hospital department integrating CAM into medical services for multiple ethnic and immigrant populations with chronic and terminal illnesses
- Oversaw and developed departmental programs, services, budget, staffing, protocols, quality performance measures, and compliance procedures
- Integrated departmental services and programs into larger hospital structure
- Managed grant-based program for low-income cancer and HIV patients
- Created and organized outreach programs, partnerships and interventions
- Oversaw other clinicians and provided clinical acupuncture treatment with focus on pain relief for oncology and palliative care patients
- Provided continuing education events to physicians and other health professionals on integrative medicine, cross-cultural health, herb-drug interactions, and the relationship between global disease burden and local immigrant health issues
- Served on weekly hospital management team and multiple committees: Community Benefit, Palliative Care (co-chair), Cancer, and Cancer Service Line Development

PROFESSIONAL SERVICE

- Doctoral Task Force Adviser, Accreditation Commission for Acupuncture & Oriental Medicine, 2002
- Board Member, National Commission for the Certification of Acupuncture and Oriental Medicine, Washington, DC, 2001-02
- Education Task Force, California Acupuncture Board, 2000-01

PUBLICATIONS & PRESENTATIONS

Selected Clinically Based Practice Guidelines

Acupuncture Treatment of the Hamstrings. *Acupuncture Today* 3.2 (2002)

Treating Sacroiliac Pain with Acupuncture. *Acu. Today* 2.10 (2001)

Treating TMJ Dysfunction Effectively. *Acu. Today* 2.4 (2001)

Treating Neck Pain Via the Divergent Channels. *Acu. Today* 1.12 (2000)

Wrist Pain and the French Barrier Point System. *Acu. Today* 1.4 (2000)

Flexible Use of Xi-Cleft Points for Treatment of Musculoskeletal Disorders. *Acu. Today* 1.2 (2000)
