

Nursing a Passion for Innovation

Nurses' Unique Position to Innovate in Global Health

Hosted by the [Social Entrepreneurship Accelerator at Duke \(SEAD\)](#) and the [Office of Global and Community Health Initiatives \(OGACHI\)](#) at the [Duke University School of Nursing \(DUSON\)](#)

Hear how nurses around the world have contributed innovative solutions to global health challenges, including One Family Health, a franchise of nurse-run clinics expanding throughout Africa.

Learn about opportunities to engage in social entrepreneurship & global health innovation at Duke.

Monday, Feb 2nd
5:30pm - 7:00pm
Duke School of Nursing
Pearson Bldg Room 1026
