

## CURRICULUM VITAE

Date Prepared: January 27, 2022

**Name:** Mina Ruth Silberberg, M.A., Ph.D.

**Primary Academic Appointment:** Community and Family Medicine

**Present academic rank and title:** Associate Professor, Track II

**Date and rank of first Duke Faculty appointment:** August 2003, Assistant Professor, Track V

**Medical Licensure: North Carolina License: #** N/A **Specialty certification(s)** N/A

**Date of Birth:** April 28, 1961 **Place:** New York, NY.

Education:	Institution	Date	Degree
High School	Horace Greeley High School	6/78	
College	Harvard-Radcliffe	6/82	A.B. (magna cum laude)
Graduate	University of CA at Berkeley	6/85	M.A. (Political Science)
		6/92	Ph.D. (Political Science)

**Scholarly societies (Alpha Omega Alpha, Sigma Xi, Phi Beta Kappa, etc.):** N/A

### Professional Training and Academic Career:

<u>Institution</u>	<u>Position/Title</u>	<u>Dates</u>
University of CA at San Francisco	Post-Doctoral Fellow (NIA/Pew)	7/92-6/94
Rutgers University-Camden	Asst. Prof./Coordinator, Health Care Concentration	8/94-5/99
Rutgers Center for State Health Policy	Asst. Research Prof./Policy Analyst	6/99-6/00
	Asst. Research Prof./Senior Policy Analyst	6/00-6/03
Duke University Medical Center	Asst. Prof.	
Division of Community Health	Director of Evaluation	8/03-4/07
	Asst. Prof.	
	Director of Research and Evaluation	5/07- 6/12
	Asst. Prof.	
	Vice Chief for Research and Evaluation	7/12-1/13
	Associate. Prof.	
	Vice Chief for Research and Evaluation	1/13 - present
Duke Center for Community Research	Faculty, Liaison Team	9/06-8/11
Duke Council on Race and Ethnicity	Faculty Affiliate	1/2016 - present
Duke Margolis Center for Health Policy	Core Faculty	8/19 - present
Duke Global Health Institute	Faculty	9/20 - present
Community Engaged Research Initiative	Director	5/21 – present

- 10) **Silberberg M** et al. Healthy Places North Carolina Four-Year Evaluation Report. Submitted to the Kate B. Reynolds Charitable Trust August 31, 2017.
- 11) **Silberberg M** et al. Healthy Places North Carolina County-Specific Reports (series of 6). Submitted to the Kate B. Reynolds Charitable Trust December 31, 2018.
- 12) Durham County Department of Public Health, Durham Community Health Assessment, 2017 [Contributor.]
- 13) Durham County Department of Public Health, Durham Community Health Assessment, 2020. [Contributor.]
- 14) At the Division of Community Health, my team and I produce smaller-scale written reports and oral briefings on division programs on a rolling basis. Examples are available upon request.
- 15) My team and I also have produced smaller-scale written reports and oral briefings for clients (Kate B. Reynolds Charitable Trust, Project Access of Durham County, etc.) on a rolling basis. Examples are available upon request.

## 6. Other:

- 1) Survey published in HPOE. Creating Effective Hospital-Community Partnerships to Build a Culture of Health. Report of the American Hospital Association issued August 5, 2016.

## Presentations and Posters:

### 1. Invited Presentations – Duke:

- 1) Yarnall KSH, and **Silberberg M**. Lyon Park. Invited presentation to the Duke University Medical Center Family Medicine Noon Conference, January 23, 2005.
- 2) **Silberberg M**. Health Disparities: What Should We Do? Invited presentation to the Duke University Health System Diversity Leadership Group, April 4, 2008.
- 3) **Silberberg M**. Health Disparities: What Should We Do? (This is not a rhetorical question.) Invited presentation to Duke Raleigh Hospital's 1st Annual Healthcare Symposium, November 1, 2008.
- 4) **Silberberg M**, Black MA, and McMillon A. Addressing Racial Health Disparities in Type 2 Diabetes: The African-American Health Improvement Partnership of Durham, NC. Invited presentation to the Center for the Study of Race, Ethnicity, and Gender in the Social Sciences at Duke University, February 19, 2009.
- 5) **Silberberg M** and Elliott-Bynum S. Addressing Racial Health Disparities in Type 2 Diabetes: The African-American Health Improvement Partnership of Durham, NC. Invited presentation to the Duke University Medical Center Family Medicine Noon Conference, March 13, 2009.
- 6) Wiley J, **Silberberg M**, Boone W, Robinson S, O'Daniel K, Elliott-Bynum S, James S. The Utility of a Diabetes Improvement Initiative for Newly-Diagnosed African Americans with Type 2 Diabetes Versus Those with a Long-Established Diagnosis of Type 2 Diabetes. Poster presentation presented at the Duke University School of Medicine Medical Student Research Day (AOA Day), Durham, NC, August 2010.
- 7) **Silberberg M**. Community-Engaged Research. Presentation for the Duke Office of Clinical Research Research Wednesdays, Durham, NC, March 12, 2014.

- 8) Biederman D, Carmody C, and **Silberberg M**. Increasing Housing Stability: Assessing Promising Tenancy Support Models to Inform Local, State, and National Policy and Practice. Presentation at the Margolis Seminars in Health Policy & Management, February 10, 2017.
- 9) **Silberberg M**. Community-Engaged Population Health Research: A Possible Next Step for CAFO Research? Presentation at the Fall Forum of the Duke Environmental Health Scholars Program, November 1, 2018.
- 10) Biederman D, Carmody C, and **Silberberg M**. Increasing Housing Stability: Assessing Promising Tenancy Support Models to Inform Local, State, and National Policy and Practice. Presentation at the Margolis Seminars in Health Policy & Management, June 28, 2019.
- 11) Biederman D, Carmody C, and **Silberberg M**. Increasing Housing Stability: Assessing Promising Tenancy Support Models to Inform Local, State, and National Policy and Practice. Grand Rounds presentation, Department of Family Medicine and Community Health, December 8, 2020.

## 2. Invited Presentations – Regional and National:

- 1) Invited participant in roundtable Improving Access to Affordable Health Insurance & Quality Health Care. The annual policy conference of the Hispanic Business Roundtable, April 2000.
- 2) **Silberberg M**, Cantor J, Holmes LJ, and Like, R. Addressing Racial and Ethnic Disparities: A Framework for State Action. Presentation to the Robert Wood Johnson New Jersey Health Initiative Grantees, Spring Lake, New Jersey, May 2000.
- 3) **Silberberg M** and Caruso D. New Jersey's Statewide Respite Care Program: A Study of Program Design, Implementation, Clients, and Services. Presentation to the American Society on Aging -- National Conference on Aging Joint Conference, New Orleans, March 9, 2001.
- 4) **Silberberg M**, Caruso D, and Nearon P. New Jersey's Statewide Respite Care Program: Program Design, Implementation, Clients, and Services. Presentation to the Alzheimer's Association Public Policy Forum, Washington D.C., April 1, 2001.
- 5) **Silberberg M**. Respite Care: State Policy Trends and Model Programs. Commissioned issue brief presented at the Family Caregiver Alliance's State Leadership Conference on Long-Term Care and Caregiving, San Francisco, October 26-27, 2001.
- 6) **Silberberg M** and Nearon P. New Jersey's Statewide Respite Care Program: History, Design, Implementation, Clients, and Services. Presentation to the Annual Conference of the New Jersey Alzheimer's Association, Princeton, New Jersey, April 23, 2002.
- 7) **Silberberg M**. Supporting New Jersey's Caregivers: Where the Formal and the Informal Meet. Presentation at the New Jersey Office of Legislative Services Symposium Health Care in an Aging Society: A Symposium for Policymakers, Trenton, New Jersey, April 15, 2003.
- 8) Femia E, Nearon P, and **Silberberg M**. Learning from Caregiver Research: Lessons for Practice. Continuing Education Intensive for the American Society on Aging 2003 Summer Series on Aging, Philadelphia, PA, July 15, 2003.
- 9) **Silberberg M** and Quinn WV. The Greying of New Jersey: The State's Response. Workshop at the annual conference of the Society on Aging of New Jersey. Monroe Township, NJ, November 12, 2003.
- 10) Lyn M, **Silberberg M**, and Michener JL. Care Culture and System Redesign-Based Strategies: Community-Engaged Models of Team Care. Commissioned paper presented at the Institute of Medicine Workshop "The Healthcare Imperative: Lowering Costs and Improving Outcomes: Strategies That Work," July 16-17, 2009.
- 11) **Silberberg M**. Lessons Learned by a Community-Engaged Researcher. Invited presentation for the Research Permissions Management System Lessons Learned Teleconference, January 29, 2010.

- 12) **Silberberg M**, Tate-Williams F, and Brown C. "The African-American Health Improvement Partnership." Presentation at the Regional Workshop "Outcomes That Matter: Translating Community-Engaged Research into Improved Health," sponsored by the APTR. Durham, NC: April 15, 2010.
- 13) **Silberberg M**, Weaver S, Myers D, Schneider S, McDonald M, Gregory B. Using social networking analysis to understand relationships among campus and community partners. Presented at the CTSA Community Engagement and Social Network Analysis Workshop," Sacramento: September 23, 2010.
- 14) **Silberberg M**. "IN4Kids: Integrating Nutrition for Kids Study Findings." Presentation. for Pediatric Grand Rounds at the Brody School of Medicine, East Carolina University, April 13, 2011.
- 15) Halstater B, Martinez-Bianchi V, **Silberberg M**, Kingsolver K, Tran A, Murphy G. *Population Health Improvement Leadership Curriculum at the Duke Family Medicine Residency Program*. Seminar presented at the University of California, Los Angeles Family Health Center, June 2013.
- 16) **Silberberg M** and Balbino R. Population Health Improvement and Leadership. Presentation at the I<sup>3</sup> Collaborative Learning Together Session, Cabarrus Family Medicine, October 19, 2013.
- 17) **Silberberg M**. Using Community-Based Participatory Research to Improve the Health of African Americans in Durham, North Carolina. Presentation at Symposium on John Henryism and Social Inequality, Sanford School of Public Policy, Duke University Durham NC, March 13, 2014 (national event).
- 18) **Silberberg M**. Member of Discussion Panel: Diverse, Equitable, & Inclusive EE Evaluation. Environmental Education Evaluation Convening, Nicholas School of the Environment, September 22, 2018 (national meeting).
- 19) **Silberberg M** and Carmody C. Research-Community Partnerships to Support Ending Homelessness: A Case Study of Research on Tenancy Support Services. Annual Meeting of the North Carolina Coalition to End Homelessness, May 22, 2019.
- 20) **Silberberg M**. Member of Discussion Panel: Community Engagement. NIEHS Superfund Research Centers EPA Region 4 Meeting, August 2, 2021.

### 3. Peer Reviewed Presentations:

- 1) **Silberberg M**. Change and Continuity in 'Extra-Clientelist' Politics: Alternative Organizations of the Venezuelan Poor. Paper presented at the annual meeting of the Latin American Studies Association, Washington D.C., April 1991.
- 2) **Silberberg M**. Informal and Formal Democracy in Grassroots Federations. Paper presented at the annual meeting of the Western Political Science Association, San Francisco, March 1992.
- 3) **Silberberg M**, Estes CL, and Harrington C. The Politics of Uncertified Home Care Regulation and Financing. Paper presented at the annual meeting of the American Public Health Association, San Francisco, October 1993.
- 4) **Silberberg M**. NGO Evolution and the Experience of Linkage. Paper presented at the annual meeting of the American Society for Public Administration, Philadelphia, July 1997.
- 5) **Silberberg M**, Howell-White S, and Palmer S. Transitions to the Community: A Survey of Former Nursing Home Residents Discharged After Community Choice Counseling. Paper presented at the annual meeting of the Eastern Evaluation Research Society, Atlantic City, NJ, March 2000.
- 6) Trail T, Fox K, Cantor J, **Silberberg M**, Belloff D, and Crystal S. States' Approaches to Pharmacy Benefit Program Design. Paper presented at the annual meeting of the Gerontological Society of America, San Diego, November 23, 2003.
- 7) Hart-Brothers, EM, James SA, **Silberberg M**, Muhlbaier LH, Bright C, Williams F. Treatment Affordability: Doctor-Patient Race and Gender Concordance, and Poor Glucose Control in African

- Americans. National Medical Association Annual Convention & Scientific Assembly, Atlanta, July 26-31, 2008.
- 8) James SA, Muhlbaier L, **Silberberg M**, and Sullivan A. A CBPR Approach to Improving Diabetes Control in African-Americans. NIH Summit on the Science of Eliminating Health Disparities, National Harbor, MD, Dec 16, 2008.
  - 9) Murphy G, **Silberberg M**, Carter-Edwards L, Mayhew M and Graham C. Update on IN4Kids: Integrating Nutrition for Kids. Presentation to the North Carolina Dietetic Association, April 19, 2010.
  - 10) Murphy G, Carter-Edwards L, Mayhew M, Kolasa K and **Silberberg M**. IN4Kids: Integrating Nutrition for Kids Study Findings. Presentation to the North Carolina Dietetic Association, Winston-Salem, April 17-19, 2011,
  - 11) **Silberberg M**, Halstater B, and Martinez-Bianchi V. Teaching Community-Engaged Population Health Research to Family Medicine Residents: A New Duke Approach. Presentation at the 44th Annual Spring Conference of the Society of Teachers of Family Medicine, New Orleans, April 27 - May 1, 2011.
  - 12) Halstater B, **Silberberg M**, and Martinez-Bianchi V. Teaching Community-Engaged Population Health Research to Family Medicine Residents: A New Duke Approach. Workshop at the AAFP Annual Workshop for Directors of Family Medicine Residencies, Kansas City, MO, June 12-14, 2011.
  - 13) **Silberberg M**, Martinez-Bianchi V, **Halstater B**, Murphy G, Ali R, Krause K, Østbye T. Teaching Community-engaged Population Health Research to Family Medicine Residents: A New Duke Approach. Work in Progress Presentation presented at the STFM 44th Annual Spring Conference, New Orleans, LA, April 29<sup>th</sup>, 2011.
  - 14) Martinez-Bianchi V, **Silberberg M**, Halstater B. Creating a Patient Centered Medical Home With a Population-based Approach. Roundtable Discussion of Scholarly Activity presented at the STFM 44th Annual Spring Conference, New Orleans, LA, April 30<sup>th</sup>, 2011.
  - 15) Murphy G, **Silberberg M**, Carter-Edwards L, Mayhew M, and Kolasa K. IN4Kids: Integrating Nutrition for Kids Study Findings. Presentation to the American Dietetic Association Food & Nutrition Exposition, San Diego, September 24-27, 2011.
  - 16) Martinez-Bianchi V, Halstater B, **Silberberg M**, Kingsolver K, Tran A, Murphy G. Population Health Improvement Leadership Curriculum at the Duke Family Medicine Residency Program. Seminar presented at the STFM 45<sup>th</sup> Annual Spring Conference, Baltimore, MD, May 4<sup>th</sup>, 2013.
  - 17) Halstater B, **Silberberg M**, Martinez-Bianchi V. Population Health: A Curriculum to Teach the Next Generation of Residents. Workshop presented at the AAFP Program Directors Workshop, Kansas City, Kansas, March 28, 2014.
  - 18) Martinez-Bianchi V, Halstater B, **Silberberg M**, Murphy G, Pugno P, Strand de Oliveira J. Population Health Competencies and Milestones for Family Medicine, Seminar presented at the STF 46<sup>th</sup> Annual Spring Conference, San Antonio, TX, May 5, 2014.
  - 19) Martinez-Bianchi B, **Silberberg M**, Halstater B, Strand de Oliveira J. Public Health and Primary Care Together: A Practical Playbook and a Population Health Leadership Curriculum. Seminar presented at the STF 46<sup>th</sup> Annual Spring Conference, San Antonio, TX, May 6, 2014.
  - 20) **Silberberg M** et al. Evaluating Emergent, Place-Based Initiatives: Methods Used in the Formative Evaluation of Healthy Places North Carolina. Paper presented at the American Evaluation Association Annual Meeting, Denver, Colorado, October 17, 2014.
  - 21) Rindfleish K, Prunuske J, Lankton R, **Silberberg M**, et al. Integrating Primary Care, Public Health and Family Medicine Education. Pre-conference workshop presented at the 48th Society of Teachers of Family Medicine Annual Spring Meeting, Orlando FL, April, 2015
  - 22) Bleacher H, Ringwood H, Staff T, Martinez-Bianchi B, et al. From the Ground Up or to Infinity and Beyond: Enhancing Your Population Health Curriculum at Any Stage Presented at the 48th Society of Teachers of Family Medicine Annual Spring Meeting, Orlando FL, April, 2015.

#### 4. Peer-Reviewed Posters:

- 1) **Silberberg M** and Estes CL. Analyzing Home Care Agency Regulation: Insights from a Stakeholder Attitude Survey. Poster presented at the annual meeting of the Gerontological Society of America, Washington D.C., November 1996.
- 2) **Silberberg M**, Goldstein LB, McMiller Y, and Yaggy SD. Stroke Knowledge Among Uninsured Latino Immigrants. Poster presentation at the International Stroke Conference, New Orleans, February 20-22, 2008.
- 3) **Silberberg M**, James SA, et al. Sources of Support for African-American Diabetics. Poster presentation at the 68th Scientific Sessions - American Diabetes Association, San Francisco, June 6-10, 2008.
- 4) **Silberberg M**, James SA, et al. Addressing Health Disparities in a Diverse African-American Population Through Community Based Participatory Research. Poster Presentation at the Conference “Improving Health WITH Communities: The Role of Community Engagement in Clinical and Translational Research” (sponsored by NCRR and APTR), Bethesda, May 14-15, 2009.
- 5) Tran A, **Silberberg M**, et al. BienenSTAR: A Community-University Partnership to Deliver Culturally Appropriate Mental Health Services for Latino Immigrant Children in School-Based Health Clinics. Poster Presentation at the Annual Meeting of the American Public Health Association, Philadelphia, Nov. 7-11, 2009.
- 6) Tran A, **Silberberg M**, et al. Taking the Message Home to Older Adults : A Home Care Chronic Disease Education Program for Certified Nursing Assistants. Poster presentation at the Annual Meeting of the American Public Health Association, Philadelphia, Nov. 7-11, 2009.
- 7) **Silberberg M**, Carter-Edwards L, et al. IN4Kids: Data from a Study of RD Integration into Primary Care. Storyboard Presentation at the Annual Forum for Improving Children's Healthcare and Childhood Obesity Congress, Atlanta, March 8-11, 2010.
- 8) **Silberberg M** et al. ¡SEPA! A Marriage of Research and Practice. Poster Presentation at the Conference “Partnering to Improve Health: The Science of Community Engagement” (sponsored by NCRR and APTR), Arlington, VA, May 13-14, 2010.
- 9) Martinez-Bianchi V, Shahsahebi M, **Silberberg M**, Halstater B, et al. The Next Step Toward Improving Population Health: A Population Health Management Rotation. Poster presentation at the 48th Society of Teachers of Family Medicine Annual Spring Meeting, Orlando FL, April, 2015.
- 10) Zullig LL., McCant F., Silberberg M., Johnson F., Granger BB., BOSWORTH HB. (2017). Changing CHANGE – Adaptations of an Evidence-Based Telehealth Cardiovascular Disease Risk Reduction Intervention. Poster presentation at the 10<sup>th</sup> Annual Conference on the Science of Dissemination and Implementation, December 4-56. 2017.
- 11) Lapinski J, et al. An Interdisciplinary Approach to Full Spectrum Transgender Care. Poster presentation at the Conference of the World Professional Association for Transgender Health, November 2018.
- 12) **Silberberg M**, Singh A, Bettger, JP, Dolor RJ, et al. Screening Older Adults for Hearing Loss in Primary Care: Insights of Patients, Providers, and Staff. Virtual poster presentation at the Annual Meeting of the Gerontological Society of America, November 6, 2020.
- 13) Trambert Kylstra E, Luukinen B, Cohen S, Valier M, Tuccero D, **Silberberg M**, Murphy SK. Effects of Paternal Preconception and Maternal Prenatal Marijuana Use. Virtual poster presentation at the American Academy of Family Physicians Family Medicine Experience, October 13, 2020.
- 14) Trambert Kylstra E, Luukinen B, Cohen S, Valier M, Tuccero D, Murphy SK, Kollins S, Levin E, **Silberberg M**. Effects of Paternal Preconception and Maternal Prenatal Marijuana Use. Virtual poster presentation at the American Medical Association Research Symposium, December 3, 2020.

## 5. Other:

- 1) Guest, “The Fragmented Whole” Podcast, taped at the studios of WNCU, Durham, North Carolina, March 25, 2019.
- 2) Host (with Donna Biederman and Emily Carmody), Tenancy Support Services Research Symposium, Durham, North Carolina, April 23, 2019.

### **Service to Duke:**

**Member**, Division of Community Health Management Team, AY2009-present

**Member**, Community Benefits Oversight Committee, AY2010

**Duke Lead**, Eat Smart Move More – Interuniversity Collaborative, AY2010-2011

**Member**, Community and Family Medicine Executive Council, AY2011-2017

**Member**, Primary Care Leadership Track Advisory Group, AY2011

**Member**, Community Health Day Planning Committee, AY2011-2012

**Judge**, AOA Day, 2011, 2014, 2016

**Member**, Institutional Review Board, Duke University Health System, AY2013 –2017

**Member**, Faculty Selection Committee, Division of Occupational and Environmental Medicine, AY2013

**Member**, Selection Committee for Division Chief, Division of Family Medicine, AY2013

**Member**, Primary Care Research Consortium Research Advisory Board, AY2014-present

**Member**, Duke Family Medicine Residency Steering Committee, AY2015-present

**Member**, Faculty Selection Committee, Physician Assistant Division, 2016

**Member**, Duke CTSI Synergy Speaker Series Organizing Committee, AY2017-AY2019

**Reviewer**, Pathway to Independence/K Club Mock reviews, AY2017

**Associate Program Director**, Duke National Clinician Scholars Program, AY2018-2021

**Core Faculty**, Duke National Clinician Scholars Program, AY2022-present

**Member**, Ad Hoc Committee on Future of Evaluation and Engagement at Duke Social Science Research Institute, AY2019

**Reviewer**, Duke CTSI CERI 2019 Population Health Improvement Award Proposals, AY2019 - present

**Reviewer**, Duke-NCCU Collaborative Award Program, AY2019

**Consultant**, Duke-CTSI Translational Accelerator Award program, AY2020

**Member**, Family Medicine and Community Health Research Faculty Search Committee, AY2019

**Member**, Population Health Subcommittee of Medical School Curriculum Innovation Committee, AY2020-present

**Reviewer**, Duke Bass Connections Proposals, AY2020-present

**Member**, Vice-Chair’s Committee for Research and Scholarship, Department of Family Medicine and Community Health, AY2020-present

**Member**, POD 5.2 Duke Health Strategic Planning Process, AY2021-present

**Member**, Reappointment Review Committee for Osondu Ogbuoji, AY2022

**Member**, Selection Committee for Director of Primary Care leadership Track, AY2022

**Member**, Selection Committee for Professor of Practice, DGHI, AY2022

**Member**, Mock Review Team for Catherine Staton, AY2022

### **Consultant Appointments:**

**Lead, Program Evaluation Team**, Technical Assistance Consortium, Community Partnerships for Older Adults Program (Funded by the Robert Wood Johnson Foundation.), 2004-2006  
**Member**, Consultant Team for Caromont Health System, November 2010-September 2011  
**Evaluation Consultant**, Kate B. Reynolds Charitable Trust, February 2022-August 2022

### **Professional Awards and Special Recognitions:**

Graduate Opportunity Fellowship, 1984-1985.  
Center for Latin American Studies Travel Grant (Costa Rica), 1986.  
Foreign Language Advanced Study Grant, 1987-1988.  
Fulbright Travel Grant (Venezuela), 1988-1989.  
John L. Simpson Memorial Research Fellowship, 1989-1990.  
Outstanding Graduate Student Instructor, 1991.  
Jay A. Sigler Award for Outstanding Dedication and Service to the Students of the Graduate Department of Public Policy and Administration, Rutgers University-Camden, 1997.  
Nominee, Duke Medicine Research Mentoring Award, 2012.  
Best Issue Brief, Robert Wood Johnson Foundation Interdisciplinary Research Leaders, Cohort 1, 2020.

### **Organizations and Participation:**

**Member**, Executive Board, Camden City Healthy Mothers/Healthy Babies, 1996-1997  
**Member**, Board, The Community Health Worker Institute, 2001-2002  
**Reviewer**, Administration on Aging's National Family Caregiver Supportive Service Program – Innovative Grant Competition, August 2001

#### **Reviewer for Peer-Reviewed Journals:**

*American Journal of Preventive Medicine*  
*Annals of Family Medicine*  
*Health Education & Behavior*  
*International Journal of Environmental Research and Public Health*  
*Journal of the Academy of Nutrition and Dietetics*  
*Journal of Aging & Social Policy*  
*Journal of Applied Gerontology*  
*Journal of Clinical and Translational Science*  
*Journal of Health Care for the Poor and Underserved*  
*Journal of Health Policy, Politics, and Law*  
*Journal of Immigrant and Minority Health*  
*North Carolina Medical Journal*  
*Preventing Chronic Disease*  
*Yale Journal of Health Policy, Law, and Ethics*

**Reviewer**, Life Sciences Discovery Fund Project Grant Competition, 2008 and 2009.  
**Member**, Management Team, Duke Division of Community Health, 2007-present  
**Member**, CBISA Review Committee, 2009  
**Member**, Durham Health Innovations HIP Seniors Project, 2009  
**Duke Lead**, Eat Smart Move More Inter-University Collaborative, 2009 - present  
**Member**, CTSA Consortium Social Networking Analysis Interest Group, 2009 - 2010

**Member**, Planning Committee for CTSA Social Networking Analysis Workshop, University of California at Davis, 2010 (Named on the Administrative Supplement Funding the Workshop)  
**External Reviewer of Documents**, AARP Center to Champion Nursing in America, 2013  
**Member**, Research Advisory Committee, New Jersey Integrated Population Health Data (iPHD) Project, 2022-present

### **Teaching and Mentorship Responsibilities:**

**Faculty**, Department of Public Policy and Administration, Rutgers – Camden Campus, teaching “Principles of Health Care Management,” “Foundations of Policy Analysis,” “Health Care Policy and Politics,” AY1995-1999. Mentored several masters’ theses.

**Faculty Mentor**, Project L/EARN, 2000-2002

**Site Supervisor**, Dawn Durain, An Evaluation of a State Health Policy Designed to Improve Cardiac Care to Underserved Populations, UMDNJ- School of Public Health Master’s Program, Fall 2000

**Faculty Advisor**, Master of Health Sciences – Clinical Leadership Program, AY2004

**Faculty**, Health Leadership Program, AY2004-2007

**Mentor**, Kempe Jacobowitz Ames

Third-Year Thesis Co-Mentor (with J. Lloyd Michener), D. Kempe Jacobowitz-Ames, Successfully Treating Chronic Conditions in Low Income Elders: The Just for Us Program, AY 2004

Outside Thesis Reader, D. Kempe Jacobowitz-Ames, Meeting the Needs of Low Income Elders: Just for Us, Master of Public Policy Program, Sanford Institute, AY2004

Practicum Advisor, D. Kempe Jacobowitz-Ames, Master of Public Policy Program, Sanford Institute, Duke University, AY2004

**Third-Year Thesis Co-Mentor** (with J. Lloyd Michener), Brian Horvath, Patient Selection for Care Management in Community Care of North Carolina, AY2005

**Mentor**, Elizabeth Azzato

Third-Year Thesis Co-Mentor (with J. Lloyd Michener), Elizabeth Azzato, Asthma ED, Outpatient & Inpatient Utilization in Durham County Among Children Enrolled in CCNC, AY2005

Outside Thesis Reader, Elizabeth Azzato, Master of Public Health, University of North Carolina at Chapel Hill, AY2005

**Third-Year Thesis Co-Mentor** (with J. Lloyd Michener), Sara Condrón, Perceived Discrimination and Healthcare Services Utilization: The Experience of Latino Immigrants in Durham County, North Carolina, AY2006

**Faculty Advisor**, Tanika Day (Community Health Fellow) Research Project, High School-based Clinic Utilization: Characteristics of Adolescents who are Frequent Users, AY2005-2006.

**Mentor**, Tiona Guess

Third-Year Thesis Mentor, Tiona Guess, Evaluation of a Group Psychotherapy Program to Prevent Risk-Taking Behaviors Among Adolescent Girls, AY2007

Practicum Advisor, Tiona Guess, Master of Public Health Program, University of North Carolina at Chapel Hill, AY2007

Outside Thesis Reader, Tiona Guess, Program Planning and Evaluation Steps for the Adolescent Centered Care Education & Social Support (ACCESS) Program, Master of Public Health Program, University of North Carolina at Chapel Hill, AY2007

**Mentor**, Elizabeth Taffolla

Third-Year Thesis Mentor, Elizabeth Taffolla, A Study of the Impact of Ethnicity and Gender on Medication Adherence, AY2007

Practicum Advisor, Elizabeth Taffolla, Master of Public Health Program, University of North Carolina at Chapel Hill, AY2007

**Presenter**, Clinical Research Support Office Advanced Lunch and Learn Series, Sept. 9, 2008

**Mentor**, George Shelton

Third-Year Thesis Mentor, George Shelton, The African-American Health Improvement Project: Patient Satisfaction, Health Behavior, and Improved Diabetes Control in a Community-Based Participatory Research Project, AY2008 and 2009

Practicum Advisor, George Shelton, Master of Public Policy Program, Sanford Institute, AY2008-2009

**Guest Lecturer**, Master of Health Sciences – Clinical Leadership Program, AY2008-2009

**Research Mentor**, Duke School of Nursing Making a Difference in Nursing Program, Summer 2009

**Third-Year Thesis Mentor**, Joslyn Wiley, AY2010

**Guest Lecturer**, “Interprofessional Prevention,” Duke Medicine, 2010

**Instructor**, “Community Engaged Population Health Research” (Family Medicine Residency), AY2011- 2013

**Primary Mentor**, Stephanie Foley, M.D. Differences in Stroke Risk Screening in the Latino Population: Health Fairs vs. Community Outreach, AY 2011

**Member of Mentor Team**, Megha Shah, M.D. Southern High School Wellness Center: Identifying Barriers to Enrollment, AY2011

**Instructor**, “Population Health Core Course” (Family Medicine Residency), AY2014-2016

**Director**, Population Health Improvement Teamwork Project (Family Medicine Residency, AY2014-present

**Instructor**, “Population Health Management Approaches,” Duke Clinical Leadership Program, Spring 2014

**Third-Year Thesis Co-Mentor**, Stephanie Ngo, Evaluating the Effectiveness of Community and Hospital Medical Record Integration on Management of Behavioral Health in the Emergency Department, AY 2015

**Third-Year Thesis Co-Mentor**, Jessica Friedman, Use of the 5 A’s for Teen Alcohol Use, AY2015

**Instructor**, “Program Evaluation for Health,” Duke Global Health Institute, AY2015-present

**Lead Mentor**, Tiffany Cagle, M.D. Mental Healthcare in North Carolina’s Undocumented Immigrants: Patients, Providers, and Policies, AY2016

**Third-Year Thesis Mentor**, Javier Galán, Evaluating Health Outcomes and Primary Care Physician Utilization among Low-income Adults with Type 2 Diabetes and/or Hypertension Receiving Either Standard or Intensive Care Management, AY2016

**Third-Year Thesis Mentor**, Vicki Tan, The Effectiveness of Screening in Detecting Mental Health Issues in Adolescents, AY2016/2017

**Lead Mentor**, Kenetra Hix, M.D., M.P.H. Information Station and Poverty Reduction, AY2018

**Third-Year Thesis Mentor**, Nicola Lew, Rates and Predictors of Follow-Up and Blood Pressure Control at a Federally-Qualified Health Center in North Carolina, AY2018/2019

**Third-Year Thesis Co-Mentor**, Eviction as Disruptive Factor for Health Care Utilization: Impact on Hospital Readmissions and No-show Rate, Peter Callejo-Black, AY2019

**Member**, Doctoral Dissertation Committee, Jinoh Park, “Increased Opportunities for Supporting Continuing Care Retirement Community Stability Through Designed Built Environment with Supportive Services” North Carolina State University College of Design, AY2019

**Instructor**, “Community Engaged Approaches to Population Health,” Duke Clinical Leadership Program, Summer 2019 - present

**KL2 Mentor**, Dr. Michelle White, AY 2019 – present

**Mentor**, Scholarship Oversight Committee, R38, Dr. Anna Williams, AY2019 – present

**Mentor**, Emily Trambert-Kylstra, MPH Practicum, University of North Carolina at Chapel Hill, AY2020.

**Mentor**, Andrea Graham, Durham Technical Community College CRA Program Practicum, Spring 2021

**Practicum Mentor**, Badal Patel, UNC Chapel Hill MPH Practicum, Summer 2021

**Practicum Mentor**, Laura Hutchins-Schaecher, UNC Chapel Hill MPH Practicum, Summer 2021

**Internship Mentor**, Megan Knauer, Duke Margolis Summer Internship Program, Summer 2021

**Practicum Mentor**, Donna Nielsen, UNC Chapel Hill MPH Practicum, AY2022

**Third-Year Thesis Mentor**, Kelly Goo, “Primary-Care Assisted Specialty Telehealth Visits” (working title), AY2022

**PHIT Project Mentor**, Andrea Flores, AY2022-AY2023

**Mentor**, Derrick Hoover, Robert Wood Johnson Foundation Clinical Scholars Program, AY2021 – present

**Member**, M.S.Thesis Mentorship Committee, Isabeaux Kennedy, Duke Global Health Institute AY2022

**Member**, M.S.Thesis Mentorship Committee, Dorothy Nam, Duke Global Health Institute AY2022

**Guest Lecturer**, “Global Health: Social Determinants” AY2022

**Super-Mentor**, Duke Pediatric Research Scholars, AY2002-present

**Guest lecturer outside of home department:**

University of Medicine and Dentistry of New Jersey School of Public Health, 1999-2003

Bryn Mawr College, 1999-2000

University of Pennsylvania School of Nursing, 2002

Duke University Department of Psychology, 2007

Duke University School of Nursing, 2009, 2012

Duke-Johnson and Johnson Nurse Leadership Program, 2014-2018

Duke Master of Biomedical Sciences, 2022

**External Support:**

**1. Past:**

- 1) **Principal Investigator**, Substance Abuse Treatment Policy in New Jersey. Rutgers Research Council Seed Grant. Purpose: Describe evolution of state substance abuse treatment policy. Awarded 1995 for summer research.
- 2) **Principal Investigator**, State-Sponsored Respite Care in New Jersey. Alzheimer’s Association. \$30,000. Purpose: Describe program history, assess strengths and weaknesses, provide profile of clients and services used. Awarded 1999.
- 3) **Project Director**, Evaluation of School-Based Health Services. Joel C. Cantor, PI Healthcare Foundation of New Jersey, \$28,000. Evaluate HFNJ-funded school-based health centers using key informant interviews and focus groups. Awarded 2000.
- 4) **Project Director**, Public Health Financing and Newark School Services. Joel C. Cantor, PI. Healthcare Foundation of New Jersey. \$93,930. Purpose: 1) Survey parents of students at HFNJ-funded school-based health centers and comparison schools to provide data relevant to policy debate over incorporation into Medicaid managed care networks. 2) Interview stakeholders in other states about financing of school-based health centers. Awarded 2000.
- 5) **Principal Investigator**, Caregiver Training Evaluation. New Jersey Department of Health and Senior Services, (\$8,000). Purpose: Use existing survey data and conduct one additional survey to evaluate a caregiver training program. Awarded 2000.
- 6) **Principal Investigator**, Humanism in Medicine Program Evaluation. Healthcare Foundation of New Jersey, \$10,000. Purpose: Evaluate selection process, awareness, and impact of Humanism in Medicine Program. Awarded 2000.
- 7) **Project Co-Director**, Assessment of a New Jersey Policy to Reduce Disparities in Cardiac Care. Joel C. Cantor, PI. Awarded as part of the Rutgers Center for Health Services Research, Steven Crystal, PI, by the Agency for Healthcare Research and Quality, \$90,000. Purpose: Pilot research evaluating the impact of a CON policy aimed at reducing racial disparities in cardiac care. Awarded, 2001.

- 8) **Principal Investigator**, Consultation on Johnson & Johnson/Rosalynn Carter Institute Caregivers Program. Johnson & Johnson, \$23,000. Provide Johnson & Johnson with contextual information on state caregiver policy and demographics to support selection of program awardees. Awarded 2002.
- 9) **Principal Investigator**, Assessing Evaluability of the Impact of Service Coordinators on HMFA-Sponsored Senior Housing. New Jersey Housing and Mortgage Finance Agency, \$1,500). Purpose: Assess potential for evaluating the impact of service coordinators on the well-being of seniors and the worklife of property managers at HMFA-sponsored senior housing. Awarded 2002.
- 10) **Principal Investigator**, NJEASE for Caregivers Evaluation. New Jersey Department of Health and Senior Services, \$88,598. Purpose: Evaluate the NJEASE for Caregivers program. Awarded, 2002. Note: Because I came to Duke in 2003, I turned this project over to a colleague at the Rutgers Center for State Health Policy.
- 11) **Evaluator**, Lyon Park Clinic Implementation and Expansions. Susan D. Yaggy, PI. Duke Endowment, \$125,000. Purpose: Evaluate expansion process, patients served and ED diversion at Lyon Park clinic. Awarded 2003.
- 12) **Evaluator**, Walltown Clinic Implementation. Susan D. Yaggy, PI. Duke Endowment. Purpose: Start-up of Walltown Clinic. Awarded 2003.
- 13) **Evaluator**, Local Access to Coordinated Healthcare. Susan D. Yaggy, P.I. Health Resources and Services Administration. Purpose: Provide care management and fill service gaps for uninsured in Durham. Awarded 2002.
- 14) **Advisor**, North and South Carolina Community Nutrition Network, \$578,483. Awarded 2004.
- 15) **Project Director**, African-American Health Improvement Partnership. Sherman A. James, PI. National Center for Minority Health and Health Disparities, NIH, \$1,583,162. Purpose: Using a Community-Based Participatory Research approach, design and pilot an intervention to address health disparities. Awarded 2005 for the period October 2005-June 2008. Effort: .50.
- 16) **Evaluator**, Bringing Certified Nursing Assistants New Skills in Chronic Disease Management to Become Part of the Health Care Team. J. Lloyd Michener, PI. Fullerton Foundation. Purpose: Training CNAs to help patients and themselves with chronic disease management. Evaluate impact of program on CNA knowledge, capacity of CNA trainers, and policy debate. Awarded 2008 for the period 2008-2010. Effort: .10.
- 17) **Principal Investigator**, IN4Kids. N.C. Health and Wellness Trust Fund. Total Grant: \$1,361,243. Contract to Duke for \$644,026. Purpose: A study of the feasibility and effectiveness of integrating a registered dietician into primary care practices to work with overweight children or children who are at risk of overweight. Awarded 2008 for the period July 2008-December 2010. Effort ranged: .05-.20.
- 18) **Evaluator**, LATCH –PADC. Fred Johnson, PI on Subcontract to Duke. Duke Endowment. \$853,553. Purpose: Implement Project Access of Durham County, creating a system of free specialty care for the uninsured in Durham. Subcontract to Duke to evaluate LATCH’s care management activities for Project Access of Durham County. Awarded 2008 for the period July 2008-December 2010. Effort: .10.
- 19) **Evaluator**, ¡SEPA! Colleen Blue, PI. Kate B. Reynolds Foundation. Subcontract to Duke \$229,270. Purpose: Implement and evaluate ¡SEPA!, a stroke education and risk reduction program for uninsured Latinos in Durham. Awarded 2008 for the period July 2008-June 2011. Effort: .03.
- 20) **Faculty Member, DCCR Liaison Team**, Community Engagement: Moving the Community from Subject to Collaborative Partner, awarded as part of the Duke Translational Medicine Institute. Robert Califf, PI. NIH. DCCR Component: \$4,870,018. Purpose: Support researchers and communities in community engaged research to improve the relevance and quality of research and find ways to move proven strategies for health improvement into the community. Awarded 2006 for the period October 2006-September 2011. Effort: .30.
- 21) **Editor**, The National Partnership for Principles of Community Engagement. Administrative Supplement to DTMI. Rob Califf, PI. NIH. \$598,935. Purpose: Provide consulting services to academic medical

centers on community engaged research. Revise the CDC's *Principles of Community Engagement*. Awarded 2009 for the period July 2009-June 2011. Effort: .10.

- 22) **Evaluation Team Member**, My Medical Home. Michelle Lyn, PI. \$929,954. Purpose: Develop and field test a patient-driven chronic care model. Awarded 2008 for the period July 2008 to June 2012. Effort: .05.
- 23) **Co-Principal Investigator**, African-American Health Improvement Partnership. Sherman A. James, PI. NCMHD, NIH. \$4,830, 164. Purpose: A community-based participatory research grant to expand and study a previously-piloted intervention to improve the health of working and middle-class African-American type 2 diabetics in Durham County, N.C. (Competitive continuation of pilot). Awarded 2008 for the period July 2008-February 2013. Effort: .20.
- 24) **Curriculum Lead**, The Population Health Improvement Leadership Program. Lloyd Michener, P.I. The Fullerton Foundation. Purpose: Train primary care providers, especially in the Carolinas, to serve as leaders in of local programs to improve the health of our communities, and make health care more accessible, effective, and less expensive. Awarded 2012 for the period November 2012-October 2013. Effort: .10.
- 25) **Evaluator**, LATCH –PADC. Fred Johnson, PI on Subcontract to Duke. Duke Endowment. \$750,000. Purpose: Implement Project Access of Durham County, creating a system of free specialty care for the uninsured in Durham. Subcontract to Duke to evaluate LATCH's care management activities for Project Access of Durham County. Awarded 2010 for 2011-2013. Effort: .07
- 26) **Co-Principal Investigator**, The Practical Playbook for Integration of Public Health and Primary Care. Lloyd Michener, P.I. Purpose: Develop interactive web-based playbook providing practical guidance on integration of public health and primary care. Awarded 2012 for the period November 2012 to October 2014. Effort: .20
- 27) **Evaluator**, LATCH –PADC. Fred Johnson, PI on Subcontract to Duke. Duke Endowment. Purpose: Implement Project Access of Durham County, creating a system of free specialty care for the uninsured in Durham. Subcontract to Duke to evaluate LATCH's care management activities for Project Access of Durham County. Awarded 2013 for 2014-2017. Effort: .05
- 28) **Investigator**, The Durham Diabetes Coalition. Rob Califf, PI. Bristol Myers Squibb Foundation. \$6,246,329. Purpose: Improve diabetes management and outcomes, reduce disparities, at the county level. Awarded 2011 for the period July 2011-June 2016. Effort: .08.
- 29) **Senior Advisor**, The Practical Playbook for Integration of Public Health and Primary Care Phase II. Lloyd Michener, P.I. Purpose: Support integration of public health and primary care. Awarded 2014 for the period November 2014 to October 2017. Effort: .10
- 30) **Principal Investigator**, Healthy Places NC Phase 1 Evaluation: Formative Evaluation of a Place Based Strategy to Stimulate Community Change. Kate B. Reynolds Foundation. Purpose: Healthy Places North Carolina (HPNC) deploys expert partner organizations and community-specific program officers to support local actors in health improvement efforts through networking, capacity building, and technical assistance. Evaluation informs modifications to the initiative, and assesses HPNC in six domains: awareness, reach, and understanding of HPNC in the counties; activation/idea development/project development resulting from HPNC; changes occurring in relevant networks of local actors; capacity-building for local actors; performance and perceived value-added of the Trust; and performance and value-added of the expert partner organizations. July 2013 – December 2014. Effort: .15.
- 31) **Co-Principal Investigator**, Population Health Improvement Leadership Program – Phase II. Lloyd Michener, P.I. Fullerton Foundation. Purpose: Work with primary care training programs across the Carolinas to develop, pilot, and disseminate population health curricula and training materials that adapt to the strengths, needs and resources of different settings and learners. November 2013 – December 2015. Effort: .20.
- 32) **Co-Principal Investigator**, A National GME Program in Population Health. Lloyd Michener, P.I. Centers for Disease Control and Prevention/Association of American Medical Colleges. Purpose: Plan

and host training webinars, develop materials and training milestones to promote incorporation of population health into medical training nationally. July 2013-June 2015. Effort: .20.

**33) Principal Investigator**, Healthy Places NC Phase II Evaluation: Formative Evaluation of a Place Based Strategy to Stimulate Community Change. Kate B. Reynolds Foundation. June 2015-May 2017. Effort: .20

**34) Co-Principal Investigator** (with Biederman and Carmody), Increasing Housing Stability: Assessing Two Promising Tenancy Support Models to Inform Local, State, and National Policy and Practice. Purpose: Funding through the Interdisciplinary Research Leaders Program supports a study of lessons learned from two vanguard programs providing tenancy support services to the homeless and those at-risk of homelessness. Robert Wood Johnson Foundation. September 2016-August 2019. Effort: .20

## 2. Present:

- 1) Investigator**, Addressing Barriers to Adult Hearing Healthcare. Purpose: The goals of this proposal are to develop cost effective, accessible, and efficient methods of identifying and treating hearing impairment in older adults, beginning with the primary care setting, and evaluate the impact of factors that may support or impede hearing health care access. Debara Tucci and David Witsell, P.I. NIDCD (NIH). November 2015-October 2020 (extended). Effort: .15
- 2) Principal Investigator, Outreach and Dissemination Component**, CIPHERS. Purpose: Study of epigenetic changes in sperm of cannabis users, dissemination of results to scientific and practice communities. Susan K. Murphy, P.I. Templeton Foundation. January 2019 (Joined project team)– June 2020 (currently in no-cost extension). Effort: .10
- 3) Evaluator**, LATCH –PADC. Dev Sangvai, P.I. on Subcontract to Duke. Duke Endowment. Purpose: Evaluate LATCH’s care management activities for Project Access of Durham County. 2018-2020. Effort: .03
- 4) Evaluator**, Primary Care Transformation Fellowship. Purpose: Train physicians and physician assistants to lead health care transformation and improve health within their communities and community-based practice settings. Anthony Viera, P.I. Health Resources Services Administration. October 2018 – September 2023. Effort: .10
- 5) Evaluator**, Duke-Durham Neighborhood Initiative. Purpose: Implement three community-campus partnered projects that use data-driven community-engaged strategies to improve health. Michelle Lyn, P.I. Blue Cross/Blue Shield Foundation. January 2019-November 2021. Effort: .10
- 6) Co-Investigator**, Implementation and Implications of Sickle Cell Trait Screening in the NCAA. Purpose: Study variation in implementation of the NCAA’s mandate for sickle cell trait screening and the sources and implications of that variation. Charmaine Royale, PI. NIH. September 2019-June 2023. Effort: .10
- 7) Principal Investigator**, Evaluation of COVID-19 Response through Community Health Workers Program. Purpose: Evaluate implementation of program. NCDHHS Office of Rural Health. December 1, 2020 – June 30, 2021. Effort: .025
- 8) Co-Principal Investigator**, Evaluation of Back@Home. Purpose: Evaluate state post-disaster Rapid Rehousing Program. NCDHHS Office of Rural Health. January 1, 2022 – March 31, 2022. Effort: .15
