Eric P. Green

- education** Ph.D, Clinical-Community Psychology, University of South Carolina, 2008.
M.A., International Relations, University of South Carolina, 2006.
M.A., Psychology, University of South Carolina, 2004.
B.A., Psychology, Bucknell University, 2002.
- employment** Assistant Professor of the Practice of Global Health, Duke University, Duke Global Health Institute, 2015--Present.
Owner, Kijani Consulting, 2012--Present.
Adjunct Assistant Professor, Duke University, Duke Global Health Institute, 2012--2015.
Adjunct Assistant Professor, New York University, College of Global Public Health, 2009--2015.
Associate, Population Council, 2009--2012.
Postdoctoral Research Fellow, Program for Survivors of Torture, New York University School of Medicine and Bellevue Hospital, 2008-2009
- research** IMPACT EVALUATION OF DIGITAL MARKETPLACE FOR FAMILY PLANNING, Kenya, 2016--Present
Principal Investigator, Duke Global Health Institute
Trial using a randomized encouragement design to estimate the impact of mPango on family planning uptake.
- mPANGO, A DIGITAL MARKETPLACE FOR FAMILY PLANNING, Kenya, 2015--Present
Co-Investigator, Merck for Mothers
Development of a new social venture that aims to meet the unmet demand for contraception in Kenya.
- MEASUREMENT DEVELOPMENT, HIV DISCLOSURE, Zimbabwe, 2014--Present
Co-Principal Investigator, NICHD (1R21HD076695-01A1)
Developing a measure of caregiver readiness to disclose HIV serostatus: a tool to promote tailoring of interventions
- PARENTS MAKE THE DIFFERENCE-II, Liberia, 2014--Present
Co-Principal Investigator, Anonymous Donor
Randomized trial to estimate impact of parenting intervention on caregiver behavior and child outcomes

NATIONAL eHEALTH EVALUATION, Rwanda, 2014--Present

Co-Investigator, CDC

Cluster-randomized trial to estimate impact of national scale up of an electronic medical records system on healthcare system performance and patient outcomes

SCREENING FOR PERINATAL DEPRESSION, Kenya, 2014--2016

Principal Investigator, Duke Global Health Institute

Fieldwork to develop and validate a screening instrument for perinatal depression in Kenya

TB TECH, Kenya, 2012--2015

Co-Investigator, PEPFAR/USAID, [ClinicalTrials.gov NCT01934309](https://clinicaltrials.gov/ct2/show/study/NCT01934309)

Cluster-randomized trial to estimate impact of implementing a clinical decision support reminder system for medical providers to improve tuberculosis case-finding and the use of isoniazid preventative therapy for adults living with HIV

PARENTS MAKE THE DIFFERENCE-I, Liberia, 2012--2013

Co-Investigator, Anonymous Donor, [ClinicalTrials.gov NCT01829815](https://clinicaltrials.gov/ct2/show/study/NCT01829815)

Randomized trial to estimate impact of parenting intervention on caregiver behavior and child outcomes

BABY MONITOR, Kenya, 2011--2013

Principal Investigator, Saving Lives at Birth Grand Challenge, babymonitor.co

Design and testing of mobile phone screening, referral, and patient management service for pregnant women and new mothers

ADOLESCENT GIRLS INDEX, Uganda, 2011--2012

Co-Principal Investigator, UNICEF

Study the state of youth programming in Uganda and write a report about the situation of adolescent girls

WOMEN'S INCOME GENERATING PROJECT (WINGS), Uganda, 2009--2012

Co-Investigator, World Bank LOGICA Trust Fund/Vanguard Charitable Trust, [Innovations for Poverty Action](http://InnovationsforPovertyAction.org)

Cluster randomized trial to estimate impact of micro-enterprise training and grant for ultra-poor women affected by conflict

publications

PEER-REVIEWED

Green, E.P., Blattman, C., Jamison, J., & Annan, J. (2016). Does poverty alleviation decrease depression symptoms in post-conflict settings? A cluster-randomized trial of microenterprise assistance in Northern Uganda. *Global Mental Health*, 3, e7.

Green, E.P., Puffer, E.S., Warren, V., & Broverman, S. (2016). Participatory mapping in low-resource settings: Three novel methods used to engage Kenyan youth in community-based HIV prevention research. *Global Public Health*, DOI: [10.1080/17441692.2016.1170178](https://doi.org/10.1080/17441692.2016.1170178)

- Blattman, C., Green, E.P., Jamison, J., Lehmann, C., & Annan, J. (2016). The returns to microenterprise support among the ultra-poor: A field experiment in post-war Uganda. *American Economic Journal: Applied Economics*, *8*(2), 35-64
- Puffer, E.S., Green, E.P., Sikkema, K., Pian, J., Ogwang-Odhiambo, & Broverman, S. (2016). A church-based intervention for families to promote mental health and prevent HIV among adolescents in rural Kenya: Results of a randomized pilot trial. *Journal of Consulting and Clinical Psychology*
- Green, E.P., Blattman, C., Jamison, J., & Annan, J. (2015). Women's entrepreneurship and intimate partner violence: A cluster randomized trial of microenterprise assistance and partner participation in post-conflict Uganda. *Social Science & Medicine*, *133*, 177-188.
- Puffer, E.S., Green, E.P., Chase, R., Sim, A., Zayzay, J., & Garcia-Rolland, E., & Boone, L. (2015). Parents Make the Difference: A randomized-controlled trial of a parenting intervention in Liberia. *Global Mental Health*, *2*, e15.

selected
presentations

CONFERENCE PRESENTATIONS

- Puffer, E., Green, E., Chase, R., Sim, A., Rolland, E., & Friis, E. (2014). "The Parents Make the Difference Program in Liberia: Results From a Randomized Controlled Trial." Paper presented at the 2014 International Society for Traumatic Stress Studies Annual Meeting in Miami, FL.
- Green, E.P. (2014). "Baby Monitor." Talk presented at the 2014 Duke mHealth Conference in Durham, NC.

- Green, E.P. & Bellows, B. (2013). "Baby Monitor." Paper presented at the 2013 Women Deliver Conference in Kuala Lumpur.
- Catalani, C., Green, E.P., Biondich, P., & Diero, L. (2013). Providing alerts and reminders to improve tuberculosis care among PLHIV: Designing for digital innovation in Kenya. Poster presented at the 2013 International AIDS Society meeting in Kuala Lumpur.
- Puffer, E. S., Green, E. P., Sikkema, K. J., Pian, J., & Broverman, S. A. (2013). "Building resilience: Pilot trial of a family and community-based intervention to promote mental health among adolescents and caregivers in rural Kenya." Paper presented at the 2013 Global Mental Health Forum in London.
- Puffer, E. S., Green, E. P., Sikkema, K. J., Pian, J., Ogwang-Odhiambo, R. A., & Broverman, S. A. (2013). "The capacity of the Church to support mental health and HIV prevention interventions: A pilot trial of an intervention for church leaders in rural Kenya." Poster presented at the Duke Center for AIDS Research Fall Scientific Retreat in Durham, NC.
- Puffer, E. S., Green, E. P., Sikkema, K. J., Pian, J., Ogwang-Odhiambo, R. A., & Broverman, S. A. (2013). "Family and Community-based approaches to HIV prevention and mental health promotion in rural Kenya: Results of a pilot trial." Poster presented at the Center for AIDS Research Social and Behavioral Research Network in Washington, D.C.
- Puffer, E. S., Green, E. P., Broverman, S. A., Sikkema, K. J., & Pian, J. (2013). "Religion and Resilience: The capacity of the Church to provide psychosocial support to children and families in a community in rural Kenya." Paper presented at the International Society of Traumatic Stress Studies 28th Annual Meeting in Philadelphia, PA.
- Puffer, E. S., Green, E.P., Pian, J., & Broverman, S. A. (2013). "A Family-based intervention in Rural Kenya to Reduce HIV Risk, Improve Family Relationships, and Promote Adolescent Well-being." Symposium and paper presented at the Society for Pediatric Psychology Annual Conference in New Orleans, LA.
- Green, E.P., Rieck, V., Broverman, S., & Puffer, E.S. (2010). "Community Health and Activity Mapping." Talk presented at the Annual Meeting of the Association of American Geographers, Washington, DC.
- Green, E.P. (2008). "Communities in Transition." Talk presented at the Reconstructing Northern Uganda Conference, London, Ontario, Canada.
- Green, E.P., & Kloos, B. (2007). "Finding your way in community-based research: GPS/GIS Mapping as a method for learning about communities, building relationships, and organizing sampling strategies." Poster presented at the 11th biennial meeting of the Society for Community Research and Action, Pasadena, CA.

INVITED TALKS

- 2016, *University of North Carolina, Preventive Medicine Residency Seminar*: "Validating a culturally adapted screening tool for perinatal depression in Kenya"
- 2015, *Duke Global Health Institute*: Transforming Global Maternal, Adolescent and Child Health: From Research Evidence to Practice and Policy, panelist
- 2014, *Duke, Master of Management in Clinical Informatics*: Bootcamp
- 2014, *USAID, Saving Lives at Birth*: Grant seminar
- 2014, *Duke Symposium on Scaling Innovations in Global Health*: Role of behavior change in encouraging uptake of healthcare innovation, panelist
- 2014, *Duke mHealth*: Research seminar
- 2013, *USAID, Saving Lives at Birth*: Grant seminar
- 2012, *Duke Global Health Institute*: Research seminar
- 2012, *International Rescue Committee*: "Maximizing program impact in post-conflict zones: Investing in women's empowerment"
- 2012, *Johns Hopkins School for Advanced International Studies (SAIS), International Development Department*: "Promoting recovery after war"
- 2009, *Duke University, Information Science and Information Studies program*: "Community health and activity mapping"
- 2008, *Museum for African Art*: Conversations with a Continent
