

Experiential Learning for the Global Health Major: Internships

General Requirements:

- **Time Commitment:** complete an eight-week full-time or 320-hour activity prior to the spring semester of senior year
- **Timing:** must be completed prior to enrollment in the senior capstone course
- **Location:** international or domestic experiences qualify
- **Pre-requisite:** complete the global health ethics course requirement before starting the experiential learning activity
- **Approval:** receive approval before beginning the experience; retroactive approval will not be permitted for experiences. The final deadline for pre-approval is **April 1st**
- **Pre-activity:** attend workshops during the month of April prior to beginning your experiential activity
- **Post-activity:** attend re-entry retreat and complete post-experience ELA report

Please note: DGHI is not affiliated with the organizations below. This list of internships contains previous placements from global health students. These internships are not pre-approved and need to go through the ELA approval process prior to placement
