Request for Proposals: Visiting Scholars
APPLICATION DEADLINE: October 8, 2018

Purpose: The Duke Global Health Institute (DGHI) is committed to creating a supportive and inclusive environment for learning, research, and teaching. We bring together people who lead innovative global health programs, conduct cutting-edge research, and work to reduce global health disparities. Working with schools, departments, centers, and other institutes across campus, DGHI supports a focused portfolio of research priorities on emerging global health themes, and facilitates and supports interdisciplinary programs and collaboration in the areas of research, education, service and policy. (See http://globalhealth.duke.edu/research)

DGHI invites its faculty members to request support for a Visiting Scholar who would visit DGHI for a short stay (4-8 weeks).

Key requirements for funding include:
- Applicants must be DGHI Faculty;
- The Visiting Scholar should be connected to one or more DGHI research priority areas or priority partnership locations;
- The Visiting Scholar is expected to participate in DGHI seminars, talks, and other scholarly activities;
- A guest lecture and/or Think Global public talk given by the Visiting Scholar is desirable;
- DGHI Faculty research program would be enhanced by this visit, leading to the possibility of future external funding.

DGHI is most interested in funding proposals related to its 7 Research Priorities or 12 Priority Partnership Locations.

If you intend to apply, please email or meet with Kelly Deal (Kelly.deal@duke.edu) as soon as possible but no later than September 20, 2018 to discuss what bringing a Visiting Scholar to Duke entails. These discussions are not binding but are required if you *do* apply.

Applications are due on October 8, 2018, with scholars proposed to visit before June 30, 2019. Ideally, the scholar will visit prior to the end of the spring semester. Please submit electronically to Kelly Deal at DGHI (Kelly.deal@duke.edu). The application should include the following components:
- One-page description of the proposed Visiting Scholar and relevance to DGHI and Faculty Member priorities;
- Research collaboration plan with the DGHI member (1-2 pages);
- Budget (work with Sarah Cao to prepare);
- Applicant and DGHI faculty CVs or NIH biosketches; and
- Letters of support from DGHI member(s) and home institutions.

For questions, please contact Kelly Deal (Kelly.deal@duke.edu) or (919) 681-7159.
