EDUCATION & TRAINING

PhD	University of South Carolina , Columbia, SC Clinical-Community Psychology Advisor: Jeffrey Schatz, PhD Dissertation: <i>Somatic growth and cognitive functioning in young children with sickle cell disease</i>
Clinical Internship 2007-2008	Duke University Medical Center , Durham, NC
MA 2005	University of South Carolina , Columbia, SC Psychology
BS 2002	Furman University , Greenville, SC Behavioral Neuroscience, <i>magna cum laude</i>

POSITIONS

July 2012-Present	Duke University, Department of Psychology and Neuroscience and Duke Global Health Institute Assistant Professor
February 2011-June 2012	International Rescue Committee, New York, NY Research and Evaluation Advisor
July 2010-June 2011	Fogarty International Clinical Research Fellowship National Institute of Mental Health / Fogarty International Center <i>Muhuru Bay, Kenya</i>
August 2008-July 2010	Duke Global Health Institute , Durham, NC Postdoctoral Fellow

DUKE AFFILIATIONS

Duke University, Center for Health Policy and Inequalities Research
Affiliate Faculty Member

Duke University, Center for Child and Family Policy
Faculty Fellow

Duke Global Health Institute, Center for Global Reproductive Health
Collaborator

Duke Initiative for Science & Society
Faculty Associate

LICENSURE

2010-Present Licensed Psychologist and Certified Health Service Provider, North Carolina (#3974)

HONORS & FELLOWSHIPS

2017-2021 Implementation Research Institute Fellowship
National Institute of Mental Health and the Department of Veterans Affairs
Center for Mental Health Services Research: Washington University-St. Louis

2017-2018 Faculty Success Program Tuition Award, National Center for Faculty
Development & Diversity

2016 Bass Teaching Fellowship

2015 Emerging Leader in Global Health Award, Triangle Consortium on Global Health

2008 Student Conference Travel Award, APA Society of Pediatric Psychology

2008 Student Poster Award, First Place, APA Society of Pediatric Psychology

2005 America's Second Harvest Model Program Award, Harvest Hope Food Bank

2002 Phi Beta Kappa, Furman University

2001 President, Phi Eta Sigma, National Honor Society

RESEARCH GRANTS

Extramural

2022-2026 **Global Parenting Initiative: Lego Foundation**
The Global Parenting Initiative is led by Oxford University researchers who have convened an international group of experts in parenting research to conduct large-scale intervention studies. I was invited to co-lead the study on families in humanitarian contexts who have experienced displacement or migration:

Parenting in Displacement: Testing a wraparound model of support for migrant and displaced families from Myanmar [a study of the Global Parenting Initiative]

Co-Principal Investigator (Co-PI: Amanda Sim)

Amount: \$936,860

Total Global Parenting Initiative Grant: \$16,550,056

- 2022-2024 **AVSI Foundation**
Graduating to Resilience Activity Research on Coaching Methodology
Co-Principal Investigator (Co-PI: Eric Green)
 Amount: \$137,961
- 2021-2024 **Templeton Foundation**
Long-term health outcomes and dissemination strategies for adolescent character strength interventions
Co-Investigator (Director: Tom Osborne)
 Amount: \$995,474
- 2021-2023 **North Carolina Department of Health and Human Services**
Substance Abuse Prevention COVID Funding
Coping Together: Providing a family resilience intervention to families in NC
 Primary Recipient: Together for Resilient Youth
Principal Investigator (Co-PI: Wanda Boone)
 Amount: \$5,000
- 2020-2023 **Child and Youth Refugee Research Coalition**
Social Sciences and Humanities Research Council of Canada (SSHRC)
Using Community-Based Research to Develop a Contextually, Culturally, and Developmentally Sensitive Model of Refugee Resilience
Co-Investigator (PI: Amanda Sim)
 Amount: \$30,000 CAD (~\$23,700 USD)
- 2021-2023 **Durham County Alcoholic Beverage Control Board**
Coping Together: Providing a family resilience intervention to families in NC
 Primary Recipient: Together for Resilient Youth
Principal Investigator (Co-PI: Wanda Boone)
 Amount: \$5,000
- 2021-2023 **Indiana University Center for Global Health and the Indiana Clinical and Translational Sciences Institute (CTSI): Reciprocal Innovation Demonstration and Planning Grant**
Feasibility of delivering a peer-led community based youth mental health intervention
Co-Investigator (PI: Matthew Turrissini, Indiana University)
 Collaborating Organization: AMPATH-Kenya (*Duke is part of this consortium with Indiana University, creating frequent collaborations between the universities*)
 Amount: \$50,000
- 2021-2023 **Columbia University-World Health Organization Global Mental Health Small Grant**
Leveraging community strengths to implement a task-shifted alcohol use and family engagement treatment for fathers in Kenya
Collaborator (PI: Ali Giusto*)
 Amount: \$20,000

- 2020-2022 **Indiana University; National Institutes of Health: National Institute of Allergy and Infectious Diseases (T32); Arthur White Infectious Disease Research Fellowship**
Development of a Family-Level Problem-Solving Intervention for Adolescents Living with HIV: “Stawisha Jamii”
Co-Investigator (PI: Leslie Enane; Trainee: Courtney Meyers)
Amount: \$15,000
- 2014-2022 **Whole Child International**
National Evaluation of Quality of Childcare in El Salvador
Co-Investigator (PIs: Kathryn Whetten, Jan Ostermann)
Amount: \$1,162,520
- 2015-2018 **National Institute of Child Health and Human Development (R21 HD 076695)**
Developing a measure of caregiver readiness to disclose HIV serostatus: A tool to promote tailoring of interventions (Location: Zimbabwe)
Co-Investigator (PI: Eric Green)
Total: \$393,430
- 2014-2018 **UBS Optimus Foundation**
Parents Make the Difference II: Impact evaluation of a parenting program to improve parenting, education, and health outcomes for young children in Monrovia, Liberia
Principal Investigator
Funded Implementing Organization: International Rescue Committee
Total: \$1,057,402 (Duke Subaward: \$174,876)
- 2014-2016 **Grand Challenges Canada: Stars in Global Health**
Direct Grant Recipient: Moi University, Co-PI: David Ayuku
Development of a community embedded family therapy intervention in Kenya: A faith and village based approach
Co-Principal Investigator (Duke Principal Investigator)
Total: \$100,000
- 2013-2014 **US Department of State Bureau of Population, Refugees, and Migration**
Private Violence, Public Concern: A research study on the drivers, forms and consequences of intimate partner violence on women and girls in conflict settings
Funded Implementing Organization: International Rescue Committee
Co-Principal Investigator (Co-PI: Rebecca Horn, PhD, Consultant)
Total: \$207,637
- 2011-2014 **Bill and Melinda Gates Foundation**
Changing Lives: A Global Learning Initiative to End Violence Against Women and Girls; Randomized impact evaluation of a mental health intervention for children in refugee camps in Thailand and Ethiopia
Co-Investigator (PI: Laura K. Murray)
Funded Implementing Organization: International Rescue Committee
Amount (Total): \$2,965,208
Amount (Evaluation): \$777,929

- 2013 **Johnson & Johnson, Division of Corporate Giving**
Preventing HIV and Promoting Adolescent Mental Health in Rural Kenya: Expanding and evaluating a family-based intervention that aims to improve family functioning, strengthen adolescents' mental health, and reduce sexual risk behavior
Principal Investigator
 Amount: \$25,000
- 2012-2013 **UBS Optimus Foundation**
Parents Make the Difference I: Impact evaluation of a parenting program to improve parenting, education, and health outcomes for young children in rural Liberia
Principal Investigator
 Funded Implementing Organization: International Rescue Committee
 Amount: \$140,134
- 2010-2013 **USAID Displaced Children and Orphans Fund (DCOF)**
Improving Mechanisms for Partnership and Action for Children in Thailand (IMPACT): Randomized impact evaluation of a family-based intervention
 Funded Implementing Organization: International Rescue Committee
Duke Evaluation Principal Investigator
 Harvard Principal Investigator: Theresa Betancourt
 Amount (Total): \$2,441,806; Amount (Evaluation): \$90,138
- 2010-2011 **National Institute of Mental Health / Fogarty International Center**
 (R24 TW 007988)
A randomized controlled pilot trial of a family-based HIV prevention program in rural Kenya
Principal Investigator / Fogarty International Clinical Research Fellow
 Amount: \$89,300
- 2009-2010 **Johnson & Johnson, Division of Corporate Giving**
Formative research to develop and implement a multi-level HIV prevention intervention for youth in Muhuru Bay, Kenya
Principal Investigator
 Amount: \$85,000

Intramural

- 2022-2023 **Duke Bass Connections**
Reducing Mental Health Disparities via Adapted Interventions
 Theme: Race & Society
 Amount: \$25,000
- 2022-2023 **Social Science Research Institute (SSRI) Grant Program**
Coping Together
 Amount: \$15,000
- 2020-2023 **Duke Global Health Institute, COVID-19 Commissioned Research**
Strengthening Families during COVID-19: Building Togetherness and Hope
Principal Investigator
 Amount: \$70,000

- 2020-2022 **Margolis-Bass Connections COVID-19**
Coping with COVID-19: Using Behavioral Science and Digital Health to Promote Healthy Families
Amount: \$25,000
- 2019-2022 **Office of the Vice Provost for Research (OVPR) Planning Grant**
Mental Health and Wellbeing Among Refugee Children: A Creative Approach to Complex Challenges
Principal Investigator
Amount: \$10,000
- 2019-2022 **Duke Global Health Institute, Africa Global Mental Health / Maternal and Adolescent Child Health Pilot Grant**
Developing Linkages Between Reproductive Health and Mental Health Services in East Africa
Co-Principal Investigator (Co-PI: Megan Huchko)
Amount: \$25,000
- 2018-2022 **Intervention Implementation Grant, Chancellor's Office, Duke University**
Integrating family-based prevention, treatment, and economic strengthening within congregations in Kenya
Principal Investigator
Amount: \$100,000
- 2018-2022 **Duke Department of Psychology and Neuroscience, Lafitte Faculty Research Seed Grant**
Pilot trial of a family strengthening intervention (Kenya)
Principal Investigator
Amount: \$50,000
- 2019-2021 **Duke Global Health Institute, Maternal and Adolescent Child Health Pilot Grant**
AMANI: The Adolescent Mental Health in Africa Network Initiative
Co-Investigator (Duke PI: Dorothy Dow)
Amount: \$25,000
- 2020 **Duke Global Health Institute, Global Mental Health Initiative**
Family Well-being in the South During COVID-19: An online survey study
Amount: \$2,500
- 2017-2018 **Duke Global Health Institute, Global Mental Health Initiative**
Building the Duke-University of Cape Town Partnership in Child & Adolescent Mental Health: Exploring the feasibility and scalability of a parent-child treatment model in clinical and educational settings
Co-Principal Investigator
Amount: \$7,500
- 2016-2018 **Duke Bass Connections**
Global Mental Health – Integrative Training Program
Amount: \$25,000

- 2016-2018 **Duke Global Health Institute, Global Mental Health Initiative**
Developing a direct observational measure of family functioning for low-resource settings: Establishing reliability and validity in a Kenyan sample
Principal Investigator
Amount: \$19,750
- 2016-2018 **Josiah Charles Trent Memorial Foundation Endowment Fund**
Cultural Adaptation of a Family-Based Intervention in Kenya
Principal Investigator
Amount: \$5,000
- 2015-2016 **The Africa Initiative, Duke University**
Technology for Health in Africa: Closing treatment gaps through the use of technology
Principal Investigator
Amount: \$2,500
- 2014 **Trent Foundation Endowment Fund**
Development of a family therapy model for low-resource communities in Kenya
Connecting with the Field: Vertical Integration of Duke Students
Principal Investigator
Amount: \$3,000
- 2013-2014 **Duke Center for AIDS Research (P30 AI 64518)**
CFAR Development Core Small Grant Award
A model of family therapy for HIV prevention and adolescent emotional support in rural Kenya: A development and pilot study
Principal Investigator
Amount: \$40,000
- 2013 **Arts & Sciences Council Committee on Faculty Research Grant, Duke University**
Developing and evaluating a family-based intervention to promote mental health and reduce risk of HIV among adolescents in rural Kenya
Principal Investigator
Amount: \$4,500
- 2009-2010 **Duke University Center for AIDS Research (P30 AI 64518)**
Developing a multi-level HIV prevention program in rural Kenya: Adapting and piloting evidence-based youth and caregiver intervention strategies
Principal Investigator
Amount: \$ 25,000

26. McClellan, C. B., Roberts, C. W., Schatz, J. C., Sweitzer, S. M., & **Puffer, E. S.** (2006). Procedural pain experience in pediatric sickle cell disease: A multi-method comparison of pain response across age groups. Poster presented at the 6th Biennial International Forum on Pediatric Pain, Nova Scotia, Canada.
27. **Puffer, E. S.** & Schatz, J. (2005). Nutrition and cognition in children with sickle cell disease. Poster presented at the 2006 annual convention of the Sickle Cell Disease Association of America, Dallas, TX.
28. Green, E. P., Johnson, K., **Puffer, E. S.**, & Wise, S. (2005). Expanding Kids Cafes: A strategic plan and systematic process. Poster presented at the 2005 Southeastern ECO Conference of the Society for Community Research and Action, Columbia, South Carolina.
29. Schatz, J., Robinson, J., & **Puffer, E. S.** (2004). Promoting school success following childhood stroke: Standard school advocacy versus a neuropsychologically informed team planning approach. Poster presented at the 27th Annual Meeting of the National Sickle Cell Disease Program, Los Angeles, California.

Workshops

1. Kaiser, B. *, **Puffer, E. S.**, Giusto, A. *, & Barg, F. (2017). Cross-Cultural Instrument Development. Workshop presented at the Society for the Study of Psychiatry and Culture Annual Meeting, Princeton, NJ.
2. Kaiser, B. *, **Puffer, E. S.**, & Giusto, A. * (2017). Cross-Cultural Instrument Adaptation. Workshop presented at the Society for the Study of Psychiatry and Culture Annual Meeting, Princeton, NJ.
3. Kaiser, B. *, **Puffer, E. S.**, & Tolley, B. (2016). Cross-cultural Instrument Development and Adaptation. Workshop presented at the 2016 Triangle Global Health Annual Conference in Chapel Hill, NC.

Chair, Panelist, and Discussant Roles

1. “Task sharing” to bridge the mental health treatment gap: Strategies, challenges, and opportunities for training non-specialists to participate in care (2022). Clinical Roundtable Organizer and Chair at the Association of Behavioral and Cognitive Therapies 56th Annual Convention. New York, NY.
2. Ethical considerations related to managing risk when conducting youth treatment research in low- and middle-income countries (2022). Panelist at the Association of Behavioral and Cognitive Therapies 56th Annual Convention. New York, NY.
3. Reciprocal Innovation: Improving Access by Applying Shared Prevention Strategies in the Global South and Global North (2022). Symposium Chair at the 30th Annual Meeting of the Society for Prevention Research, Seattle, WA. *Abstract of Distinction*.

4. Adapting Evidence-Based Parenting Interventions for Remote Delivery in the Global South during COVID-19 (2022). Discussant for a symposium at the 30th Annual Meeting of the Society for Prevention Research, Seattle, WA.
5. Mutual Capacity Building in Psychology Research: Working to Close the Global Mental Health Gap (2020). Panelist at the 54th Annual Convention of the Association of Behavioral and Cognitive Therapies [virtual due to COVID-19].
6. Expanding Access to Behavioral and Cognitive Therapies in Resource Constrained Settings: Lessons Learned from Global Mental Health Research (2020). Panelist at the 54th Annual Convention of the Association of Behavioral and Cognitive Therapies [virtual due to COVID-19].
7. Increasing Access to Evidence-based Care Through Lay-counselor-delivered Interventions: Outcomes from Randomized Controlled Trials in Low- and Middle-income Countries (2020). Discussant for a symposium at the 54th Annual Convention of the Association of Behavioral and Cognitive Therapies [virtual due to COVID-19].
8. Innovative Research Methods to Optimize Child and Youth Interventions (2018). Discussant for a symposium presented at the 2018 Annual Meeting of the Society for Prevention Research, Washington, DC. *Abstract of Distinction*
9. Beyond the Clinic Walls: Reducing U.S. and Global Health Disparities through Community-Based and Culturally-Anchored Intervention Models (2013). Symposium Chair at the 2013 Society for Pediatric Psychology Annual Conference, New Orleans, LA.
10. Advancing the Field of Mental Health Interventions for Children in Refugee Settings: Treatment and Research in Burmese and Somali Refugee Camps (2012). Round table presenter at the International Society of Traumatic Stress Studies 28th Annual Meeting, Los Angeles, CA.

INVITED TALKS

External

1. New York University, Global Mental Health and Stigma Program Symposium Speaker Series, 2022, Reaching Children in Context: Community- and Family-based Interventions
2. George Washington University, Stokes Endowment Lecture, postponed (due to COVID), Global Mental Health: Community and Family-based Approaches to Closing the Treatment Gap
3. Judge Baker Children's Center, Child Mental Health Forum Lecture Series, 2021, Family-Based Interventions in Global Mental Health: Implementing Evidence-Based Practices in Low-Resource and Humanitarian Contexts
4. Emory University, Rollins School of Public Health, Introduction to Global Mental Health, 2020, Global Child & Family Mental Health
5. Boston College, School of Social Work, Research Program on Children and Adversity: Grants and Sponsored Research Initiative (GRIT) Seminar, 2020, Family-Centered and Community-Based Approaches to Global Mental Health: Meeting Children Where They Are
6. Columbia University Medical Center, New York State Psychiatric Institute, Department of Psychiatry and Epidemiology, Global Mental Health and Implementation Science T32 Speaker Series, 2020, Building on Family and Community Strengths: New Implementation Approaches for Global Child Mental Health

7. Emory University, Rollins School of Public Health, GROW Seminar Series (Global Research for Women), 2019, Global Mental Health: Family and Community-based Approaches for Closing the Treatment Gaps in Low-Resource Settings
8. University of South Carolina, Department of Psychology Colloquium, 2016, Global Mental Health Research: The role of family-based interventions in reducing the burden of mental disorders in low-resource settings
9. Jewish Family Services Clinical Connections, Durham, NC, 2015, Global Mental Health: A Priority? (continuing education for mental health professionals)
10. International Rescue Committee, New York, NY, 2015, Measuring Child Mental Health in Humanitarian Settings
11. University of North Carolina, Gillings School of Public Health, 2015, Women survivors of IPV in refugee settings: Drivers of IPV and decision-making
12. FHI360, Durham, NC, 2015, The role of family- and community-based interventions in child mental health promotion and prevention of violence and HIV
13. Academic Model Providing Access to Healthcare (AMPATH), Eldoret, Kenya, 2014, Child Mental Health in Low-Resource Settings: Developing community-based interventions for families in Eldoret, Kenya
14. International Honors College of Utrecht University, Netherlands, 2014, Global Mental Health: A priority?
15. Academic Model Providing Access to Healthcare (AMPATH), Eldoret, Kenya, 2013, A Community-based Intervention in Rural Kenya to Improve Family Relationships, Promote Adolescents' Mental Health, and Reduce HIV Risk

Internal

1. Population Health Symposium 2022-2023 series at Duke Family **Medicine** Residency, 2022, Community-Engaged Research in Global Mental Health.
2. Together for Resilient Youth (TRY), the Duke Center on Addiction & Behavior Change (CABC): Marijuana Legalization: Brain Science, Community Impact, and Risk Prevention, 2022, Impact of ACES, Coping Together, & Family Cohesiveness
3. Duke's National Clinician Scholars Program, Duke Clinical & Translational Science Institute, 2022, Community Engaged Research: Coping Together
4. Duke Global Health Institute Board Meeting, 2021, Global Mental Health
5. Duke University Center for International and Global Studies; John Hope Franklin Center: "Wednesdays at the Center" Speaker Series, 2021, Coping Together: A Family Strengthening Program Fostering Resilience and Hope during the COVID-19 Pandemic (video | article | article)
6. Duke Global Health Institute, Think Global Lecture Series, 2021, Panel Discussion: "While We Were Away" [Topic: COVID-19 and mental health]
7. Duke Center for Global Reproductive Health, Working Group for Sexual and Reproductive Health Research Symposium, 2021, Family Approaches in Global Mental Health: Supporting Safe and Supportive Homes
8. Department of Psychology & Neuroscience, Colloquium, 2017, Global Mental Health: family and community-based approaches to closing the treatment gap in low-resource settings

9. The Africa Initiative, Duke University, 2015, Global Mental Health: The Role of Family-Based Interventions in Africa and Beyond
10. Social Mobility Working Group (Duke University Consortium on Social Equity), 2014, HIV Prevention and Mental Health Promotion: Fit with Social Mobility and Policy Implications
11. Department of Psychology & Neuroscience, Duke Developmental Brown Bag Speaker Series, 2014, Developing a Family-based Intervention to Prevent HIV and Promote Mental Health of Adolescents in Rural Kenya: A Community Based Participatory Approach
12. Center for Health Policy and Inequalities Research, 2014, Strengthening Families: Intervention Research to Reduce Violence, Improve Mental Health, and Prevent HIV
13. Duke Global Health Institute, Global Health Exchange, 2009, Risk and Protective Factors Related to HIV Risk Behavior Among Youth in Rural Kenya

PRESENTATIONS TO POLICYMAKERS AND PRACTITIONERS

1. Durham ACES and Resilience Task Force, 2022, Coping Together: A Community-Based Family Strengthening Intervention from Kenya to North Carolina. Co-presenter: Wanda Boone
2. North Carolina Departments of Social Services: Durham County and Craven County, 2022, Coping Together: A Family Strengthening Program in North Carolina. Co-presenter: Wanda Boone
3. International Visitor Leadership Forum of the U.S. Department of State on Ending Gender-Based Violence, 2021, Reducing Gender-Based Violence: Shifting Norms and Engaging Men
4. Gender and Adolescence Global Evidence (GAGE) Programme Webinar: Expert panel, 2020, The Impact of Parenting Programmes on Enhancing Adolescent Wellbeing
5. International Rescue Committee Child and Youth Protection and Development Global Conference, Dar es Salaam, Tanzania. Parenting Programs: Measuring Outcomes
6. International Rescue Committee presentation at the Human Rights Campaign, Washington, DC, 2014, Caring for Child Survivors of Sexual Violence and Promoting Child Mental Health in Humanitarian Settings: Results from an evaluation of a child mental health intervention in Ethiopia. Presented results from publication with authors: Murray, L. K., Hall, B. J., **Puffer, E. S.**, Sim, A., Ismael, A., Baird, S., Erikson, A. & Bolton, P.
7. International Rescue Committee & USAID Displaced Children and Orphans Fund Event, 2014, Washington, DC. Study results team presentation: Families Make the Difference: Findings from a randomised controlled trial of a parenting and family skills training intervention in Thailand
8. International Rescue Committee & USAID Displaced Children and Orphans Fund Event 2014, Washington, DC. Panel presentation: Prioritizing Parenting Skills to Meet a Wider Variety of Needs: Can parenting interventions achieve multiple caregiver and child outcomes? What seem to be the core elements, and what might be added while not losing effectiveness?

SCIENTIFIC ADVISING AND CONSULTATION

2022-Present WHO-UNICEF (World Health Organization and United Nations Children’s Fund) Joint Programme on Mental Health and Psychosocial Wellbeing and Development of Children and Adolescents

Expert Panel Member: Ongoing consultation on development of a psychological intervention for young children and their families

2022-Present Youth Global Mental Health Delphi Study Advisory Board

2020-Present Shamiri Institute, Scientific Advisory Board (<https://www.shamiri.institute/>)

2020-Present War Child Holland & American University of Beirut

Expert Reviewer, Intervention Development: Family Intervention Module in Lebanon, adjunct module to a UNICEF intervention curriculum

TEACHING

University of South Carolina (Graduate Instructor)

Health Psychology

2004

Physiological Psychology

Fall 2012: Maia Pelleg (Master of Science in Global Health student)

Research Independent Study (GLHLTH 393)

Spring 2010: Emily Matthews

Fall 2009: Emily Matthews

Research Practicum (PSY 203)

Fall 2019: Sama Elmahdy; Miranda Gershoni; Taylor Crimmins
 Fall 2018: Lillian Blanchard
 Spring 2015: Madison Mumma
 Spring 2014: Zoe Bulgar; Rachel Hennein; Nicole White
 Fall 2013: Zoe Bulgar; Clare Fisher; Aleisha Khan

Bass Connections Independent Study (GLHLTH 395 / GLHLTH 795)

Spring 2018: Chaya Bhat; Priya Sridhar; Meghana Vagwala; Bethany Kuerten

Guest Lectures

Fall 2022 Maternal Mental Health. Global Sexual and Reproductive Health (GLHLTH 212)
 Fall 2022 Global Mental Health. Global Health Capstone Course (GLHLTH 499)
 Fall 2022 Psychology & Neuroscience Breadth Course
 Spring 2022 Global Mental Health. Global Health Capstone Course (GLHLTH 499)
 Fall 2022 Global Mental Health: Research Focus on Families. Global Mental Health (GLHLTH 560S / PSY 611S / CULANTH 611S)
 Spring 2022 Global Mental Health: Research Focus on Families. Global Mental Health (GLHLTH 560S / PSY 611S / CULANTH 611S)
 Spring 2022 Panel: Community engagement to address health issues (GLHLTH 753)
 Fall 2021 Global Mental Health. Global Health Capstone Course (GLHLTH 499)
 Fall 2021 Maternal Mental Health. Global Sexual and Reproductive Health (GLHLTH 212)
 Spring 2021 Maternal Mental Health. Global Sexual and Reproductive Health (GLHLTH 212)
 Spring 2021 Children & Families in Global Mental Health. Global Mental Health (GLHLTH 560S / PSY 611S / CULANTH 611S)
 Fall 2018 Child and Adolescent Global Mental Health. Global Mental Health (GLHLTH 560S / PSY 611S / CULANTH 611S)
 Spring 2017 Project Management Case Example: Tuko Pamoja. Program Management and Research Administration in Global Health (GLHLTH 760)
 Spring 2016 A community-based participatory approach to HIV prevention, Family strengthening, and mental health. Ethics for Global Health Research (GLHLTH 740)
 Fall 2015 Beyond the Individual: Healing Family Relationships. Global Mental Health (GLHLTH 560S / PSY 611S / CULANTH 611S)
 Fall 2014 Global Mental Health Research: Ethical Considerations. Ethical Issues in Research and Clinical Practice (PSY 739)
 Spring 2014 Making a real difference for mental health: Worth it? Possible? High Impact Philanthropy (HOUSECOURSE)
 Fall 2013 Family-Based Interventions in Global Mental Health. Global Mental Health (GLHLTH 560S / PSY 611S / CULANTH 611S)
 Fall 2012 Global Mental Health: Big Challenges, Tough Questions, Creative Solutions: Cases from Kenya, Thailand, and Ethiopia. Introduction to Global Health: Multidisciplinary Approaches to Global Health (GLHLTH 161 / PUBPOL 166)
 Fall 2012 Global Mental Health Research: Ethical Considerations. Ethical Issues in Research and Clinical Practice (PSY 739)
 Spring 2010 Electronic Survey Data Collection. Social Science Surveys for Environmental Management (ENVIRON 280)
 Spring 2010 Intervention Development and Participatory Methods in a Developing Country Setting. Community Intervention Research (PSY 155S)
 Fall 2009 Intervention Research in Global Health: Design, Methods, Examples. (Lecture 1)
Intervention Development and Evaluation. (Lecture 2) Research Methods in Global Health (GLHLTH 301)

- Fall 2009 Assessment and Formative Research in a Developing Country Setting. Community Intervention Research (PSY 155S)
- Fall 2009 Global Mental Health: Working Towards Interventions. Global Health Focus (BIOLOGY 92FCS)
- Spring 2009 Formative Research: Working Towards Interventions in Global Health. Research Methods in Global Health (GLHLTH 163)
- Fall 2008 HIV Prevention for Youth in Muhuru Bay. Women and International Development (HOUSECOURSE 79.11)

Other Teaching Activities

- Spring 2016 The Duke Faculty Mentoring Program for teaching
Bass Society of Fellows & Vice-Provost of Academic Affairs

MENTORING

Primary Advisees: Doctoral Students, Duke Department of Psychology & Neuroscience

Ali Giusto (enrolled 2013; graduated 2019)

Empirical Paper (2015): Relationships between fathers' and sons' sexual risk behavior and beliefs in rural Kenya

Major Area Paper (2016): A systematic review of structural, economic, and psychosocial correlates of men's alcohol use in low- and middle-income countries

Dissertation (2018): Development and piloting of an intervention to reduce alcohol use and improve family engagement among fathers in Kenya

Internship: Internship in Health Service Psychology at the New York-Presbyterian Hospital, Columbia University Irving Medical Center

Postdoctoral Fellowship: Columbia University, T32, Global Mental Health

Current Position: Columbia University, Assistant Professor

Elsa Friis (Healy) (enrolled 2014; graduated 2020)

Empirical Paper (2016): Empowering families in poverty: The impact of a family strengthening program on resource use in Kenya

Major Area Paper (2017): A systematic review of family-based youth mental health interventions by non-specialist providers in low- and middle-income countries

Dissertation (2020): Development and evaluation of a web application to support supervision of lay counselors in Kenya

Internship: Emory University School of Medicine Internship in Health Service Psychology

Postdoctoral Fellowship: Duke University Medical Center (Mentor: Scott Kollins)

Current Position: Director of Clinical Research, Alongside (digital mental health care) (<https://www.littleotterhealth.com/our-care>)

Jessica Coleman (enrolled 2017; began co-mentoring 2019)

Empirical Paper (2019): Sexual abuse shame and anxiety among South African women living with HIV and histories of sexual trauma: Food insecurity as a moderator

Major Area Paper (2020): Psychological distress and pain related to gynecologic examination among female survivors of interpersonal violence: A systematic review

Dissertation (Expected Summer 2023): Developing and pilot testing a brief intervention to reduce anxiety during pelvic examinations among female cancer survivors

Savannah Johnson (enrolled 2018)

Empirical Paper (2020): Describing parenting and exploring predictors of harsh discipline in urban Liberia

Major Area Paper (2021): Correlates of intimate partner violence in adolescents and young adults in sub-Saharan Africa: A systematic review

Funding: Doctoral Scholars Program, Duke Global Health Institute (provides partial stipend support and \$10,000 dissertation research funding)

Justin Rasmussen (enrolled 2019)

Empirical Paper (2021): What happens when the pastor talks about condoms? Church discussions and leader beliefs in a randomized controlled trial in Western Kenya

Funding: Doctoral Scholars Program, Duke Global Health Institute (provides partial stipend support and \$10,000 dissertation research funding)

Gayane Baziyants (enrolled in Joint PhD Program in Public Policy and Psychology 2022)

Secondary Mentor for Joint degree in Psychology

(Primary Mentor for PhD in Public Policy: Kenneth Dodge)

Primary Advisees: Master of Science Students, Duke Global Health Institute

Elsa Friis (graduated 2014)

Thesis: Chronic interpersonal trauma in Kenyan adolescents: A culturally grounded model (Revise and resubmit in Child Abuse and Neglect)

Elyse Thulin (graduated 2016)

Thesis: Predictors of communication about sex between adolescents and primary-caregiver grandparents in Kenya

Leah Watson (graduated 2017)

Thesis: "It must be in the thoughts": A mixed-methods study to validate a mental health assessment and to identify family influences on mental health of Kenyan caregivers (Published in International Journal of Psychology Research)

Taylor Haynes (graduated 2017)

Thesis: A mixed-methods study to validate a measure of and explore influences on child mental health in Eldoret, Kenya

Puja Patel (graduated 2018)

Thesis: Alcohol use among fathers in Kenya: Understanding barriers and facilitators to treatment seeking (Published in International Journal of Drug Policy)

Taylor Wall (graduated 2019)

Thesis: Experiences of Lay Counselors Providing a Family-based Therapy in Kenya: A Focus on Identity, Stress, Burnout, Motivation, and Self-Efficacy (Published in International Journal of Mental Health Systems)

Bethany Kuerten (graduated 2019)

Thesis: Thesis: Psychosocial Burden of Childhood Sickle Cell Disease on Family Members and Caregivers in Homa Bay, Kenya. (Published in Journal of Pediatric Psychology)

Krista Odom (graduated 2020)

Thesis: Assessment of mental health care implementation within the primary health care system: cross sectional mixed methods exploration of mhGAP trained providers in Ethiopia

Kaitlin Quick (graduated 2021)

Thesis: Adaptation and Evaluation of a Picture-Based Measure of Parent Discipline Preferences (Under review at Journal of Child and Family Studies)

Mahgul Mansoor (enrolled 2020; graduated 2022)

Thesis: Family Strengthening during COVID-19: Feasibility and Acceptability of a virtual family intervention

Awards: Kenan Institute for Ethics GradEngage Fellowship, Dean's Research Award for Master's Students; First place in student poster competition at DGHI 2021 Global Health Research Showcase

Primary Advisees: Undergraduate Graduation with Distinction

Zoe Bulger, Psychology & Neuroscience (Spring 2015)

Thesis: Understanding resilience across internal, social, and community resources: Findings from rural and regional Australia

Zener Award for Outstanding Honors Thesis

Clare Fisher, Women's Studies (Spring 2015)

Thesis: Family functioning in Kenya: A contextually grounded model

Benjamin N. Duke Scholarship experiential learning in Kenya

Rachel Hennein, Psychology & Neuroscience (Spring 2016)

Thesis: Poverty and HIV risk in rural Kenya: Options and sources of support for youth and adolescents

Faculty Scholar, Honorable Mention (2015)

Noah Triplett, Psychology / Global Health (Spring 2017)

Thesis: The influence of race and ethnicity in psychiatric emergency services

Julia Kaufman, Global Health (Spring 2018)

Thesis: Community-based practices used by lay counselors in a family therapy intervention in Eldoret, Kenya

Ameya Sanyal, Psychology / Global Health (Spring 2021)

Thesis: Examining the association between the COVID-19 pandemic, mental health and family functioning among Latinx families

Cameron Cucuzzella, Psychology (Spring 2022)

Thesis: Virtual intervention engagement: Patterns of participant engagement in “Coping Together,” a virtual, community-based family strengthening intervention

Non-Course Primary Undergraduate Mentorship

- 2022 Pari Goel
Summer research supporting a pilot study of a family therapy intervention in a sexual and reproductive health setting in Kisumu, Kenya
- 2022 Mia Miranda: Baldwin Scholar
Summer research supporting a pilot study of a family therapy intervention in a sexual and reproductive health setting in Kisumu, Kenya
- 2022 Jasmine Daniel: Broadhead Fellowship
Summer research on implementation of a virtual family intervention in North Carolina (funded by competitive fellowship)
- 2020 Emily Duerr: Duke Global Health Institute, Durham Priority Partnership Location
Exploratory research on refugee mental health in the United States
- 2020/21 Ameya Sanyal (2020); Cameron Cucuzzella; (2021); Savannah Johnson
Psychology Vertical Integration Program
Competitive summer research program in which a graduate student mentors an undergraduate on a research project under the supervision of a faculty mentor.

Mentor on Postdoctoral and Early Career Grants

- 2020-2025 **National Institute of Mental Health (K01: PA-19-126: Mentored Research Scientist Development Award)**
Strengthening Families Living with HIV in Kenya
Mentee: Michael Goodman, PhD
- 2022-2024 **National Institutes of Health: National Institute of Allergy and Infectious Diseases: Duke University Interdisciplinary Research Training Program in AIDS (T32)**
Sexual minority stressors, mental health, and the PrEP care continuum: A mixed methods study with gay, bisexual, and other men who have sex with men (GBMSM) in Guatemala
Trainee: Dirk Davis, MD
- 2021-2022 **Northern Pacific Global Health Research Fellows Training Consortium (National Institute of Health Fogarty International Center)**
Feasibility and acceptability of a peer-delivered substance use screening and brief intervention for adolescents living with HIV in Kenya
Trainee: Florence Jaguga, MD, Moi Teaching and Referral Hospital, Kenya

2017-2018 **National Institute of Mental Health (1F32MH113288)**
Community-sourced Interventions for Global Mental Health
Mentee: Bonnie N. Kaiser, PhD

Students Grants and Awards (Awarded to Student Mentees)

Bass Connections (*Graduate Student as Primary Group Lead*)
2023-2024 Savannah Johnson (PhD Clinical Psychology)

Global Health Doctoral Scholars

2022-2024 Justin Rasmussen (PhD Clinical Psychology)
2021-2023 Savannah Johnson (PhD Clinical Psychology)
2017 Ali Giusto (PhD Clinical Psychology)
2017 Elsa Friis (PhD Clinical Psychology)

The Michael H. Merson and Kathleen J. Sikkema Global Health Fellowship

2021-2023 Savannah Johnson (PhD Clinical Psychology)
2022 Mahgul Mansoor (MSc Global Health)

Brodhead Fellowship

2022 Jasmine Daniels (Undergraduate)

Paul Farmer Global Health Fieldwork Grant

2022 Nikhita Gopisetty (Undergraduate)
2022 Keying Sun

Janet B. Chiang Grant

2022 Nikhita Gopisetty (Undergraduate)

Human Rights Summer Research Grant

2022 Nikhita Gopisetty (Undergraduate)

Duke University Center for International & Global Studies Undergraduate Summer Award

2022 Nikhita Gopisetty (Undergraduate)

Dean's Research Award for Master's Students

2022 Mahgul Mansoor (MSc Global Health)

The Kenan Institute for Ethics GradEngage Fellowship

2022 Mahgul Mansoor (MSc Global Health)

Bass Connections Student Research Award

2022 Mahgul Mansoor (MSc Global Health)
2021-2022 Savannah Johnson (PhD Clinical Psychology)
2021-2022 Justin Rasmussen (PhD Clinical Psychology)

Charles Lafitte Foundation Program for Research in Psychology & Neuroscience Graduate Grant Award

2021-2022 Savannah Johnson (PhD Clinical Psychology)
2021-2022 Justin Rasmussen (PhD Clinical Psychology)

Duke University, Department of Psychology & Neuroscience Summer Psychology Vertical Integration Program

2021 Savannah Johnson (PhD Clinical Psychology)
2021 Cameron Cucuzzella (Undergraduate)
2020 Ameya Sanyal (Undergraduate)
2020 Savannah Johnson (PhD Clinical Psychology)

International Research Travel Award, Duke University

2018 Elsa Friis (PhD Clinical Psychology)
2017 Ali Giusto (PhD Clinical Psychology)

Aleane Webb Dissertation Award, Duke University

2017 Ali Giusto (PhD Clinical Psychology)

Charles Hughes Fellowship, Society for the Study of Psychiatry and Culture

2017 Ali Giusto (PhD Clinical Psychology)
2017 Elsa Friis (PhD Clinical Psychology)

STEAM Challenge 2016, Grand Prize

2016 Team: Elsa Friis (PhD); Emily Cherenak (PhD); Undergraduates: Christina Schmidt, Sophia Stafford, Annie Haueter

Duke Center for International & Global Studies: Global Mental Health Award

2016 Ali Giusto (PhD Clinical Psychology)

Fred & Barbara Sutherland Summer Research Fellowship, Duke University

2016 Ali Giusto (PhD Clinical Psychology)

Special Poster Session Selection “Adolescence in Diverse Contexts”, Society for Research on Adolescence 2016 Biennial Meeting

2016 Ali Giusto (PhD Clinical Psychology)

Student Committees (Member): Duke University

Dissertation (Psychology & Neuroscience)

Lindsay Anderson (Spring 2016)
Micah Lattanner (Spring 2017)
Emily Cherenack (Spring 2020)
Samuel Brotkin (Spring 2022)
Carina Fowler (expected 2024)

Empirical Paper (Psychology & Neuroscience)

Lindsay Anderson (Fall 2012)
Shelley Lanpher (Spring 2014)
Emily Cherenack (Fall 2016)
Aaron Reuben (Fall 2016)
Carina Fowler (Spring 2020)
Lindsay Ives (Spring 2020)
Sarah Markert (Spring 2022)
Nicolas Camacho (Fall 2022)

Major Area Paper (Psychology & Neuroscience)

Lindsay Anderson (2014)
Shelley Lanpher (2014)
Emily Cherenack (2018)
Lindsay Ives (2019)
Samuel Brotkin (2020)
Jessica Coleman (2020)
Carina Fowler (2021)
Sarah Markert (2022)
Sarah Arthur (2022)

Master of Science, Thesis Projects (Duke Global Health Institute)

Maia Pelleg (Spring 2013)
Sylvia Sable (Fall 2013)
Johane Philogene (Spring 2014)
Megan Ramaiya (Spring 2015)
Yi Zhao (Spring 2015)
Jessica Guler (Spring 2016)
Asma Mirza (2016)
Martha Berg (2017)
Andi Schmidt (2017)
Yujung Choi (2017)
Jessica Mackness (2020)
Yihuan Lai (2020)
Michelle Rojas (2021)
Hiwot Zewdie (2021)
Emily Herfel (2022)

Graduation with Distinction

Ruby Reed (2014)
Aditi Sabhlok (2015)
Martha Berg (2015) *Jerome S. Bruner Award for Excellence in Undergraduate Research*
Madelaine Katz (2016)
Nourhan Elsayed (2016)
Christina Schmidt (2017)
Julia Carp (2017)
Pooja Mehta (2017)
Bianca Martin (2017)
Grace Williams (2018)
Connie Dean (2021)
Daniel Devault (2022)
Sean Woytowitz (2022)
Rachel Mundaden (2022)
Kami Pullakhandam (2022)

External Mentoring and Committees

- 2022: Tebogo Mokganyetji, University of Cape Town, *External Examiner for PhD thesis*
- 2022: Srishti Sardana, PhD student at Teachers College, Columbia University, *Internship Research Mentor (Duke University Medical Center)*
- 2022: Laura Bond, Boston College, School of Social Work, *Committee member for Area Statement (comprehensive exam document) and Dissertation*
- 2011: Jillian Larsen, University of Bradford, Department of Peace Studies, *Fieldwork Mentor for Rotary World Peace Fellowship (with IRC in Ethiopia)*
- 2009: Bridget Loday, New York University, International Community Health Internship, *Mentor for HIV prevention research experience in Kenya*

UNIVERSITY SERVICE

Psychology & Neuroscience

- 2020-Present: Clinical Anti-racism Committee, Department of Psychology & Neuroscience
- 2021: Lafitte Faculty Seed Grant Reviewer, Department of Psychology & Neuroscience
- 2020: Zener Award Thesis Reviewer, Department of Psychology & Neuroscience
- 2019-21: Advisory Council, Department of Psychology & Neuroscience
- 2017-19: Colloquium Speaker Planning Committee, Department of Psychology & Neuroscience
- 2016: Faculty Search Committee, Department of Psychology & Neuroscience

Duke Global Health Institute

- 2022-Present: Director, Global Mental Health Program, Duke Global Health Institute
- 2022: Faculty Retreat Planning Committee, Duke Global Health Institute
- 2021-2022: Duke Global Mental Health Program, Interim Faculty Lead, Duke Global Health Institute
- 2020-Present: International Partnership Working Group, Duke Global Health Institute
- 2020-Present: Mentoring Committee, Department of Pediatrics and Duke Global Health Institute (Mentee: Dorothy Dow, MD)
- 2019-Present: Doctoral Studies Committee, Duke Global Health Institute
- 2015-Present: Global Health Major/Minor Advisory Council, Duke Global Health Institute
- 2013-Present: Global Mental Health Advisory Group, Member, Duke Global Health Institute
- 2016: Mini-Conference Organizer: Technology in Global Mental Health Research, Duke Global Health Institute (awarded funding from The Africa Initiative)
- 2014-2018: Maternal Adolescent and Child Health Committee, Duke Global Health Institute
- 2015: Duke Global Health Institute Student Re-Entry Retreat, Discussion Leader
- 2013, 16, 20: Master of Science in Global Health Admissions Committee, Duke Global Health Institute

University

- 2022-23: Representative for Global Health, Arts and Sciences Council
- 2022-Present: Psychologist Continuing Education Reviewer, Duke Advanced Practice Provider Leadership Institute (APPLI) interprofessional team development initiative (Duke Health Chancellor's Office)
- 2019-Present: Clinical Consultant, The Girls Club (Duke student group that holds weekly sessions with middle school girls in Durham for psychosocial support and learning)
- 2014: Panelist, Annual meeting of Duke's Alumni Association board discussion of the Reader Project (educational program within the Thompson Writing Program)
- 2016: Faculty Speaker, Activating Scholarship Engagement among Duke University Women (ASCEND Women)
- 2016: Faculty Activity Leader, FEMMES (Females Excelling More in Math, Engineering, and Science) 10th Annual Capstone Event
- 2014-15: Member, Social Mobility Working Group, Duke Consortium on Social Equity

SERVICE TO THE DISCIPLINE

- 2021-Present: Member, Society for Prevention Research Diversity Network and Advocacy Committee
- 2021-Present: Data Safety and Monitoring Board. Promoting Healthy Families Study; Principal Investigator: Andrea Gonzalez (McMaster University, Offord Centre for Child Studies)
- 2019-Present: Data Safety and Monitoring Board Member: PeriScope: Pilot Intervention for Perinatal Depression in HIV-Affected Women (R01); Principal Investigators: Brian Pence, Angela Bengsten (University of North Carolina, Chapel Hill; Brown University)
- 2019: Steering Committee Member: Parenting for Lifelong Health – Thailand Evaluation Trials Principal Investigators: Jamie Lachman, Amalee McCoy, Frances Gardner, Catherine Ward, Sombat Tapanya, Phaiyeong Cheah (Oxford University; Mahidol Oxford Tropical Medicine Research Unit; University of Cape Town)
- 2017: Steering Committee Member: Parenting for Lifelong Health – Philippines; Principal Investigators: Jamie Lachman, Liane Alampay, Cecilia Alinea, Frances Gardner, Judy Hutchings, Catherine Ward, Bernatette Madrid (Oxford University; Universities of Ateneo de Manila, Bangor; University of Cape Town)
- 2017-Present: Data Safety and Monitoring Board Member: Building and Sustaining Interventions for Children (BASIC): Task-sharing mental health care in low-resource settings (R01); Principal Investigators: Shannon Dorsey, Kathryn Whetten
- 2015: Abstract Reviewer, International Society for Traumatic Stress Studies (ISTSS) for the 31st Annual Meeting
