## Elective Course Guidelines (formerly Focused Study Themes)

Students are required to take a total of three (3) pre-approved elective courses to meet requirements of the Global Health program. Students are no longer required to choose courses within a specific theme, create their own theme, or submit an approval form.

An elective is defined as:

- Any course at the 200 level or above with a GLHLTH prefix or GLHLTH cross-listing
- A global health independent study (GLHLTH 391, 393, 395 or 396)
- A preapproved elective course

Please note:

- Courses fulfilling the Core requirements may not be counted as electives.
- Only one research independent study may be counted as an elective, if approved by the DUS.
- **Courses may NOT double-count within the major.**
- **Preapproved study abroad** courses may count as electives. Students can view GLHLTH and GLHLTH cross-listed courses [here](#).

## Experiential Learning Activity General Requirements

**Prerequisite:** Global Health Ethics and pre-approval.

**Timing:** project must take place before spring semester of senior year

**Time Commitment:** minimum of eight weeks full-time, or 320-hours

**Location:** international or domestic experiences qualify

**Pre and post-activity workshops**

Students can fulfill their Experiential Learning requirement for the Global Health co-major through a variety of activities:

- **Pre-approved projects:** DGHI Student Research Training (SRT) Program
- **Projects that require DGHI approval:** Bass Connections | DukeEngage | Internships
  Faculty-mentored Independent Research Projects

**ELA Forms ([https://globalhealth.duke.edu/education-and-training/experiential-learning](https://globalhealth.duke.edu/education-and-training/experiential-learning))**:

- **Pre-Approval Form - Due April 1** – Student describes the proposed activity and its relation to global health.
- **Evaluation Form - Due early September** – Supervisor/preceptor/mentor evaluates student’s engagement in the experiential learning activity.
- **Post-Experience report form - Due mid-September** – Student summarizes the experience and reflects upon its connection to student’s academic study and the greater global health context.
