

CURRICULUM VITAE

Name: Gavin M Yamey

Position: Director, Center for Policy Impact in Global Health, Duke Global Health Institute
Professor of the Practice of Global Health & Public Policy, Duke University

Address: Duke Global Health Institute
Trent Hall, Rm 113
310 Trent Drive, Durham, NC 27701, USA
Voice: 919-613-6221

email: gavin.yamey@duke.edu; skype: gavinyamey; Twitter: @gyamey

EDUCATION

1987 - 1990	Oxford University	BA	Physiological Sciences (1st class honors)
1991 - 1994	University College London	MB BS (MD equivalent)	Medicine
1997 - 1997	Royal College of Physicians	MRCP	Internal Medicine
2007 - 2007	Oxford University	MA (honorary)	Physiological Sciences
2007 - 2010	London School of Hygiene & Tropical Medicine	MPH	Public Health (distinction)

LICENSES, CERTIFICATION

1997 Membership of the Royal College of Physicians (MRCP) UK

PRINCIPAL POSITIONS PREVIOUSLY HELD

1994 - 1999	London, UK	Clinical appointments	Internal medicine
1999 - 2000	BMJ (British Medical Journal)	Editorial Fellow	
2000 - 2002	wjm: Western Journal of Medicine (co-owned by BMJ Publishing Group and University of California)	Deputy Editor	

2002 - 2004	BMJ Best Treatments (a BMJ resource)	Assistant Editor Deputy Physician Editor	
2004 - 2010	Public Library of Science (PLoS)	Senior Editor	PLoS Medicine
2004 - 2010	Public Library of Science (PLoS)	Editorial Consultant	PLoS Neglected Tropical Diseases
2010 - 2015	The Global Health Group, Global Health Sciences, UCSF	Lead Associate Professor	Evidence-to-Policy Initiative (E2Pi) Department of Epidemiology & Biostatistics

OTHER POSITIONS HELD CONCURRENTLY

1994 - 1995	Whittington Hospital (University College London Medical School) and Chase Farm Hospital London	House Officer (HO) in General Medicine and General Surgery
1995 - 1995	Departments of Renal and Respiratory Medicine, The Royal Postgraduate Hospital, Hammersmith, London	Senior House Officer (SHO) in Medicine
1996 - 1996	The National Hospital for Neurology and Neurosurgery, London	SHO in Neurology
1997 - 1997	St Bartholomew's Hospital, London	SHO in Medical Oncology
1997 - 1998	Northwick Park, London	SHO in General Medicine & Elderly Care
1998 - 1999	The Mildmay Hospital, London	SHO in HIV/AIDS Palliative Care
1999 - 1999	Regional Neurological Rehabilitation Unit (RNRU), the Homerton Hospital, London	Registrar in Neurology
2001 - 2001	Tim Albert Training Course on Medical Editing For Editors from the Developing World, Barcelona Peer Review Congress	Assistant Tutor
2002 - 2002	The Open University, United Kingdom	Honorary Consultant
2003 - 2003	World Health Organization	Adviser
2008 - 2008	TDR (the WHO/World Bank/UNICEF/UNDP Special Programme for Research and Training in Tropical Diseases)	Adviser

HONORS AND AWARDS

- | | |
|------|--|
| 1990 | Martin Wronker Prize for achievement at Oxford University (2nd highest degree in the University) |
| 1990 | St Anne's College Oxford Prize |
| 1994 | University College London Prizes for MB BS in Psychiatry, and Academic & Extracurricular Achievement |
| 1994 | University of London Prize in Pharmacology |
| 2009 | Kaiser Foundation Mini-Fellowship in Global Health Reporting |
| 2011 | Distinction for MPH degree at London School of Hygiene and Tropical Medicine (I was the only student awarded a distinction, in a class of 300 MPH students) |
| 2011 | University of London 150th Anniversary Prize for MPH performance (this prize is awarded to students who, in completing their programs, achieved the highest set of marks for the whole degree) |

KEYWORDS/AREAS OF INTEREST

Global health, health financing, aid for health, medical journalism, medical editing, peer review, health and human rights, sexual and reproductive health, HIV/AIDS, malaria, neglected tropical diseases, diseases of poverty, evidence-based medicine, health policy, evidence-based policy, global health governance, global health advocacy, health communication, maternal and child health, global health education

PROFESSIONAL ACTIVITIES**PROFESSIONAL ORGANIZATIONS**Memberships

- | | |
|-------------|---|
| 1993 - 1994 | Medact (Medical Action for Global Security, Student Member) |
| 1994 - 1999 | British Medical Association |
| 2006 - 2008 | Council of Science Editors |

Service to Professional Organizations

- | | |
|----------------|--|
| 2005 - 2007 | Member of the Council of Science Editors Task Force on Journals, Poverty and Human Development |
| 2007 - present | "Small Journals Taskforce" of the World Association of Medical Editors |
| 2008 - present | Equity Edit (charitable organization which helps to fund small, innovative, pro-poor global health organizations), Advisory Board |
| 2008 - present | Global Health Corps: mentor to Global Health Corps Fellows (www.ghcorps.org) |
| 2011 - 2011 | Participated in a USAID one-day expert workshop in Washington, DC on scaling up reproductive, maternal, neonatal, and child health interventions (the policy |

paper reporting this workshop is at

SERVICE TO PROFESSIONAL PUBLICATIONS

- 2009 - present Editorial Board Member, Health and Human Rights: An International Journal (<http://www.hhrjournal.org/index.php/hhr>), edited by Professor Paul Farmer
- 2010 - 2013 Editorial Board Member, BMJ (<http://bmj.com>)
- 2010 - present Editorial Board Member, Scholarly and Research Communication (<http://journals.sfu.ca/src/index.php/src/index>)
- 2010 - present Ad hoc referee for The Lancet; Annals of Internal Medicine; BMJ; the Biomed Central journals; Health Affairs; African Health Sciences; PLoS ONE; PLoS Medicine

INVITED PRESENTATIONS

INTERNATIONAL

- | | | |
|------|---|-----------------------------------|
| 2008 | "Voice of America" (international broadcasting service funded by the U.S. Government through the Broadcasting Board of Governors, distributed internationally) | Invited guest |
| 2010 | All Party Parliamentary Group on Malaria and Neglected Tropical Diseases, House of Commons, London (Invited by the British Government) | Invited talk |
| 2010 | Global Fund to Fight AIDS, Tuberculosis and Malaria 22nd Board meeting, Sofia, Bulgaria | Invited presentation to the Board |
| 2010 | Ad Hoc Committee of the Affordable Medicines Facility-malaria (June 2010 in London) | Invited presentation |
| 2010 | Ad Hoc Committee of the Affordable Medicines Facility-malaria (October 2010 in Geneva) | Invited presentation |
| 2011 | University of Toronto Masters of Health Science in Bioethics (September 2011) | Presentation |
| 2011 | University of Oxford/BMJ Evidence 2011 conference (October 2011) | Presentation |
| 2012 | Berkeley Global Health Leadership Forum (April 2012) | Invited presentation |
| 2012 | TEDxSF conference ('7 Billion Well') (November 2012); my talk is at http://tedxtalks.ted.com/video/TEDxSF-7-Billion-Well-Gavin-Yam | Invited presentation |
| 2012 | High Level Roundtable at the Médecins Sans Frontières/Drugs for Neglected Diseases initiative international conference on Medical Innovations for Neglected Populations (December 2012) | Invited presenter and moderator |

2013	The Lancet Symposium for the Launch of Global Health 2035 (December 2013)	Presentation on the Commission on Investing in Health
2014	United Nations Sustainable Development Goals Open Working Group (January 2014)	Presentation on the Commission on Investing in Health
2014	United Nations Foundation (January 2014)	Invited Presentation on the Commission on Investing in Health
2014	Sweden's Mission to the United Nations (October 2014)	Invited Presentation on Quantifying the Sustainable Development Goal (SDG) for Health
2014	American Society of Tropical Medicine & Hygiene (November 2014)	Invited Presentation on Post-2015 Global Health Goals

NATIONAL

2002	National Public Radio "Marketplace"	Commentator (commentary on malaria drug pricing)
2007	National Public Radio "Science Friday"	Interviewee (20 minute live interview about improving the health of the world's poorest people)
2008	Minnesota Public Radio	Interviewee (interviewed about the pros and cons of screening)
2009	National Public Radio "This American Life"	Interviewee (interviewed about prostate cancer screening)
2011	National medical student conference on global health governance (January 2011)	Invited presentation on the role of evidence in shaping global health governance and policy
2011	National Institutes of Health, 4th NIH Conference on the Science of Dissemination and Implementation, Bethesda, Maryland (March 2011)	Invited panel presentation; presented my research ("The Science of Scaling Up Evidence-Based Global Health Tools and Services: Literature Review and Key

		Informant Interviews")
2011	Yale University Unite for Sight conference (April 16, 2011)	Invited panel presentation ("Narrowing the Gap between Evidence and Action")
2011	World Affairs Council (November 15, 2011)	Invited presentation on careers in global health
2013	Center for Global Development	Invited presentation on service delivery unit costs for antiretroviral drugs, TB therapy, and bed nets
2014	US Centers for Disease Control (April 2014)	Invited presentation on the Commission on Investing in Health
2014	Swedish Parliament (November 2014)	Invited presentation on: "How Can Swedish Health Aid Contribute to a Grand Convergence in Global Health?"
2014	University of Copenhagen, Denmark (November 2014)	Invited presentation on global health goals for the post-2015 era
2014	Peking University Health Center, Beijing (September 2014)	Invited presentation on the Commission on Investing in Health
2014	Mexican Ministry of Health (December 2014)	Invited presentation on tackling Mexico's health challenges
2014	World Affairs Council (December 2014)	Invited panelist on "The Real Lessons of Ebola" (also broadcast on National Public Radio)

REGIONAL AND OTHER INVITED PRESENTATIONS

2004	UCSF Institute for Global Health	Presentation to department, faculty, and staff on open access publishing
2005	UC Davis	Presentation to faculty on how to write a scientific

		paper and get it published
2008	Global Health Education Consortium Annual Meeting, Sacramento	Presentation on scientific writing
2008	UCSF Department of Epidemiology	Grand Rounds
2008	Harvard University (September 2008)	Public Panel on health and human rights with Paul Farmer and Jim Kim of Partners in Health; Agnes Binagwaho, Chair of Rwanda's National AIDS Control Commission (now Rwanda's Minister of Health); and Professor Philip Alston, the UN Special Rapporteur on Extrajudicial Execution
2008	Planning meeting for University of California Campus-Wide School of Global Health	Invited after-dinner speaker
2010	University of California Inaugural Campus-Wide Global Health Day, Panel II-Global Health Educational and Service Programs	Invited presentation: "The Science of Scaling Up Evidence-Based Global Health Tools and Services: Literature Review and Key Informant Interviews"
2010	International Health Interest Group of Northern California	Guest speaker
2011	International Health Interest Group of Northern California (February 20, 2011)	Invited presentation
2011	Institute of Health Metrics and Evaluation (March 9, 2011)	Invited presentation of my research on benchmarks of success in the Affordable Medicines Facility-malaria
2011	Stanford University chapter of Universities Allied for Essential Medicines (November 15, 2011)	Presentation on neglected tropical diseases
2012	UC Global Health Day (February 4, 2012)	Invited panel presentation (on "Maintaining the Gains in Global Malaria Control")
2012	California Pacific Medical Center - Annual International Health Grand Round	Invited presentation on global eye health
2013	UCSF - San Francisco Launch of <i>Global Health 2035</i> (December 2013)	Presentation on the Commission on Investing in Health

2014	Columbia University (February 2014)	Invited presentation on the Commission on Investing in Health
2014	Duke University (April 2014)	Invited presentation on the Commission on Investing in Health
2014	Bill & Melinda Gates Foundation (July 2014)	Invited presentation on the Commission on Investing in Health

GOVERNMENT AND OTHER PROFESSIONAL SERVICE

2008 - 2008	Bethesda Meeting on Open Access Publishing, Howard Hughes Medical Institute, organized by the National Library of Medicine at the NIH	Participant and presenter
2012 - present	Lancet Commission on Investing in Health, chaired by Lawrence H Summers and co-chaired by Dean Jamison (http://GlobalHealth2035.org)	Invited member (Commissioner) & Lead Scientific Writer
2013 - 2013	Value for Money in Global Health Working Group, convened by the Center for Global Development	Invited member
2013 - present	Lancet Commission on Global Surgery (http://www.globalsurgery.info/)	Invited member (Commissioner); chair of the Finance and Economics Working Group of the Commission

UNIVERSITY AND PUBLIC SERVICE

UNIVERSITY SERVICE

UNIVERSITY OF CALIFORNIA SYSTEM-WIDE

2009 - 2009	Peer Review Committee for the proposed University of California School of Global Health	The Peer Review Committee, on which I served, considered ten different curriculum proposals from across the UC system.
2011 – 2011	UCSF Global Health Sciences, Office of the Executive Director: Assessment of the Feasibility of Launching a UCSF/UC Berkeley Center for	Dr Jaime Sepulveda (Executive Director, UCSF Global Health Sciences) invited me to lead a 6-week

Vaccine Equity

scoping project to assess the feasibility of launching this center; I interviewed a dozen UCSF/UC Berkeley academics as part of this project.

2014 Chair, Departmental Communication Sub-Committee, Department of Epidemiology & Biostatistics, UCSF

DUKE UNIVERSITY

2015 to present Associate Director for Policy, Duke Global Health Institute

2016 to present Board of Advisers, World Food Policy Center, Duke University

2015 to present Board of Advisers, Evidence Lab, Duke Global Health Institute

2015 to present Board of Advisers, Global Women's Health Technologies Center, Duke Global Health Institute and Pratt School of Engineering

SUMMARY OF SERVICE ACTIVITIES

I direct the Center for Policy Impact, a new policy lab, launching December 1, 2016, that combines research, policy analysis, and deep engagement with policymakers to tackle major strategic questions in global health related to financing and delivery. The lab has received \$2.5 million in funding for its launch phase, including a \$2 million grant from the Bill & Melinda Gates Foundation. In addition to directing the center, I am also the Associate Director for Policy at the Duke Global Health Institute, overseeing all aspects of the institute's policy research and activities. I teach masters and undergraduate level courses in translating evidence into policy in global health. I am the Director of the Duke Geneva Global Health Fellows Program.

Winter	2014-2015	GHS 203B, Global Health Practice Seminar	Lecturer: how to write a scientific paper and get it published; 60 minute class	N/A	40

GENEVA GLOBAL HEALTH FELLOWSHIP

I am the Director of the Global Health Track of the Duke Geneva Program on Global Governance (<https://sanford.duke.edu/academics/geneva-program/global-health>). The Global Health track combines internships with an intensive course entitled “PubPol860: Aid stagnation, shifting disease burdens, and the SDGs: how will global health meet these challenges?” providing students a unique opportunity to learn first-hand how global health policy is formulated and implemented.

POSTGRADUATE AND OTHER COURSES

- 2000 - 2000 Royal Society of Medicine (UK): taught a course attended by junior doctors on how to write and publish a research paper
- 2001 - 2001 Assistant Tutor, Training Course on Medical Editing and Journalism For Editors from the Developing World, Barcelona Peer Review Congress, Barcelona, Spain
- 2003 - 2003 Adviser to the WHO: ran a three day training course on medical editing for African health journal editors, Addis Ababa, Ethiopia. The course was sponsored by the Special Programme for Research and Training in Tropical Diseases (TDR), and was open to members of FAME, the Forum for African Medical Editors

INFORMAL TEACHING

- 2010 Organized and hosted a UCSF Global Health Sciences (GHS) Town Hall/Works in Progress: Dr Cathy Zimmerman, London School of Hygiene & Tropical Medicine (The health of trafficked and asylum-seeking women); lecture was highlighted in the San Francisco Examiner
- 2010 San Jose State University: Global Health Career Night (1 hour lecture to undergraduates, on pathways to a career in global health)
- 2010 GHS Lecture Series at UCSF, Parnassus campus: Narrowing the gap between evidence and action (1 hour lecture)
- 2010 Hosted and chaired GHS Lecture Series at UCSF, Parnassus Campus: Dr Dominic Montagu (Build it and they will not come: new data on attended deliveries in Africa and Asia)
- 2010 Co-organized a joint GHS and UCSF Medical Humanities lecture, Parnassus campus: Peter Orner, Annie Holmes, Shonali Shome (The crisis in Zimbabwe: health and health care implications)
- 2010 University of Washington: Defining metrics of success for the Affordable Medicines Facility-malaria (90 minute lecture, by teleconference, to health economics fellows)
- 2010 University of Toronto: How to write an ethics commentary for a general medical journal (90 minute lecture, by teleconference, to students in the masters of health

- sciences in bioethics program)
- 2010 University of California Berkeley: global health reporting (taught a 90 minute class to the masters in journalism students)
 - 2010 Panel presentation at UCSF Nursing School on how to write a paper and get it published
 - 2011 UCSF Global Health Governance Summit, organized by the American Medical Students Association (30 minute lecture, followed by 30 minute discussion, on "global health decision making: politics versus evidence")
 - 2011 Organized a panel at the American Society of Tropical Medicine & Hygiene and Tropical Medicine, on Maintaining the Gains in Global Malaria Control, chaired by Professor Awa Marie Coll-Seck, Executive Director, Roll Back Malaria
 - 2011 Gave a lunchtime seminar at UCSF Global Health Sciences on how to write a scientific paper
 - 2011 Guest Lecturer, UC Berkeley (to the joint MPH/Masters in Journalism students) on writing about malaria in the popular press
 - 2012 Guest Lecturer, UC Berkeley, PH212 Global Health Course (lectured on translating evidence into policy in global health)
 - 2012 Guest Lecturer, UC Berkeley Accelerated MPH Program for mid-career professionals (lectured on conducting policy research, 2 hours)
 - 2012 Recorded a 1-hour video lecture at the medical library, Parnassus Campus, UCSF, on how to write a paper and get it published; this lecture has been archived and is now available in perpetuity to all students and faculty at UCSF
 - 2013 Guest Lecturer, UC Berkeley, PH212 Global Health Course (lectured on translating evidence into policy in global health)
 - 2013 Guest Lecturer, UC Berkeley Accelerated MPH Program for mid-career professionals (lectured on conducting policy research, 2 hours)
 - 2014 Guest Lecturer, UC Berkeley, PH212 Global Health Course (lectured on translating evidence into policy in global health)
 - 2014 Guest Lecturer, UC Berkeley Accelerated MPH Program for mid-career professionals (lectured on conducting policy research, 2 hours)

TEACHING NARRATIVE

I am on the teaching faculty for the Duke University Masters in Science in Global Health, and devote 15% of my effort to teaching a masters level course on translating evidence into policy in global health. I am also on the teaching faculty for Duke University Arts and Sciences, and devote 15% of my effort to teaching an undergraduate level course on the same topic.

MENTORING

PREDOCTORAL STUDENTS SUPERVISED OR MENTORED: UCSF

Dates	Name	Program or School	Role	Current Position
2011 - 2012	Megan Tan	UCSF MS Global Health	Faculty Mentor and Capstone project supervisor (Research Mentor)	MS student
2011 - 2012	Marya Kudiya	UCSF MS Global Health	Faculty Mentor	MS student
2011 - 2012	Alex Rosinski	UCSF MS Global Health	Capstone project supervisor (Research Mentor)	MS student
2011 - 2012	Jonathan Daus	UCSF MS Global Health	Capstone project supervisor (Research Mentor)	MS student
2012 - 2013	Laura Pasternack	UCSF MS Global Health	Faculty Mentor	MS student
2012 - 2013	Sire Sow	UCSF MS Global Health	Capstone project supervisor (research mentor)	MS student
2012 - 2013	Sarah Ghattass	UCSF MS Global Health	Capstone project supervisor (research mentor)	MS student
2013 - 2014	Josh Beicher	UCSF MS Global Health	Capstone project supervisor (research mentor)	MS student
2013 - 2014	Katherine Lee	UCSF MS Global Health	Capstone project supervisor (research mentor)	MS student
2014 - 2015	Sara Kassabian	UCSF MS Global Health	Capstone project supervisor (research mentor) and Faculty Mentor	MS student
2014 - 2015	Priscilla Colon	UCSF MS Global Health	Faculty Mentor	MS student
2014 - 2015	Laila Soudi	UCSF MS Global Health	Faculty Mentor	MS student

POSTDOCTORAL FELLOWS AND RESIDENTS DIRECTLY SUPERVISED OR MENTORED: UCSF

Dates	Name	Fellow	Faculty Role	Current Position
-------	------	--------	--------------	------------------

Dates	Name	Fellow	Faculty Role	Current Position
2009 - 2010	Janani Krishnaswami	UCSF resident in internal and preventive medicine	Mentorship involved teaching Janani about medical editing, commissioning, writing, and peer review.	4th year resident
2011 - 2012	Marwa Shoeb	UCSF Department of Internal Medicine	1 year mentorship on global health policy and advocacy	Postdoctoral Fellow

MENTORING NARRATIVE

I maintain a major mentoring role within the UCSF MS in Global Health program. I am also a Faculty Mentor on the University of California Global Health Institute's GloCal Health Fellowship Program (<http://glocalfellows.org>) and I mentor one Global Health Corps Fellow every year (<http://ghcorps.org/>).

TEACHING AND MENTORING AIDS

LEARNING MODULES FOR PRIMARY CARE PHYSICIANS (all available at <http://learning.bmj.com/learning/home.html>)

- How to write effectively
- How to write a research paper and get it published
- Post-traumatic stress disorder: diagnosis
- Post-traumatic stress disorder: prevention and treatment
- Interactive clinical case history: Accepting gifts and hospitality from drug companies
- The influence of the pharmaceutical industry on medical publishing
- Bell's palsy
- Accepting gifts and hospitality from drug companies
- Care of patients after a myocardial infarction

UNIVERSITY COURSES

I created a teaching module on evidence-based complementary medicine for the Open University, UK.

I teach a one-year MPH course, called Health Policy: Process and Power, at the London School of Hygiene & Tropical Medicine, by distance learning. I am the course director for this course, and manage an international team of a dozen tutors and exam markers.

SUMMARY OF TEACHING AND MENTORING HOURS

2010 - 2011	54 total hours of teaching (including preparation) Formal class or course teaching hours: 7 hours Informal class or course teaching hours: 7 hours
2011 - 2012	208 total hours of teaching (including preparation) Formal class or course teaching hours: 36 hours Informal class or course teaching hours: 3 hours Mentoring hours: 72 hours
2012 - 2013	77 total hours of teaching (including preparation) Formal class or course teaching hours: 32 hours Informal class or course teaching hours: 3 hours Mentoring hours: 72 hours
2013 - 2014	77 total hours of teaching (including preparation) Formal class or course teaching hours: 32 hours Informal class or course teaching hours: 3 hours Mentoring hours: 72 hours
2014 - 2015	77 total hours of teaching (including preparation) Formal class or course teaching hours: 32 hours Informal class or course teaching hours: 3 hours
2015 - 2016	30% FTE on teaching
2016 - 2017	30% FTE on teaching

Books and Book Chapters

1. **Yamey G,** Greenwood R. The physical consequences of neurological disability. Chapter in: *Neurological Rehabilitation*, eds: R Greenwood, M P Barnes, T M McMillan, C D Ward, 2nd edition. This chapter summarizes current knowledge of how disability and consequent immobility can have harmful physical consequences. It incorporates recent studies showing the physical benefits of exercise training in patients with neurological disability. The book is widely considered to be the definitive textbook on neurological rehabilitation.
2. Heller T, Heller D, **Yamey G.** A critical look at orthodox medical approaches. Chapter in: *Complementary and Alternative Medicine: Structures and Safeguards*, eds: Lee-Treweek G, Heller T, MacQueen H, Stone J, Spurr S. Oxford: Routledge, 2005. This chapter examines

evidence-based medicine, the forces driving it, and its strengths and weaknesses. It discusses why physicians have been slow to adopt evidence-based medical practices, as well as the role of the placebo effect in medicine.

3. **Yamey G.** Is there any hope for tackling the world's most neglected diseases? Chapter in: Exclusion and the Right to Health: The Role of Health Professionals. Edhucasalud, Lima, Peru, 2007. In this chapter, I first define the neglected tropical diseases, discussing the various ways in which they can be considered neglected. I then discuss the "silent revolution" that is happening in disease control efforts: new public-private partnerships, new interest from donors, scale up of mass drug administration, integrated control, and the launch of PLoS Neglected Tropical Diseases.

4. Brown GW, **Yamey G**, Wamala S (eds). The Handbook of Global Health Policy. Published online by Wiley-Blackwell in April 2014; hard copy published June 2014. At <http://www.wiley.com/WileyCDA/WileyTitle/productCd-0470674199.html>. This is one of a series of Handbooks of Global Policy; the series is aimed at masters and doctoral students. I co-authored two chapters in the book.

Other Publications, including Op-Eds and Newspaper Features

1. **Yamey G.** Abstinence. BMJ 2000; 321:1538a. A critique of websites that promote abstinence to teens and the potential influence that these may have on sexual health.
2. King J, **Yamey G**, Smith R. For and against: Why journals should not publish articles funded by the tobacco industry. BMJ 2000;321:1074.
3. **Yamey G.** Neurological examination: feel the fear and then do it anyway. Student BMJ 2000;07.
4. **Yamey G.** Looking after patients who won't look after themselves. Student BMJ 2000;08:1–44
5. O-Neal Roach, **Yamey G.** Will more advertising destroy the student BMJ? Student BMJ 2000;08:259–302
6. **Yamey G.** A choice image. . BMJ 2001;322:1496. An analysis of a US advertising campaign for mifepristone, the early pregnancy abortion pill.
7. **Yamey G.** You can always pop a pill. BMJ 2001;322:804. An analysis of US adverts for HIV medications.
8. **Yamey G.** The milk of human kindness. BMJ 2001;322:57. An analysis of how the Wall St Journal covered the issue of breast versus bottle feeding of infants in African countries with high rates of HIV.
9. **Yamey G**, Wilkes M. Prostate cancer screening—is it worth the pain? San Francisco Chronicle, Jan 18 2002. At <http://www.sfgate.com/opinion/openforum/article/Prostate-cancer-screening-Is-it-worth-the-pain-2882418.php>

10. **Yamey G.** The curious adoption of John Q. BMJ 2002;324:551. An analysis of how US health insurance companies seized upon this movie (starring Denzel Washington) to further their own agendas.
11. **Yamey G, Wilkes M.** The PSA storm. BMJ 2002;324:431. An analysis of the backlash against us after we wrote an Op-Ed in the San Francisco Chronicle arguing that prostate cancer screening is not based on sound evidence from randomized controlled trials.
12. **Yamey G.** Africa's visionary editor. BMJ 2003;327:832. A profile of Professor James Tumwine, editor of the Ugandan journal African Health Sciences, which was rapidly indexed on PubMed soon after its launch.
13. **Yamey G.** Building hope. BMJ Career Focus, Jul 2003;327:30s. A profile of Dr Dingle Spence, consultant in palliative medicine, who is building Jamaica's first ever public sector hospice.
14. **Yamey G.** Gay tobacco ads come out of the closet. BMJ 2003;327:296. An analysis of tobacco adverts that are targeted specifically at the US gay community.
15. Howard K, **Yamey G.** Magazine's HIV claim rekindles "gay plague" row. BMJ 2003;326:454. An analysis of an article in Rolling Stone magazine about "bug chasers" (gay men who are alleged to deliberately seek to become HIV positive).
16. **Yamey G.** Renaissance woman. BMJ Career Focus, Jan 2004;328:37s. An interview with Dr Desiree Cox-who has a PhD in medical history, founded a charity to promote live music in hospitals, sings jazz, and is a psychiatrist and public health physician.
17. Ekman P, **Yamey G.** Emotions revealed: gripped by emotion Paul Ekman and Gavin Yamey. BMJ Career Focus, Feb 2004;328:85-86.
18. Ekman P, **Yamey G.** Emotions revealed: recognizing facial expressions. BMJ Career Focus, Feb 2004;328:75-76.
19. **Yamey G.** Which single intervention would do the most to improve the health of those living on less than \$1 per day? PLoS Med 2007;4(10): e303. broadcast of National Public Radio's Science Friday, hosted by Ira Flatow (listen at <http://www.npr.org/templates/story/story.php?storyId=15667128>)
20. **Yamey G.** Malaria in Africa: the net gains of keeping mosquitoes at bay. The Telegraph, October 5, 2009. At http://www.telegraph.co.uk/health/children_health/6255763/Malaria-in-Africa-The-net-gains-of-keeping-mosquitoes-at-bay.html
21. **Yamey G.** Do schools hold the key to controlling parasitic diseases? BMJ 2010;340:1222-3.
22. **Yamey G, et al.** E2Pi profile of the Global Fund, first published May 2012, updated March 2014, at <http://globalhealthsciences.ucsf.edu/sites/default/files/content/ghg/e2pi-global-fund-profile.pdf>

23. **Yamey G**, et al. E2Pi profile of the GAVI Alliance, published May 2012, updated April 2014, at <http://globalhealthsciences.ucsf.edu/sites/default/files/content/ghg/e2pi-gavi-profile.pdf>
24. **Yamey G**, et al. E2Pi profile of UNITAID, published May 2012, updated July 2014, at <http://globalhealthsciences.ucsf.edu/sites/default/files/content/ghg/e2pi-unitaid-profile.pdf>
25. **Yamey G**, et al. E2Pi profile of the World Bank, published February 2013, at <http://globalhealthsciences.ucsf.edu/sites/default/files/content/ghg/e2pi-world-bank-profile.pdf>

RADIO AND TELEVISION INTERVIEWS

1. Commentator on the show “Marketplace.” I discussed the urgent need to roll out artemisinin-based combination therapy to treat malaria in Africa (commentary at http://www.marketplace.org/shows/2003/12/04_mpp.html)
2. Guest on National Public Radio’s “Science Friday,” on “Talk of the Nation.” I discussed a feature that I wrote for PLoS Medicine called “Which Single Intervention Would Do the Most to Improve the Health of Those Living on Less Than \$1 Per Day?” (listen at <http://www.npr.org/templates/story/story.php?storyId=15667128>)
3. Guest on “Voice of America,” which reaches 134 million people worldwide. Discussed an editorial that I wrote, called “A Crucial Role for Surgery in Reaching the UN Millennium Development Goals” (listen at <http://www.voanews.com/english/news/a-13-2008-08-29-voa26.html>).
4. Guest on Minnesota Public Radio. Discussed an editorial that I wrote called “False Hopes, Unwarranted Fears: The Trouble with Medical News Stories” (listen at <http://minnesota.publicradio.org/display/web/2008/05/27/faulty/>).
5. Interviewee for National Public Radio’s “This American Life.” Discussed screening for prostate cancer (listen at <http://www.thisamericanlife.org/radio-archives/episode/391/transcript>)
6. Interviewee for NBC television, nightly news, August 6, 2014. Discussed my recent trip to Sierra Leone, which was battling an Ebola outbreak (watch at <http://www.nbcbayarea.com/video/#!/on-air/as-seen-on/Bay-Area-Doctors-Return-From-Ebola-Affected-Western-Africa/270257971>).
7. Interviewee for KRON 4, nightly news, August 8, 2014. “Bay Area doctors discuss Africa’s Ebola outbreak” (watch at <https://www.youtube.com/watch?v=PNGI0dFFYCA>).
8. Interviewee for ABC television, nightly news, Sept 4, 2014. Discussed Ebola control efforts (watch at <http://abc7news.com/health/bay-area-experts-see-key-to-ebola-fight/295585/>).
9. Interviewee for KPFA public radio, Sept 10, 2014. “Dan Kelly and Gavin Yamey speak on the alarming spread of Ebola” (listen at <https://soundcloud.com/kpfa-fm-94-1-berkeley/dan-kelly-and-gavin-yamey-lpeak-on-the-alarming-lpread-of-ebola>).

10. Interviewee for “Health, Wealth and Wisdom” show on public radio on WMGG, December 19, 2014. Discussed men’s health globally (listen at <https://soundcloud.com/senior-voice-america/health-wealth-wisdom-12-19-on-am1250-whnz-h1>; my interview is from 11:25 to 32:15).
